SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU qu'a été soumis à Son Excellence le Gouverneur général en conseil un rapport du président de la Commission des chemins de fer du Canada au sujet de certaines plaintes concernant particulièrement l'augmentation dans les taux de fret des chemins de fer sur le sucre, ainsi que fixé par un arrêté en conseil (P.C. 1863) du 27 juillet 1918;

Et attendu qu'il est recommandé dans ledit rapport que lesdits taux soient modifiés,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre des Chemins de fer et Canaux, conformément à l'avis du président de la Commission des chemins de fer du Canada, et sous l'empire de la *Loi des mesures de guerre de 1914*, de décréter par les présentes que les taux sur le sucre raffiné, en chargements de wagons, seront comme suit, savoir:

A Montréal, pour livraison locale, 32 cents les 100 livres de St-Jean, N.-B., et 33 cents les 100 livres de Halifax.

A des destinations en Canada à l'ouest de Montréal, les taux courants de cinquième classe de Montréal, avec addition de 14½ cents les 100 livres de St-Jean et 15½ cents les 100 livres de Halifax.

De Vancouver, C.-B., comme suit, savoir:

(*b*) A Winnipeg, le pourcentage du taux de 5e classe de Vancouver à Winnipeg équivalent à la proportion du taux de Vancouver à Regina au taux de 5e classe de Vancouver à Regina.

(*c*) Sujets aux mêmes taux, comme maximum, les taux aux destinations intermédiaires sur les lignes directes de transport seront raisonnablement gradués jusqu'à ce qu'ils correspondent aux taux de 5e classe de Vancouver.

(*d*) Aux destinations en dehors des lignes directes de transport susdites les taux n'excèderont pas ceux imposés pour des distances équivalentes sur la ligne directe appliqués aux plus courtes routes praticables, avec des additions raisonnables où la distance sur la ligne directe est insuffisante pour cette fin.

(*e*) Tant qu'existeront les tarifs de fret de Vancouver et Montréal en vigueur à la date du présent arrêté, les taux de Vancouver, gradués comme susdit, n'excèderont pas 94 cents à Banff, $1.00 à Calgary et Edmonton, $1.05 à Lethbridge, $1.21 à Saskatoon et $1.29 à Prince-Albert, par 100 livres respectivement.

Il plaît, de plus, à Son Excellence le Gouverneur général en conseil de décréter que les taux susdits entreront en vigueur de St-Jean et Halifax le 12 septembre 1918, et de Vancouver le 23 septembre 1918, par publication et déposition à un jour d'avis chez les Commissaires des chemins de fer du Canada, et ils demeureront en vigueur pour la durée de la guerre actuelle ou jusqu'à nouvel ordre.

DEMANDES AU PARLEMENT.

SENAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1916.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(*1*) La résidence du étitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawat le nom et l'adresse de quelque agent le représentan, à Ottawa à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat:

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

A. E. BLOUNT,
Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit:—

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*, —dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une *compagnie de télégraphe ou de téléphone*, —dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une *compagnie de banque;* une *compagnie d'assurance;* une *compagnie de crédit;* une *compagnie de prêt;* ou une *compagnie industrielle*, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement.

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera e même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs); d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: *"Avis de bill privé"*; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

A. E. BLOUNT,
Greffier du Sénat.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, Mettout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instructions aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommendation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la Chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents dollar

Taxes supplémentaires

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir:—

(*a*) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension.....	$100 00
(*b*) Lorsqu'un bill est présenté dans la Chambre après la huitième Semaine de la session et avant la fin de la douzième.....	100 00
(*c*) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session.....	200 00
(*d*) Lorsque le capital social projeté d'une compagnie dépasse $250,000, et n'excède pas $500,000.....	100 00
(*e*) Lorsque le capital social projeté d'une compagnie dépasse $500,000, et n'excède pas $750,000.....	150 00
(*f*) Lorsque le capital social projeté d'une compagnie dépasse $750,000, et n'excède pas $1,000,000.....	200 00
(*g*) Lorsque le capital social projeté d'une compagnie dépasse $1,000,000, et n'excède pas $1,500,000.....	300 00
(*h*) Lorsque le capital social projeté d'une compagnie dépasse $1,500,000, et n'excède pas $2,000,000.....	400 00
(*i*) Pour chaque million ou fraction de million de dollars additionnel....	100 00

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de $300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans les cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, tel qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas *b* ou *c* de l'article 3, ne sera pas exigée.

A PROCLAMATION requiring the people of the Yukon Territory to register under the Registration Regulations approved by Our Governor General of Canada in Council on the 22nd day of April, 1918.

E. L. NEWCOMBE, Deputy Minister of Justice, Canada.

WHEREAS by the Regulations approved by Our Governor General of Canada in Council on the 22nd day of April, 1918, under the authority of Our War Measures Act, 1914, it is in effect provided that Our Governor General in Council may by proclamation appoint a day for general registration, and a subsequent day for registration within the Yukon Territory of the persons hereinafter described and by Our said regulations required to register on such subsequent day so appointed;

And whereas Our Governor General in Council, having appointed a day for general registration pursuant to the said regulations, has determined to appoint a subsequent day for registration within the Yukon Territory.

NOW THEREFORE KNOW YE that We do hereby proclaim and appoint Monday, the 30th day of September, 1918, to be the day upon which the registration aforesaid in the Yukon Territory shall take place; and We do hereby strictly command, require and enjoin that every person who resides or is in the Yukon Territory on the said 30th day of September, 1918, male or female, whether he or she be one of Our loving subjects or of alien or foreign nationality, who shall have attained his or her sixteenth birthday on or before the said 30th day of September, 1918, and who shall have been unable by reason of being in the Yukon Territory or travelling thereto en route to register elsewhere on the day generally appointed, including every such person of the age aforesaid engaged in making the registration, shall register on the said 30th day of September, 1918, in the manner hereinafter indicated and by Our said regulations prescribed: Wherein the persons affected by Our command and injunction aforesaid are hereby especially charged not to fail, since not only do their loyalty and allegiance, or their obligation to obey the laws of the country of their residence, require and impose the duty of careful and implicit obedience to this Our strict command and injunction; but, moreover, lest any of the persons aforesaid should be ignorant of the consequences which will ensue if they fail to register on the day hereby appointed, we do hereby forewarn and admonish them that if any person by Our said Regulations or by this Our Proclamation required to register shall without lawful excuse, omit, neglect or fail to register upon the day, or within the time limited therefor, he or she shall be subject to a penalty of fine and imprisonment, and moreover to various forfeiture and disabilities as by Our said regulations provided.

(REVISED EDITION.)

GEORGE R.I.

GEORGE THE FIFTH, by the Grace of God, of the United Kingdom of Great Britain and Ireland, and of the British Dominions beyond the Seas King, Defender of the Faith, Emperor of India.

To all to whom these presents shall come, GREETING:

WHEREAS Her late Majesty Our Beloved Grandmother Queen Victoria by a Warrant dated the 6th day of September, 1886, did institute and create a new Naval and Military Order of Distinction designated the Distinguished Service Order for the purpose of rewarding individual instances of meritorious or distinguished service in war;

And Whereas the said Royal Warrant was subsequently amended by Royal Warrants dated 24th July, 1902, 2nd July, 1903, 15th October, 1903, and 23rd August, 1916;

And Whereas it is Our Royal Will and Pleasure that the Officers of Our recently constituted Air Force shall be eligible for appointment to Our said Distinguished Service Order;

And Whereas We deem it expedient that all amendments to the Statutes of Our said Order heretofore promulgated, or now to be promulgated, shall be incorporated in a Royal Warrant under Our Sign Manual;

Now Therefore We do hereby declare that the rules and ordinances heretofore in force for the government of Our said Order shall be abrogated, cancelled and annulled, and We are graciously pleased to make, ordain and establish the following rules and ordinances in substitution for the same, which shall henceforth be inviolably observed and kept;

Firstly: It is ordained that this Order shall henceforth be styled and designated the "Distinguished Service Order."

Secondly: It is ordained that the Order shall consist of the Sovereign, and of such Members or Companions as We, Our Heirs or Successors shall appoint.

Fourthly: It is ordained that no person shall be eligible for this distinction who doth not actually hold, at the time of his nomination, a Commission in Our Navy, in Our Land Forces or Marines, in Our Air Force or in Our Indian or Colonial Naval or Military Forces, or a Commission in one of the Departments of Our Navy, Army or Air Force, the holder of which is entitled to Honorary or relative Navy, Army or Air Force rank, nor shall any person be nominated unless his services shall have been marked by the especial mention of his name, by the Admiral or Senior Naval Officer Commanding a Squadron or Detached Naval Force, or by the Commander-in-Chief of the Forces in the Field, in despatches for meritorious or distinguished service in the Field, or before the enemy.

Fifthly: It is ordained that Foreign Officers who have been associated in Naval, Military or Aerial operations with Our Forces shall be eligible to be Honorary Members of this Order.

Sixthly: It is ordained that when We, Our Heirs and Successors, shall be pleased to appoint any person to be a member of this Order, such appointment shall be made by Warrant under Our Sign Manual, and countersigned by one of Our Principal Secretaries of State.

Seventhly: It is ordained that anyone who, after having performed services for which this Order is awarded, subsequently performs an approved act of gallantry which, if he had not received the Order, would have entitled him to it, shall be awarded a Bar to be attached to the riband by which the Badge is suspended, and for every additional such act an additional Bar may be added.

Eighthly: It is ordained that an Officer shall be appointed to this Order, that is to say, a Secretary and Registrar.

Ninthly: It is ordained that the Secretary and Registrar of this Order shall be appointed by Us, Our Heirs and Successors, and shall have the custody of the archives of the Order. Eleventhly: It is ordained that the Badge of the Order shall consist of a gold cross, enamelled white, edged gold, having on one side thereof in the centre, within a wreath a laurel enamelled green, the Imperial Crown in gold upon a red enamelled ground and on the reverse, within a similar wreath and on a similar red ground, the Royal Cypher, and shall be suspended from the left breast by a red riband, edged blue, of one inch in width.

Twelfthly: It is ordained that the names of those whom We may be pleased to admit to Membership of this Order shall be published in the *London Gazette*, and a registry thereof kept in the office of Our Secretary of State for War.

Thirteenthly: In order to make such additional provision as shall effectively preserve pure this honourable distinction, it is ordained that if any person admitted to Membership of this Order shall be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall be erased, by an Order under the Royal Sign Manual, from the register of Members of the said Order. And it is hereby declared that We, Our Heirs and Successors, shall be the sole judge of the conduct which may require the erasure from the register of the name of the offending person, and that it shall at all times be competent for Us, Our Heirs and Successors, to restore the name if such restoration should be justified by the circumstances of the case.

Lastly: We reserve to Ourselves, Our Heirs and Successors full power of annulling, altering, abrogating, augmenting, interpreting or dispensing with these Regulations or any part thereof by a notification under the Sign Manual of the Sovereign of the Order.

Given at Our Court at *St. James's* this first day of *April*, in the eighth year of our Reign, and in the year of Our Lord one thousand nine hundred and eighteen.

HIS Excellency the Governor General in Council on the recommendation of the Minister of the Interior and under the provisions of Section 76 of the Dominion Lands Act, is pleased to and doth hereby set apart and appropriate Legal Subdivision 4 of Section 9, Township 60, Range 25, West of the Fourth Meridian in the Province of Alberta for church and cemetery purposes.

RODOLPHE BOUDREAU,
9-4 Clerk of the Privy Council.

[1911]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 5th day of August, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated the 24th July, 1918, from the Minister of the Interior stating that the south-east quarter of Secti n 26, Township 40, Range 2, west of the 5th Meridian, in the Province of Alberta, containing 160 acres, was, with other lands, vested in the Governor and Company of Adventures of England trading into Hudson's Bay, commonly called the Hudson's Bay Company, upon the 3rd day of January, 1907, under the provisions in that behalf contained in the Dominion Lands Act,

The Minister further states that a homestead entry for the said quarter section was, by oversight, granted on the 9th August, 1912, to Mr. Thomas William Ripper, who has been in continuous occupation of the land since 1913, and made valuable improvements thereon.

At the request of the Department of the Interior, the Hudson's Bay Company surrendered the quarter section in question, in order that Mr. Ripper's entry therefor might be confirmed, and selected, in lieu thereof, the north-east quarter of Section 26, Township 32, Range 15, west of the 4th Meridian, in the Province of Alberta, containing 160 acres and which has been reserved for the company for some time.

The Minister therefore recommends that this exchange be confirmed under the provisions of section 76 of the Dominion Lands Act, and that letters patent for the said north-east quarter of Section 26, Township 32, Range 15, west of the 4th Meridian, in the Province of Alberta, containing 160 acres, and which is available for the purpose, be issued in favour of the Hudson's Bay Company in exchange for the south-east quarter of Section 26, Township 48, Range 2, west of the 5th Meridian, in the Province of Alberta, containing 160 acres, above mentioned, and which is now vested in His Majesty King George the Fifth in the right of the Dominion of Canada, and that the homestead entry granted for the last mentioned land on the 9th August, 1912, to the said Thomas William Ripper, be confirmed.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,
7–4 Clerk of the Privy Council.

[1997]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, 14th day of August, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Government of the Province of British Columbia has, under the terms of an agreement between that Government and the Government of the Dominion, with reference to mineral lands in the Railway Belt as set forth in the Order in Council of the 11th February, 1890, applied for a grant of the undermentioned lands and has complied with the provisions of the Order in Council of the 13th May, 1899, by filing the sworn declaration of a Dominion land surveyor, to the effect that the lands in question are of no value for agricultural purposes or for the timber growing thereon and has paid therefor at the rate of $1.00 per acre, the sum of thirty dollars and fifty-seven cents ($30.57), the said lands being:

That certain parcel or tract of land situate in Section thirty in the twentieth Township in the nineteenth Range, west of the sixth Meridian, comprising parts of the Glen Iron mineral claim, being lot one thousand four hundred and fifteen, and of the Peggy mineral claim, being lot one thousand four hundred and sixteen, both in the Kamloops mining division of the Yale district in the Province of British Columbia, which may be more particularly described as follows:

Beginning at a wooden post in stone mound on the northerly boundary of the "Beta" mineral claim as transferred to the province of British Columbia by Order in Council dated the third day of April, one thousand nine hundred and seven, which said post is distant ninety-five feet, more or less, on a bearing of north eighty-nine degrees and fifty-two minutes west from the wooden post in stone mound at the north-east corner of northwest quarter of section nineteen of the said township; thence north eighty-nine degrees and fifty-two minutes west along the said northerly boundary of the said "Beta" mineral claim a distance of one thousand four hundred and thirty feet, more or less, to a wooden post in stone mound at the northwesterly corner of the said "Beta" mineral claim; thence continuing on the same bearing a distance of seventy feet, more or less, to a wooden post in stone mound; thence north eight minutes east a distance of five hundred and fifty feet, more or less, to a witness wooden post in stone mound; thence continuing on the same bearing a distance of one hundred and thirty-four feet and four-tenths of a foot, more or less, to the most southerly boundary of the right of way of the Canadian Pacific Railway as shown upon the plan of the said right of way, signed by E. B. Hermon, D.L.S., on the twelfth day of October, one thousand eight hundred and ninety-five and filed in the Kamloops Registry Office under number thirty-two, and of record in the Department of the Interior, Ottawa, under number eight thousand and eighty-three; thence easterly along the said most southerly boundary of the said right of way to a point on the westerly boundary of that part of legal subdivision two of the said section thirty, granted to Joseph William MacKay under letters patent dated the second day of November, one thousand eight hundred and ninety-one; which said point is fourteen chains perpendicularly distant westerly from the most easterly limit of the said legal subdivision two; thence southerly along the said westerly boundary to the northerly boundary of the Norah mineral claim as transferred to the Province of British Columbia by Order in Council dated the third day of April, one thousand nine hundred and seven; thence north eighty-nine degrees and fifty-two minutes west along the said northerly boundary of the said Norah mineral claim a distance of four hundred and six feet and fifty-eight hundredths of a foot more or less to a wooden post in stone mound at the northeasterly corner of the said "Beta" mineral claim; thence continuing on the same course along the northerly boundary of the said "Beta" mineral claim a distance of seventy feet, more or less, to the point of beginning; the said parcel containing by admeasurement thirty acres and fifty-seven hundredths of an acre, more or less, all the said bearings being astronomical; all according to the plans and field notes of the Glen Iron mineral claim, signed by John Vicars, Dominion land surveyor, and dated the twenty-first day of November, one thousand nine hundred and five, and of record in the Department of the Interior under number eight thousand one hundred and twenty-six, and of the Peggy mineral claim, signed by John Vicars, Dominion land surveyor, and dated the twenty-eighth day of July, one thousand nine hundred and five, and of record in the Department of the Interior under number seven thousand eight hundred and fifty-nine.

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of the Interior is pleased to order and it is hereby ordered that the title to the lands herein described containing a total of thirty acres and fifty-seven hundredths of an acre (30.57) be vested in His Majesty King George the Fifth, for the purposes of the Province of British Columbia, under the terms of the agreement and Order in Council mentioned above.

RODOLPHE BOUDREAU,
8–4 Clerk of the Privy Council.

[1298]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 29th day of May, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS it is provided by subsection 2 of section 5 of "The Manitoba Boundaries Extension Act, 1912", that all lands (known as swamp lands) transferred to the Province of Manitoba under section 1 of chapter 50 of the Statutes of 1885 and not sold by the Province prior to the time at which the terms and conditions of the said Act were agreed to by the Legislature of the Province shall be re-transferred to the Dominion;

And whereas certain quarter-sections and sections partly covered by water or marsh had been transferred to the Province of Manitoba under the provisions of said section 1 of chapter 50 of the Statutes of 1885, and whereas the Province had disposed of the dry portions of the said quarter-sections and sections under agreements of sale, the remaining portions of the same should, therefore, under the provisions of said subsection 2 of section 5 of the Manitoba Boundaries Extension Act, 1912, be re-transferred to the Dominion;

And whereas on account of settlement, drainage, the receding of the waters of lakes and other causes, it is considered practically impossible to define at the present time the boundaries between the original dry and wet portions of the said quarter-sections and sections, and the re-transfer to the Dominion of the portions not sold by the Province has not, therefore, been brought about as the Land Titles Office can not be supplied with descriptions sufficient in detail to cover the areas to be re-transferred;

And whereas the same difficulty exists with regard to defining the outlines of the portions of the said quarter-sections and sections sold by the Province, and the purchasers thereof are being caused considerable annoyance through not being able to obtain title on this account;

And whereas the Department of the Interior has been advised that the difficulty that arises in view of the impossibility of giving detailed descriptions of the lands referred to, which form only a portion of quarter-sections or sections, may be settled by a survey by the two Governments, with the consent of the purchasers from the Province if that can be obtained, dividing the quarter-sections or sections so as to give the purchasers and the Dominion Government each its proper area, and whereas the Surveyor-General of Dominion Lands has estimated that such a survey may cost $7,500, this estimate, however, not including the cost of obtaining the consent of the purchasers to the proposed boundaries;

And whereas most of the said fractional parcels of swamp lands not sold by the province are still more or less covered by water and the chief engineer of the Manitoba Hydrometic Survey of the water power branch of the Department of the Interior having reported that so far as he is aware these fractional parcels are not of any particular value in connection with power or water supply, the minister is of the opinion that the cost of obtaining the information necessary for the retransfer of the same to the Dominion would not be justifiable;

And whereas the Province of Manitoba has requested that the Dominion Government consent to the release of the said fractional parcels in order that it may be in a position to deal with the respective quarter-sections and sections as a whole, and has offered to convey to the Dominion several parcels of Provincial lands upon which homestead entries had been granted in error and which the Department of the Interior has been trying for some time to secure;

And Whereas the Minister of the Interior after careful consideration is of the opinion that such release to the Province would be in the public interest as it would overcome the difficulty referred to respecting the boundaries of the said lands;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of the Interior, is pleased to order and it is hereby ordered that the fractional parcels of swamp land enumerated in schedule "A" hereto annexed, in so far as any rights therein as should be re-transferred to the Dominion under the provisions of subsection 2 of section 5 of the Manitoba Boundaries Extension Act, 1912, are concerned, shall be and the same are hereby released to His Majesty King George the Fifth for the purposes of the Province of Manitoba.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 17th day of August, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS since the 18th day of April, 1917, Orders in Council have been made from time to time granting certain pay after discharge to officers and soldiers of the land forces, those now in force being those dated the 11th day of October, 1917 (P.C. 2849), and on the 30th day of January, 1918 (P.C. 192);

And whereas provision has also been made for post discharge pay for officers, warrant officers and men of the Canadian Naval Service, the provisions now in force being those contained in Orders in Council dated the 1st day of August, 1917 (P.C. 2433), and the 13th day of November, 1917 (P.C. 3192);

And whereas it appears that under the existing provisions it is possible for an officer, warrant officer, or man to become entitled to post discharge pay more than one by reason of his service both in the naval and the land forces of Canada, and it is deemed expedient to consolidate all the provisions with regard to post discharge pay in respect of both services and to make certain amendments in the existing provisions;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Acting Minister of Militia and Defence, and with the concurrence of the Minister of the Naval Service, is pleased to order and it is hereby ordered as follows:

The Orders in Council above mentioned are hereby cancelled and the following regulations are hereby made and substituted therefor:—

Regulations.

1. In these regulations, unless the context otherwise requires:

(*a*) "Officer," "warrant officer" and "man" shall have the same meanings as are given to the said words in the King's Regulations and Admiralty Instructions or in the Militia Act, as the case may be, and "officer" shall include "nursing sister."

(*b*) "Retirement" shall include the return to his Militia unit of an officer who ceases to be actively employed and paid.

(*c*) "Discharge" shall include the return to his non-permanent militia unit not on active service of a man belonging to any such unit.

(*d*) "Overseas" means out of Canada or the United States.

(*e*) "Pay and allowances" includes the pay and allowances receivable in money by the officer, warrant officer or man concerned or by his dependents by reason of his service; except allowances in lieu of rations and quarters or subsistence allowance.

(*f*) "Militia Council" means only the Militia Council in Canada and does not extend to the Overseas Military Council.

2. Except as in these regulations otherwise provided, every officer, warrant officer or man who has served or may hereafter serve in the naval or in the land forces of Canada on active service as set out in the first column of the schedule to these regulations and who hereafter retires or is discharged during the present war or during demobilization thereafter shall be entitled to receive a gratuity equal in amount to the pay and allowances he would have received if he had remained in the service for fifteen, thirty, forty-five or ninety-one days after his retirement or discharge as specified in the second column of the said schedule at the same rate of pay and allowances as he was receiving at the time of his retirement or discharge, or if he was reverted to a lower rank with his consent in order that he might serve overseas or in a theatre of actual war, and not on account of misconduct or inefficiency, then at the rate of pay and allowances to which he would have been entitled if he had not been reverted.

3. Where separation allowance has been paid during the service of any officers, warrant officer or man to any dependent or dependents of his, a portion of the gratuity payable under the preceding paragraph to such officer, warrant officer or man equal to the separation allowance for the period by reference to which the gratuity is calculated, may, in the discretion of the Paymaster-General, or the Deputy Minister of Naval Service, be paid to the dependant or dependants of such officer, warrant officer or man who would have been entitled to it if the service of the officer, warrant officer, warrant officer or man concerned had continued and if so paid shall, to the extent of the amount thereof, be deemed to be a payment in part of the gratuity aforesaid.

4. No officer, and no warrant officer in the Naval forces, shall be entitled to such gratuity as aforesaid if:—

(*a*) He is cashiered or dismissed the service by sentence of a court martial.

(*b*) He is deprived of his commission or warrant by reason of misconduct.

(*a*) Having been sentenced to be discharged with ignominy, or in the naval forces with or without disgrace.

(*b*) Having been sentenced to penal servitude or having been sentenced by court martial to imprisonment for two years or more.

(*c*) Having made a mis-statement as to age on enlistment (unless the Director of Naval Service or the Militia Council otherwise determines).

(*d*) Having made a false answer on attestation (unless the Director of Naval Service or the Militia Council otherwise determines).

(*e*) During his service, having been convicted by the civil power of an offence punishable by imprisonment for more than two years, committed either before or after enlistment.

(*f*) For misconduct.

(*g*) At his own request or the request of his parents or guardians (unless the Director of Naval Service or the Militia Council otherwise determines).

6. No officer, warrant officer or man shall be entitled to the gratuity aforesaid, if

(*a*) He was formerly employed in the civil service of Canada or of any province and is privileged to return to such employment in the same position as the position which he left, or some other position in such service having substantially a like remuneration.

(*b*) He was formerly in some Canadian naval or land force other than that from which he is retired or discharged and is privileged to continue on pay in such Canadian naval or land force with the same rank as he formerly held therein, or any higher rank.

7. Any overpayments made to any officer, warrant officer or man or to any of his dependents may be deducted from the gratuity hereby authorized.

8. If any officer, warrant officer or man, before he has received any part or the whole of the gratuity to

which he has become entitled under these regulations is notified as having joined and as being in receipt of pay from any Canadian naval or land force other than that from which he is retired or discharged, the gratuity, or the part thereof which at the time remains unpaid shall not be paid, but such officer, warrant officer or man, upon his subsequent retirement or discharge shall, if then otherwise eligible to receive the gratuity, be entitled to receive the same or the part thereof which has not theretofore been paid, by reference either to the pay and allowances of which he was in receipt or of the pay and allowances of which he is in receipt at the time of such subsequent retirement or discharge, whichever were the higher, and he shall, for the purpose of determining the amount of the gratuity by reference to the length and the character of his service, be entitled to count his service in both forces.

9. No officer or men of the naval or land forces enlisted elsewhere than in Great Britain shall be entitled to the gratuity aforesaid unlest he is in Canada at the time of his retirement or discharge or unless the Director of Naval Service of the Militia Council determines that he should receive it.

10. If an officer, warrant officer or man brought forward for retirement or discharge is entitled, pursuant to the recommendation of a medical board or a medical officer, to receive allowances (other than pension) from the Department of soldiers' Civil-Re-Establishment, he shall not be paid the gratuity until he has submitted to such treatment as the Department of Soldiers' Civil-Re-Establishment directs and has ceased to receive allowances from such Department.

11. If any officer, warrant officer or man, before he has received any part or the whole of the gratuity herein provided for is notified as being entitled to or in receipt of allowances from the Department of the Soldiers' Civil Re-Establishment the gratuity or the part thereof which at the time remains unpaid, shall not be paid, but such officer, warrant officer or man, upon his subsequently ceasing to be entitled to or to receive such allowances shall, if then otherwise eligible to receive the gratuity, be entitled to receive the same or the part thereof which has not theretofore been paid.

12. If any officer, warrant officer or man dies before he has received any part or the whole of the gratuity herein provided, and if immediately before the time of his retirement or discharge no separation allowance was being paid to any dependent or dependents of his, and there was no assignment or allotment of any portion of his pay in force, the portion of the gratuity unpaid at the time of his death shall not become payable.

13. No officer, warrant officer or man shall irrespective of the length or character of his service in one or several forces, be entitle to receive in all a gratuity equal to more than ninety-one days' pay and allowances, calculated by reference to the highest rate of pay and allowances of which he was in receipt at the time of any retirement or discharge.

14. The gratuity herein provided for shall be payable to any officer, warrant officer or man as follows :—

(*a*) If the gratuity is equal to fifteen days, thirty days or forty-five days pay and allowance, on the day of his retirement or discharge.

(*b*) If the gratuity is equal to ninety-one days' pay and allowance, one-third thereof on the day of his retirement or discharge and the reminder in two annual instalments payable respectively one and two months after such retirement or discharge.

15. Where it appears that any officer, warrant officer or man has, while in the service, incurred debts or omitted to make proper provision for his wife or children, whether legetimate or illegetimate, or in any case in which the circumstances seem to him to so require, the Minister of the Naval Service, in the case of the naval forces, or the Militia Council in the case of the land forces, may direct the gratuity hereby authorized to be applied in or towards the payment of such debts or the making of provision so far as possible for the said wife or child or children or as the circumstances may demand.

16. Nothing in these regulations shall adversely affect the rights of any officer, warrant officer or man heretofore retired or discharged under the Orders in Council cancelled hereby, and where the justice of the case so requires, post discharge pay may be granted under these regulations to any officer, warrant officer or man who has not heretofore received any post discharge pay, or who is entitled under the provisions hereof to a larger amount of post discharge pay than he received by reason of his having reverted with his consent to proceed overseas, or to a theatre of actual war, and not for misconduct or inefficiency.

AT THE GOVERNMENT HOUSE AT OTTAWA.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS under the authority of an order of His Honour the Lieutenant Governor in Council, dated the 14th day of September, 1917, the Province of Manitoba has requested that the land comprised within the public road through Sections 11 and 12, in Township thirteen, Range eleven, east of the Principal Meridian, as shown upon a plan of the said road, approved and confirmed at Ottawa on the 27th day of September, 1917, by Edouard Deville, Surveyor General of Dominion Lands, and of record in the Department of the Interior under No. 26336, be transferred to the said province;

[1912]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 5th day of August, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 23rd July, 1918, from the Minister of the Interior, stating that letters patent were issued on the 7th November, 1907, to Mr. Arthur Hitchcock of Moosejaw, for the north-west quarter of Section 3, Township 21, Range 7, west of the 3rd Meridian, in the Province of Saskatchewan, containing 160 acres, which Mr. Hitchcock had been allowed to purchase at the rate of $3 an acre for a home farm and corral in connection with his ranch.

Subsequently it was ascertained that Mr. Hitchcock's improvements were located upon the north-east quarter of the said Section 3, and in compliance with his request it was decided in 1908 to exchange the north-west quarter of this section for the north-east quarter thereof, provided Mr. Hitchcock filed in the Department of the Interior a duplicate certificate of title in favour of the Crown covering the north-west quarter which had been patented to him.

The lands referred to were recently inspected by an officer of the Department of the Interior, who reported that he found both quarter sections very rough, only fit for grazing purposes and that there is very little difference, if any, in the value thereof, the north-east quarter, which Mr. Hitchcock desires to acquire, being the rougher of the two.

The Minister recommends that the exchange be confirmed and that he be authorized to issue Letters Patent in favour of Mr. Arthur Hitchcock for the said north-east quarter of Section 3, Township 21, Range 7, west of the 3rd Meridian, in the Province of Saskatchewan, containing 161 acres, and which is available for the purpose, upon his filing in the Department of the Interior, a duplicate certificate of title in favour of the Crown, free of all encumbrances, covering the said north-west quarter of Section 3, Township 21, Range 7, west of the 3rd Meridian, above referred to.

The Committee concur in the foregoing recommendation, and submit the same for approval.

RODOLPHE BOUDREAU,
7-4 Clerk of the Privy Council.

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency the Governor General in Council, on the recommendation of the Minister of the Interior, is pleased to order and it is hereby ordered that clause 41 of the regulations governing the granting of yearly licenses and permits to cut timber on Dominion Lands in Manitoba, Saskatchewan, Alberta, the North West Territories, within twenty miles on either side of the Canadian Pacific Railway in the Province of British Columbia, and that the tract of three and one-half million acres controlled by the Government of the Dominion in the Peace River District, in the Province of British Columbia, established by Order in Council of the 1st July, 1898, and subsequent Orders in Council, shall be and the same is hereby amended so as to provide that the holders of portable sawmill berths and cordwood berths shall furnish to the Dominion Timber Agent having jurisdiction in the matter, sworn returns monthly or at such period as the Minister of the Interior may direct, accounting for all timber cut on the berths, sold, and on hand ; and that in the event of it being found necessary, after the permittee has been requested by letter three times to forward any overdue return or returns, to send a Timber Inspector or other officer to secure the same, the Minister of the Interior may charge and collect from the permittee the expenses incurred thereby, or cancel the berth.

Tuesday, the 27th day of August, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 20th August, 1918, from the Minister of the Interior, submitting that on the 11th day of December, 1913, Mr. William Marshall Vance made entry, as a homestead, for the north-west quarter of Section 23, Township 3, Range 38, west of the 3rd Meridian.

The Minister states that the said William Marshall Vance did, on or about the 4th day of February, 1914, suffer the misfortune of having both feet frozen, necessitating amputation. A statutory declaration, corroborating the above, by the physicians and surgeons who performed the operation in the City of Havre, Hill County, Montana, U.S.A., has been submitted.

The Minister, therefore, recommends that authority be granted, under subsection 2 of section 20 of the Dominion Lands Act, 1908, to dispense with the performance of residence requirements under the said Act ; letters patent to issue in favour of the entrant, on proof being submitted in the ordinary way that the other conditions of the law have been fulfilled.

GEORGE CINQ, par la Grâce de Dieu, Roi du Royaume-Uni de la Grande-Bretagne et d'Irlande et des possessions britanniques au delà des mers, Défenseur de la Foi, Empereur des Indes.

A tous ceux à qui les présentes parviendront ou qu'icelles pourront concerner,—SALUT :

Une proclamation requérant le peuple du Territoire du Yukon de s'enregistrer sous le régime des règlements concernant l'enregistrement approuvés par Notre Gouverneur général du Canada en conseil le 22e jour d'avril 1918.

E. L. NEWCOMBE, Sous-ministre de la Justice, Canada. } ATTENDU que par les règlements approuvés par Notre Gouverneur général en conseil le 22e jour d'avril 1918, sous l'empire des dispositions de Notre *Loi des mesures de guerre, 1914*, il est prescrit que Notre Gouverneur général en conseil peut par proclamation désigner un jour pour l'enregistrement général et un jour subséquent pour l'enregistrement dans le Territoire du Yukon des personnes ci-dessous décrites et, par Nos dits règlements, requises de s'enregistrer le jour subséquemment désigné ;

Et attendu que Notre Gouverneur général en conseil ayant décidé de désiger un jour pour l'enregistrement général conformément aux dits règlements, a décidé de désigner un jour subséquent pour l'enregistrement dans Notre Territoire du Yukon ;

SACHEZ DONC que par les présentes Nous proclamons et désignons lundi le 30e jour de septembre 1918 pour être le jour où l'enregistrement susdit aura lieu dans le Territoire du Yukon.

ET PAR LES PRÉSENTES Nous commandons, ordonnons et enjoignons strictement à toute personne qui réside ou est dans Notre Territoire du Yukon le dit 30e jour de septembre 1918, du sexe masculin ou féminin, qu'elle soit un de nos féaux sujets ou de nationalité étrangère, qui aura atteint son seizième anniversaire le ou avant le dit 30e jour de septembre 1918, et qui aura été incapable de s'enregistrer ailleurs le jour désigné pour l'enregistrement général parce qu'elle était dans le Territoire du Yukon ou en route pour s'y rendre, y compris toute personne de l'âge susdit travaillant pour l'enregistrement, de s'enregistrer le dit 30e jour de septembre 1918, de la manière indiquée ci-dessous et prescrite par Nos dits règlements : Ce en quoi les personnes affectées par Notre ordre et commandement susdit sont par les présentes spécialement requises de ne pas manquer, car non seulement leur loyauté et allégeance, ou leur obligation d'obéir aux lois du pays où elles résident, imposent le devoir d'obéissance fidèle et implicite à Notre présent ordre et commandement, mais de plus, de crainte que les personnes susdites ignorent les conséquences qui s'ensuivront si elles négligent de s'enregistrer le jour ici désigné, Nous les prévenons et avertissons par les présentes que si une personne quelconque requise de s'enregistrer par Nos dits règlements ou par Notre présente proclamation omet, néglige ou refuse sans excuse légitime de s'enregistrer ce jour-là ou dans le délai prescrit pour cela, elle sera sujette à une peine d'amende et d'emprisonnement, et de plus à diverses pénalités et déchéances ainsi que prescrit par Nos dits règlements.

ET NOUS PROCLAMONS ET ANNONÇONS PAR LES PRÉSENTES, pour l'information de tous ceux qui peuvent être concernés, que dans le but d'effectuer l'enregistrement susdit un registraire sera nommé pour Notre Territoire du Yukon qui divisera le dit territoire en des divisions d'enregistrement commodes et désignera pour chaque division un lieu ou des lieux d'enregistrement qui seront spécifiés par publication et des sous-registraires ou assistants sous-registraires pour voir à l'enregistrement des personnes qui ont droit de s'enregistrer qui se présentent le jour ici désigné aux endroits susdits pour être enregistrées, et que toutes les personnes requises de s'enregistrer le jour désigné puissent s'enregistrer le dit 30ième jour de septembre 1918, en tout temps entre 7 heures du matin et 10 heures du soir devant un de Nos dits sous-registraires ou assistants sous-registraires à un des endroits ainsi désignés, mais il leur est conseillé et elles sont exhortées de s'enregistrer aussi de bonne heure que possible dans le jour, car autrement, à cause du grand nombre de personnes à être enregistrées, l'occasion de s'enregistrer le jour désigné peut être perdu par manque de temps.

ET NOUS PROCLAMONS ET ANNONÇONS DE PLUS PAR LES PRÉSENTES, pour l'information de tous ceux que cela peut concerner, que toute personne qui réside dans Notre dit Dominion, du sexe masculin ou du sexe féminin, qu'elle soit un de Nos féaux sujet ou de nationalité étrangère, qui, après le dit 30ième jour de septembre 1918 atteint son seizième anniversaire, et aussi toute personne résidant dans Notre dit Dominion qui était en service actif dans Nos forces militaires ou navales le dit 1918 et qui ne s'est pas enregistrée conformément à Nos dits règlements le ou avant la dite date mentionnée, est par Nos dits règlements, sujet aux peines, amendes et déchéances susdites, requise de s'enregistrer de la manière prescrite par Nos dits règlements dans les trente jours après son dit anniversaire, ou après qu'elle aura cessé d'être en service actif, selon le cas, et de se présenter dans le délai spécifié à l'un de Nos bureaux de poste et de se conformer aux prescriptions de Nos dits règlements au sujet de l'enregistrement.

De tout ce qui précède, Nos féaux sujets, et tous ceux que les présentes peuvent concerner, sont par les présentes requis de prendre connaissance, obéissant et se conformant strictement à tous Nos présents commandements, ordres et instructions et agissant en conséquence.

(*c*) les personnes internées dans les asiles d'aliénés ou d'idiots, ou dans les pénitenciers ou prisons, jusqu'au temps de leur élargissement ;

(*d*) les pensionnaires d'institutions exemptées par la Commission à la recommandation du registraire pour le district où l'institution est située, conformément aux conditions prescrites par la Commission.

GEORGE R. I.

GEORGE CINQ, par la Grâce de Dieu, Roi du Royaume Uni de la Grande-Bretagne et d'Irlande et des possessions britanniques au delà des mers, Défenseur de la Foi, Empereur des Indes.

A tous à qui les présentes parviendront,—

SALUT :

ATTENDU que feue Sa Majesté Notre Bien-aimée Grand-mère la Reine Victoria a, par un décret en date du 6 septembre 1886, institué et créé un nouvel ordre de distinction naval et militaire, désigné l'Ordre du Service Distingué, pour récompenser en temps de guerre les actes individuels méritoires ou distingués;

Et attendu que subséquemment le dit décret royal a été amendé par les décrets royaux en date du 24 juillet 1902, 2 juillet 1903, 15 octobre 1903 et 23 août 1916 ;

Et attendu que c'est Notre bon plaisir et volonté que les officiers de notre corps d'aviation récemment constitué puissent être nommés dans Notre dit Ordre du Service Distingué ;

Et attendu que nous jugeons opportun que tous les amendements aux statuts de Notre dit Ordre, promulgués précédemment ou promulgués maintenant, seront incorporés dans un décret royal sous notre Sceau Manuel,—

En conséquence, Nous déclarons présentement que que les ordonnances et règlements précédemment en force pour le gouvernement de Notre dit Ordre soient abrogés, cancellés et annulés, et c'est Notre bon plaisir de faire, ordonner et établir pour les remplacer les ordonnances et règlements suivants, lesquels à l'avenir seront inviolablement observés et gardés :

Premièrement—Il est ordonné que cet Ordre sera désormais appelé et désigné l'"Ordre du Service Distingué".

Deuxièmement—Il est ordonné que l'Ordre se composera du Souverain et de tels Membres ou Compagnons que Nous, Nos héritiers et successeurs nommeront.

Troisièmement—Il est ordonné que Nous, Nos héritiers et successeurs, Rois ou Reines régnants du Royaume-Uni de la Grande-Bretagne et d'Irlande, Empereurs ou Impératrices des Indes sont et seront à jamais Souverains de cet Ordre.

Quatrièmement—Il est ordonné qu'aucune personne n'aura droit à cette distinction si, au moment de sa nomination elle n'est titulaire d'une commission dans Notre marine, dans Nos troupes de terre ou de mer, dans Notre corps d'aviation ou dans Nos troupes navales ou militaires des Indes ou des colonies, ou d'une commission dans un des départements de Notre marine, armée ou corps aérien, dont le porteur a droit à un rang honoraire ou relatif dans la marine, armée ou le corps d'aviation, pas plus qu'aucune personne ne sera nommée à moins que ses services n'aient été signalés par une mention spéciale de son nom, par l'amiral ou l'officier de marine le plus ancien commandant une escadre ou une force navale détachée, ou par le général en chef des troupes en campagne, dans des dépêches pour services méritoires et distingués en campagne ou devant l'ennemi.

Cinquièmement—Il est ordonné que les officiers étrangers ayant été associés dans des opérations navales, militaires ou aériennes avec nos forces pourront être nommés membres honoraires de cet ordre.

Sixièmement—Il est ordonné que quand il plaira à Nous, Nos héritiers et successeurs de nommer une personne membre de cet ordre, cette nomination sera faite par décret sous Notre Sceau Manuel et contresigné par un de Nos principaux Secrétaires d'Etat.

Septièmement—Il est ordonné par toute personne ayant accompli des actes pour lesquels cet Ordre est accordé, accomplit subséquemment un acte reconnu de bravoure qui, s'il n'avait déjà reçu l'Ordre lui aurait permis de l'obtenir, recevra une agrafe pour être attachée au ruban par lequel l'insigne est suspendu, et pour tout acte semblable une agrafe additionnelle pourra être ajoutée.

Huitièmement—Il est ordonné qu'un officier sera nommé à cet ordre, c'est-à-dire, un Secrétaire et Régistraire.

Neuvièmement—Il est ordonné que le Secrétaire et Régistraire de cet ordre sera nommé par Nous, Nos héritiers et successeurs et aura la garde des archives de l'Ordre. Il assistera au service de l'Ordre et exécutera telles directions qu'il pourra recevoir de Notre Principal Secrétaire d'Etat pour la Guerre.

Dixièmement—Il est ordonné que cet ordre prendra rang à la suite et immédiatement après Notre Ordre de l'Empire Britannique et que, conséquemment, les Compagnons auront en tous lieux et assemblées que ce soit rang et préséance à la suite et immédiatement après les Commandeurs de Notre dit Ordre de l'Empire Britannique et prendront rang entre eux suivant la date de leurs nominations respectives.

Onzièmement—Il est ordonné que l'insigne de l'Ordre consistera en une croix d'or, émaillée blanc, bordée et portant d'un côté, au centre, dans une couronne de laurier en émail vert, la Couronne Impériale en or sur un fond d'émail rouge et, au revers, dans une même couronne et sur un fond rouge semblable, le Chiffre Royal, et qu'il sera porté sur le côté gauche de la poitrine par un ruban rouge, bordé bleu, d'un pouce de large.

Douzièmement—Il est ordonné que les noms de ceux qu'il Nous plaira d'admettre membres de cet Ordre seront publiés dans la *London Gazette* et seront conservés en un registre dans les bureaux de Notre Secrétaire d'Etat pour la Guerre.

Treizièmement—Afin de prendre telles dispositions additionnelles pour conserver effectivement pure cette honorable distinction, il est ordonné que si une personne admise comme membre de cet Ordre est convaincue de trahison, lâcheté, félonie ou d'un crime infâmant, ou si elle est accusée d'aucune telle offense et ne se présente pas, après un temps raisonnable, pour être jugée, son nom sera rayé, par un ordre sous le Sceau Royal Manuel du registre des membres du dit Ordre. Et il est par le présent déclaré que Nous, Nos héritiers et successeurs seront seul juge de la conduite pouvant nécessiter la radiation sur le registre du nom de la personne coupable et il sera, en aucun temps, loisible pour Nous, Nos héritiers et successeurs de réintégrer le nom si telle réintégration est justifiée par les circonstances de la cause.

Finalement—Nous nous réservons à Nous, Nos héritiers et successeurs, plein pouvoir d'annuler, de changer, d'abroger, d'ajouter, d'interpréter ou de Nous dispenser de ces Règlements ou d'aucune partie d'iceux par un avis sous le Seing Manuel du Souverain de l'Ordre.

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que sous l'empire d'un décret de Son Honneur le lieutenant-gouverneur en conseil, daté du 14e jour de septembre 1917, la province de Manitoba a demandé que soit transféré à cette province le terrain compris dans les limites du chemin public, traversant les sections 11 et 12, township 13, rang 11, à l'est du méridien principal, ainsi qu'indiqué sur un plan dudit chemin approuvé et confirmé à Ottawa le 27 septembre 1917, par Edouard Deville, arpenteur général des terres fédérales, et déposé au département de l'Intérieur sous le numéro 26336;

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 24e jour de juillet 1918, représentant que le quart sud-est de la section 26, township 48, rang 2, à l'ouest du 5e méridien, dans la province d'Alberta, contenant 160 acres, ainsi que d'autres terrains, a été cédé le 3 janvier 1907 au Gouverneur et à la compagnie dite "Company of Adventurers of England" faisant le commerce dans la baie d'Hudson et ordinairement connue sous le nom de "Hudson's Bay Company", en vertu des dispositions à cet effet contenues dans la *Loi des terres fédérales.*

Le Ministre représente de plus qu'une inscription de homestead pour ledit quart de section a été, par erreur, accordée le 9 août 1912 à M. Thomas William Ripper qui a occupé continuellement ce terrain depuis 1913 et qui y a fait des améliorations considérables.

A la demande du département de l'Intérieur, la Compagnie de la Baie d'Hudson a cédé le quart de section en question pour que l'inscription de M. Ripper, puisse être confirmée et choisi en échange le quart nord-est de la section 26, township 32, rang 15, à l'ouest du 4e méridien, dans la province d'Alberta, contenant 160 acres, lequel avait été depuis quelques temps réservé pour la compagnie.

Le ministre recommande, par conséquent, que cet échange soit confirmé en vertu des dispositions de l'article 76 de la *Loi des terres fédérales*, et que des lettres patentes pour le dit quart nord-est de la section 26, township 32, rang 15, à l'ouest du 4e méridien, dans la province d'Alberta, contenant 160 acres, lequel terrain est disponible pour cette fin, soient émises à la compagnie de la Baie-d'Hudson en échange du quart sud-est de la section 26, township 48, rang 2, à l'ouest du 5e méridien, dans la province d'Alberta, contenant 160 acres, dont Sa Majesté le Roi George V a actuellement la propriété pour le Dominion du Canada, et que l'inscription de homestead du dit terrain accordée le 9 août 1912 au dit Thomas William Ripper soit confirmée.

Le comité agrée cette recommandation et la soumet pour approbation.

RODOLPHE BOUDREAU,
7–4 Greffier du Conseil privé.

Mardi, le 27e jour d'août 1918.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 20 août 1918, représentant que le 11 décembre 1913, M. William Marshall Vance a fait une inscription de homestead pour le quart nord-ouest de la section 23, township 3, rang 28, à l'ouest du 3e méridien.

Le Ministre représente que le dit William Marshall Vance, le ou vers le 4 février 1914, a eu le malheur de se geler les deux pieds, nécessitant l'amputation. Une déclaration statutaire, corroborant ce fait, des médecins et chirurgiens qui ont fait l'opération dans la ville de Havre, comté de Hill, Montana, Etats-Unis d'Amérique, a été soumise.

Par conséquent, le ministre recommande que l'autorisation soit accordée, en vertu du paragraphe 2 de l'article 20 de la *Loi des terres fédérales, 1908*, d'exempter cet inscrit des obligations de résidence imposées par la dite loi et d'émettre les lettres patentes en sa faveur dès qu'il aura été prouvé de la manière ordinaire que les autres conditions de la loi ont été remplies.

Le comité agrée cette recommandation et la soumet pour approbation.

HOTEL DU GOUVERNEMENT A OTTAWA.

Mercredi, le 29e jour de mai 1918.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU qu'il est prescrit par le paragraphe 2 de l'article 5 de la *Loi de l'extension des frontière du Manitoba, 1912*, que toutes les terres (connues sous le nom de terrains marécageux) transférées à la province du Manitoba sous le régime de l'article 1 du chapitre 50 des Statuts de 1885, et non vendues à la province à l'époque à laquelle les termes et conditions de la dite loi auront été agréés par la législature de la province, doivent être transférées de nouveau au Gouvernement.

Et attendu que certains quarts de section et certaines sections en partie couverts d'eau ou de marais ont été transférés à la province du Manitoba, sous le régime des dispositions du dit article 1 du chapitre 50 des Statuts de 1885, et attendu que la province ayant disposé des parties sèches des dits quarts de section et des dites 4 sections par des actes de ventes, les parties qui en restent devraient par conséquent, en vertu des dispositions du dit paragraphe 2 de l'article 5 de la *Loi de l'extention des frontières du Manitoba, 1912*, être transférées de nouveau au gouvernement fédéral.

Et attendu qu'à cause de la colonisation, du drainage, de la récession des eaux des lacs et pour autres raisons il est considéré pratiquement impossible de définir aujourd'hui les bornes entre les premières parties sèches et humides des dits quarts de section et sections, et que le transfert au gouvernement fédéral des parties non vendues par la province n'a par conséquent pas été fait, car on ne pouvait donner au Bureau des titres des terres des descriptions suffisamment détaillées des terrains qui devaient être transférés.

Et attendu que la même difficulté existe en ce qui concerne les bornes des parties desdits quarts de section et sections vendus par la province, et que les acheteurs éprouvent de sérieux ennuis parce qu'ils ne peuvent obtenir le titre à leurs terres.

Et attendu que le département de l'Intérieur a été avisé que la difficulté surgissant de l'impossibilité de donner des descriptions détaillées des terrains ci-dessus mentionnés, qui ne forment qu'une partie de quarts de section ou de sections, peut être réglée par un arpentage effectué par les deux gouvernements, avec le consentement des acheteurs de la province, si ce consentement peut être obtenu, cet arpentage divisant les quarts de section ou les sections de manière à donner aux acheteurs et au gouvernement fédéral chacun sa part due, et attendu que l'arpenteur général des terres fédérales a estimé qu'un tel arpentage pourrait coûter $7,500, cette estimation, toutefois, ne comprenant pas ce qu'il en coûterait pour obtenir le consentement des acheteurs aux bornes proposées.

Et attendu que la plupart desdites parties fractionnaires de terres marécageuses qui n'ont pas été vendues par la province sont encore plus ou moins couvertes d'eau, et que l'ingénieur en chef du service hydrométrique du Manitoba du Bureau de l'hydraulique du département de l'Intérieur a fait rapport qu'en autant qu'il sache ces parties fractionnaires n'ont aucune valeur particulière en rapport avec le développement de l'énergie hydraulique ou l'approvisionnement d'eau, le Ministre est d'avis que le coût d'obtenir les renseignements nécessaires pour les transférer au gouvernement fédéral ne serait justifiable.

Et attendu que la province du Manitoba a demandé au gouvernement fédéral son consentement à la cession desdites parties fractionnaires, afin qu'elle puisse disposer des quarts de section et sections respectives comme un tout, et a offert de céder au gouvernement fédéral plusieurs terrains provinciaux sur lesquels des inscriptions de homestead avaient été accordées par erreur et dont le département de l'Intérieur tente depuis quelques temps d'obtenir possession.

Et attendu que le ministre de l'Intérieur, après soigneuse considération, est d'avis que cette cession à la province serait de l'intérêt public, car elle trancherait la difficulté ci-dessus mentionnée concernant les bornes desdits terrains.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre de l'Intérieur, de décréter par les présentes que les parties fractionnaires des terres marécageuses énumérées dans l'annexe "A" ci-après, en autant que sont concernés les droits dans ces terrains qui devraient être transférés au gouvernement fédéral sous l'empire des dispositions du paragraphe 2 de l'article 5 de la *Loi de l'extension des frontières du Manitoba, 1912*, soient par les présentes cédées à Sa Majesté le Roi Georges V pour les fins de la province du Manitoba.

RODOLPHE BOUDREAU,
Greffier du Conseil privé.

19. Tous les appareils, matériaux ou produits illégaux, saisis et confisqués en vertu de cette loi et de ces règlements, peuvent être vendus ou écoulés d'une autre manière, et le produit de cette vente sera payable à Sa Majesté.

20. Toute personne contrevenant aux règlements établis pour l'application de cette loi sera, pour un premier délit, sur condamnation sommaire, passible d'une amende d'au moins dix dollars et d'au plus trente dollars, avec, en plus, les frais de la poursuite.

21. Toute amende imposée en vertu de ces règlements sera, après avoir été perçue, payable et affectée de la manière pourvue par l'article 21 de la loi.

22. Ces règlements entreront en vigueur le 1er jour de septembre 1918, remplaçant les règlements qui étaient devenus exécutoires le 1er jour de septembre 1914. 9–2

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU qu'a été soumis à Son Excellence le Gouverneur général en conseil un rapport du président de la Commission des chemins de fer du Canada au sujet de certaines plaintes concernant particulièrement l'augmentation dans les taux de fret des chemins de fer sur le sucre, ainsi que fixé par un arrêté en conseil (P.C. 1863) du 27 juillet 1918;

Et attendu qu'il est recommandé dans ledit rapport que lesdits taux soient modifiés,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre des Chemins de fer et Canaux, conformément à l'avis du président de la Commission des chemins de fer du Canada, et sous l'empire de la *Loi des mesures de guerre de 1914*, de décréter par les présentes que les taux sur le sucre raffiné, en chargements de wagons, seront comme suit, savoir:

A Montréal, pour livraison locale, 32 cents les 100 livres de St-Jean, N.-B., et 33 cents les 100 livres de Halifax.

A des destinations en Canada à l'ouest de Montréal, les taux courants de cinquième classe de Montréal, avec addition de 14½ cents les 100 livres de St-Jean et 15½ cents les 100 livres de Halifax.

De Vancouvèr, C.-B., comme suit, savoir:

(*a*) A Régina, Lanegan, Humbolt et Melford, tous dans la province de la Saskatchevan, les taux rail-lac-et-rail de cinquième classe alors en vigueur de Montréal aux mêmes endroits.

(*b*) A Winnipeg, le pourcentage du taux de 5e classe de Vancouver à Winnipeg équivalent à la proportion du taux de Vancouver à Regina au taux de 5e classe de Vancouver à Regina.

(*c*) Sujets aux mêmes taux, comme maximum, les taux aux destinations intermédiaires sur les lignes directes de transport seront raisonnablement gradués jusqu'à ce qu'ils correspondent aux taux de 5e classe de Vancouver.

(*d*) Aux destinations en dehors des lignes directes de transport susdites les taux n'excèderont pas ceux imposés pour des distances équivalentes sur la ligne directe appliqués aux plus courtes routes praticables, avec des additions raisonnables où la distance sur la ligne directe est insuffisante pour cette fin.

(*e*) Tant qu'existeront les tarifs de fret de Vancouver et Montréal en vigueur à la date du présent arrêté, les taux de Vancouver, gradués comme susdit, n'excèderont pas 94 cents à Banff, $1.00 à Calgary et Edmonton, $1.05 à Lethbridge, $1.21 à Saskatoon et $1.29 à Prince-Albert, par 100 livres respectivement.

Il plaît, de plus, à Son Excellence le Gouverneur général en conseil de décréter que les taux susdits entreront en vigueur de St-Jean et Halifax le 12 septembre 1918, et de Vancouver le 23 septembre 1918, par publication et déposition à un jour d'avis chez les Commissaires des chemins de fer du Canada, et ils demeureront en vigueur pour la durée de la guerre actuelle ou jusqu'à nouvel ordre.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que des difficultés sérieuses ont surgi en rapport avec l'achat d'argent dont les gouvernements alliés ont un besoin urgent pour le monnayage ;

Et attendu que le gouvernement des Etats-Unis d'Amérique, sous l'empire d'un Règlement du Trésor daté le 19 août 1918, a prohibé l'exportation de l'argent, sauf pour les fins civiles ou militaires en rapport avec la poursuite de la guerre et où le prix auquel l'argent a été acheté n'excède pas directement ou indirectement $1.01½ l'once, 1,000 de fin, au point où l'argent est raffiné, dans le cas de l'argent raffiné aux Etats-Unis, ou au point d'importation, dans le cas d'argent importé ;

Et attendu que le gouvernement impérial a fixé le prix maximum de l'argent en lingots dans le Royaume-Uni à quarante-neuf pences et demi l'once,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre des Finances et sous l'empire des dispositions de la *Loi des mesures de guerre de 1914*, de décréter que l'exportation du Canada de l'argent canadien monnayé, argent en lingots et argent fin en barres, soit par les présentes prohibés, sauf sur permis délivrés par le ministre des Finances et sous le régime de règlements établis par lui ; ces règlements devant prescrire que des permis ne seront délivrés que lorsque l'argent doit être employé pour des fins civiles ou militaires importantes en rapport avec la poursuite de la guerre, et seulement dans les cas où l'exportateur certifie que l'argent qu'il veut exporter a été acheté à un prix qui n'excède pas directement ou indirectement $1.01½ l'once, 1 000 de fin, au point où l'argent est raffiné ou au point d'importation dans le cas de l'argent importé.

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

Au comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 23e jour de juillet 1918, représentant que le 7 novembre 1907, des lettres patentes ont été accordées à M. Arthur Hitchcock, de Moosejaw, pour le quart nord-ouest de la section 3, township 21, rang 7, à l'ouest, du 3e méridien, province de la Saskatchewan, contenant 160 acres, qu'il avait été permis à M. Hitchcock d'acheter au prix de $3 l'acre pour les fins d'une ferme et d'un enclos à bétail en rapport avec son ranch.

On s'assura plus tard du fait que M. Hitchcock avait fait ses améliorations sur le quart nord-est de ladite section 3, et conformément à sa demande il fut décidé, en 1908, d'échanger le quart nord-ouest de cette section pour le quart nord-est de cette même section, pourvu que M. Hitchcock déposât au département de l'Intérieur un certificat de titre en duplicata en faveur de la Couronne, couvrant le quart nord-ouest dont la patente lui avait été accordée.

Le terrain en question a récemment été inspecté par un fonctionnaire du département de l'Intérieur, qui a fait rapport que les deux quarts de section sont très accidentés, ne sont propres qu'au pâturage, qu'il y a très peu ou point de différence de valeur entre les deux quarts de section ; le quart nord-est que M. Hitchcock désire acheter étant le plus accidenté des deux.

Le ministre recommande que l'échange soit confirmé et demande l'autorisation d'émettre des lettres patentes en faveur de M. Hitchcock pour le dit quart nord-est de la section 3, township 21, rang 7, à l'ouest du 3e méridien, dans la province de la Saskatchewan, contenant 161 acres, et qui est actuellement disponible, dès qu'il déposera au département de l'Intérieur un certificat de titre en duplicata en faveur de la Couronne, franc et quitte de toutes charges, du quart nord-ouest.

Le comité agrée cette recommandation et la soumet pour approbation.

Voir espèces de poissons et temps prohibé hebdomadaire.

* Par suite d'une entente conclue entre le ministère de l'Intérieur et le gouvernement provincial des pêcheries de la Colombie-Britannique, les permis délivrés par les fonctionnaires du ministère du Service Naval donnent le droit de pêcher dans les eaux des réserves forestières et dans les eaux sans marée de la province en dehors du réseau des voies ferrées, et *vice versa* les permis délivrés par les officiers des réserves forestières pour les eaux de ces réserves ou par les officiers provinciaux pour les eaux sans marée en dehors du réseau des voies ferrées confèrent l'autorisation de pêcher dans les eaux du réseau des voies ferrées.

Article 6.—Chenal du fleuve Fraser.

Il est défendu de placer aucun filet au bord du chenal du fleuve Fraser, en deça de 100 verges de l'alignement des bouées, entre le bateau-feu mouillé à Sandheads et Steveston; et dans toutes les autres parties du chenal, on est tenu de les retirer au passage d'un vapeur, aux quatre coups de sirènes lancés par le navire.

Article 7.—Hareng ou célan.

1. (*a*) Il n'est pas permis de faire usage de filets autres que du trémail, du filet dérivant, de la drague ou de l'ableret, pour la capture du hareng ou du célan.

(*b*) La longueur des filets dérivants ou du trémail n'est pas limitée, excepté pour la pêche dans un port et un havre où on ne peut pas employer plus de 200 brasses de filet par licence.

(*c*) Les droits exigés pour l'obtention d'une licence de pêche du hareng à l'aide de filets dérivants ou du trémail s'élèvent à $1. *(D.C. 30 mars 1917.)

(*d*) La longueur d'une drague à hareng ou à célan ne saurait excéder 100 brasses et les mailles doivent avoir un pouce.

(*e*) Les droits exigés pour l'obtention d'une licence de pêche du hareng ou du célan au moyen d'une drague s'élèvent à $50.

(*g*) Les droits exigés pour l'obtention d'un ableret à hareng ou à célan s'élèvent à $75.

(2) L'inspecteur en chef des pêcheries a le droit de faire cesser la pêche du hareng dans toutes pêcheries où il s'est assuré que le hareng est à frayer.

Article 8.—Baux ou licences.

1. Il est défendu de faire la pêche des oreilles de mer ou ormiers ou des crabes au moyen de filets ou autres engins, excepté en vertu d'une licence délivrée par le ministère du Service Naval.

(*a*) Il n'est pas permis d'accorder de licences à aucune personne, compagnie ou société, à moins que le bénéficiaire ne soit un sujet britannique domicilié dans la province de la Colombie-Britannique, ou un colon de bonne foi, qui a obtenu le droit d'acheter ou s'est porté acquéreur d'une terre ou, à moins encore que ce ne soit à une compagnie ou société canadiennes, autorisées à faire affaire dans la Colombie-Britannique. ou société canadiennes, autorisées à faire affaire dans la Colombie-Anglaise.

(*b*) Nul ne peut passer à un autre sa licence de pêche au moyen du trémail ou du filet dérivant sans y être autorisé par écrit par l'inspecteur en chef des pêcheries, et pour toutes autres licences sans la permission du ministre du Service Naval.

* L'abréviation D.C. signifie le décret du conseil en amendement des dispositions antécédentes.

(*c*) Pour pouvoir obtenir une licence de parc, d'ableret et de drague, le postulant est tenu de faire une déclaration réglementaire donnant:—

2. Tout Indien peut, à n'importe quelle époque, avec l'autorisation de l'inspecteur en chef des pêcheries, capturer du poisson pour sa propore consommation et celle de sa famille, mais non pour d'autres fins. L'inspecteur en chef des pêcheries est revêtu du pouvoir lorsqu'il délivre un semblable permis:—

(*a*) de limiter et de fixer la superficie des eaux où il est licite de capturer du poisson;

(*b*) de désigner les procédés et les dispositifs autorisés pour la capture du poisson;

(*c*) de délimiter et de fixer la durée légale du permis. Il est interdit aux Indiens de vendre ou de capturer du poisson en vertu de ce permis, si ce n'est dans les eaux, d'après les procédés ou de la façon indiqués au permis. Tout poisson capturé en vertu de ce permis ne saurait être vendu ni autrement écoulé; toute violation des clauses du permis constitue une infraction aux règlements de pêche.

(*a*) S'il vient à être reconnu qu'un Indien a vendu ou écoulé d'une autre façon du produit de poisson, ce seul fait constitue une preuve à première vue que ce poisson a été capturé par lui pour d'autres fins que son alimentation et celle de sa famille et lui impose la tâche de prouver que ce poisson n'a pas été pris en vertu des articles de son permis.

(*b*) Nul Indien ne peut harponner, parquer ou enchaîner des poissons dans les frayères, non plus que dans toutes autres étendues affermées ou réservées pour la propagation naturelle ou artificielle du poisson, non plus encore que dans toute autre pêcherie spécialement mise à part.

Dans le cas d'une fabrique à construire, il faut faire connaître si elle est destinée à devenir la propriété d'une compagnie ou d'une société, le nom de cette compagnie ou de cette société, et si ce sera une compagnie ou une société canadiennes licenciées pour faire affaire dans la province; d'autre part, si elle ne doit pas être exploitée par une compagnie ou société, fournir le nom et la nationalité de la personne ou des personnes qui la possèderont. Chaque filet doit aussi porter son numéro et les initiales du nom du propriétaire lisiblement indiquées sur les bouées en bois ou en métal peintes en blanc et flottantes, attachées à chaque extrémité du filet; on est tenu de conserver tous ces numéros et initiales sur tous les bateaux et filets pendant toute la saison de pêche et de les placer de telle sorte qu'ils soient visibles sans qu'on ait besoin d'enlever les filets; tous navires ou filets en usage qui ne portent pas ces marques sont susceptibles d'être confisqués.

Toutefois, dans les eaux situées au nord du 51e parallèle de latitude nord, il est permis de faire usage de filets dérivants ou de trémails n'excédant pas 200 brasses et dont la profondeur ou la largeur verticale ne dépassera pas 50 mailles.

saison donnée, par l'inspecteur en chef des pêcheries de la province; cependant, si l'on vient jamais à constater, après l'autorisation de la mise en exploitation d'un parc, que le saumon sockeye forme plus de 10 pour cent de la capture totale, il est nécessaire d'opérer immédiatement la fermeture de cet engin à poisson et de le laisser en cet état jusqu'à ce que l'inspecteur des pêcheries de l'arrondissement ou que le garde-pêche local en vienne à la conclusion que la montée du saumon sockeye est terminée, et accorde la permission par écrit de remettre le parc en exploitation. Une telle licence n'accorde l'autorisation de faire la pêche que dans la partie du fleuve qu'elle spécifie.

De même, la pêche du sockeye dans cette partie des eaux s'étendant sur la rive est de l'île Vancouver, entre les 50ième et 51ième prallèles de latitude nord, aussi bien que la pêche à la drague dans toutes les parties du littoral, pour l'espèce dénommée localement sous le nom de "Sockeye de Crique", peuvent commencer le 1er mai de chaque année. (D.C. 11 octobre 1917.)

Le sous-article 9 de l'article 16 des règlements de pêche particuliers à la province de la Colombie-Anglaise, adoptés par le décret du conseil du 11 octobre 1917, est amendé de façon à permettre la pêche au filet dans le fleuve Fraser, et dans les eaux y contiguës, à travers lesquelles passe le coho, le saumon rose ou chum dans sa marche vers le fleuve Fraser durant la saison prohibée annuelle du coho, du saumon rose ou chum, aux conditions d'ailleurs prévues par les règlements; toutefois, l'inspecteur en chef des pêcheries peut en tout temps mettre fin à toute pêche du saumon au cours de cette saison fermée, s'il lui arrive de découvrir qu'une ou plusieurs des espèces de saumon capturées à l'aide de ces filets, en une pêcherie donnée, sont devenues assez près de frayer pour être rendues impropres à l'alimentation. (D.C. 10 novembre 1917.)

(*a*) Les trémails et les filets dérivants à esturgeon ne doivent pas excéder 150 brasses de longueur et les mailles avoir moins de 12 pouces.

(*b*) Les droits exigés pour l'obtention d'un trémail ou d'un filet dérivant s'élèvent à $2.50.

2. Nul ne peut pêcher, capturer, tuer ou vendre des esturgeons mesurant moins de trois pieds de longueur, à partir du museau jusqu'à l'extrémité de la queue, et s'il arrivait à une personne d'en capturer par mégarde d'une taille inférieure, cette dernière aurait l'obligation de les relâcher vivants et indemnes aux lieux mêmes de leur capture.

Article 18.—Truite.

Saison prohibée.

Il est interdit de pêcher, prendre ou tuer aucune espèce de truite, y compris le " steelhead " et l'omble d'un poids de deux livres ou moins à l'état entier, du 15 novembre de chaque année au 25 mars suivant, excepté dans les eaux situées à l'est du 120e méridien, où nul ne saurait pêcher, capturer ou tuer de truites d'aucune espèce à partir du 15 novembre de chaque année au 30 avril suivant, ces deux jours compris; toutefois, ces saisons prohibées n'affectent pas les lacs Seton et Anderson ni leurs tributaires, ni ne s'appliquent à la truite " dolly varden " ou le " steelhead " pris dans les eaux de marée, ou dans les lacs Okanagan, Kamloops, Shuswap, Arrow et Kootenay, ou dans leurs tributaires, non plus qu'aucun saumon des lacs d'un poids de cinq livres ou plus à l'état entier; toutefois encore, dans les eaux sans marée de l'île Vancouver il est illicite de pêcher, capturer ou tuer du "steelhead", du 20 mars au 30 novembre de chaque année, ces deux jours compris.

DEMANDES AU PARLEMENT.

SENAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1916.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(*1*) La résidence du étitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawat le nom et l'adresse de quelque agent le représentan, à Ottawa à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat:

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit:—

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*, —dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une *compagnie de télégraphe ou de téléphone*, —dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une *compagnie de banque;* une *compagnie d'assurance;* une *compagnie de crédit;* une *compagnie de prêt;* ou une *compagnie industrielle*, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement.

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera e même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs); d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: *"Avis de bill privé"*; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé 'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

A. E. BLOUNT,
Greffier du Sénat.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, Mettout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instructions aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommendation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la Chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents dollars.

Taxes supplémentaires

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir:—

(*a*) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension.....	$100 00
(*b*) Lorsqu'un bill est présenté dans la Chambre après la huitième Semaine de la session et avant la fin de la douzième.....	100 00
(*c*) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session.....	200 00
(*d*) Lorsque le capital social projeté d'une compagnie dépasse $250,000, et n'excède pas $500,000.....	100 00

5. Quand un bill est à l'effet d'augmenter ou tend augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de $300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans les cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, tel qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas *b* ou *c* de l'article 3, ne sera pas exigée.

ORDERS IN COUNCIL.

[2088.]

AT THE GOVERNMENT HOUSE AT OTTAWA

Tuesday, the 27th day of August, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 20th August, 1918, from the Minister of the Interior, submitting that on the 11th day of December, 1913, Mr. William Marshall Vance made entry, as a homestead, for the north-west quarter of Section 23, Township 3, Range 38, west of the 3rd Meridian.

The Minister states that the said William Marshall Vance did, on or about the 4th day of February, 1914, suffer the misfortune of having both feet frozen, necessitating amputation. A statutory declaration, corroborating the above, by the physicians and surgeons who performed the operation in the City of Havre, Hill County, Montana, U.S.A., has been submitted.

The Minister, therefore, recommends that authority be granted, under subsection 2 of section 20 of the Dominion Lands Act, 1908, to dispense with the performance of residence requirements under the said Act; letters patent to issue in favour of the entrant, on proof being submitted in the ordinary way that the other conditions of the law have been fulfilled.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,
10-4 Clerk of the Privy Council.

[The two following Orders in Council were first published in an *Extra of the* CANADA GAZETTE, dated the *9th September, 1918.*]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 3rd day of September, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency the Governor General in Council, on the recommendation of the Minister of Justice, and under and in virtue of the provisions of the War Measures Act, 1914, or otherwise, is pleased to make the following regulation, and the same is hereby made and enacted accordingly:—

Regulation.

Section 11 of the Revised Regulations approved by His Excellency in Council on the 2nd March, 1918, (P.C. 510), is hereby amended by adding thereto the following additional proviso:—

"Provided nevertheless that British subjects who are also according to the laws of any neutral state subjects of that state, except those of British descent who owe their foreign nationality to the mere circumstance of having been born in a foreign country where the principle of *jus soli* obtains, may, notwithstanding the provisions of this section, optate for their second or foreign nationality by making a declaration of alienage under section 14 of the Naturalization Act, 1914, at any time within three months after attaining their majority, or at any time within three months after the publication of this order in the *Canada Gazette* whichever period shall latter expire."

RODOLPHE BOUDREAU,
11-2 Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA

Thursday, the 5th day of September, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS clause (C.), section (1) (Regulations) P.C. 1013, of April 30th, 1918, provides for the acceptance of a Certificate of Nationality, signed by a Consul, or Vice-Consul, as evidence that the holder is exempt from the provisions of The Military Service Act;

And whereas there is need at the present moment of an arrangement by which some other document more readily procurable may be available to American harvesters entering Canada temporarily to assist in harvesting operations in the Western Provinces;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Immigration and Colonization, and under and by virtue of the powers conferred by The War Measures Act, 1914, and otherwise, is pleased to make the following regulation, and the same is hereby made and enacted accordingly:—

Upon and after the first day of September, 1918, and until November 30, 1918, within the Provinces of Manitoba, Saskatchewan and Alberta, a certifiate, issued by any duly authorized Canadian Government Agent in the United States, shall, in the absence of a Certificate of Nationality, signed by a Consul, or Vice-consul, be accepted as meeting the requirements of clause (c) section (1), P.C. 1013, of April 30th, 1918.

RODOLPHE BOUDREAU,
11-2 Clerk of the Privy Council.

[1298]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 29th day of May, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS it is provided by subsection 2 of section 5 of "The Manitoba Boundaries Extension Act, 1912", that all lands (known as swamp lands) transferred to the Province of Manitoba under section 1 of chapter 50 of the Statutes of 1885 and not sold by the Province prior to the time at which the terms and conditions of the said Act were agreed to by the Legislature of the Province shall be re-transferred to the Dominion;

And whereas certain quarter-sections and sections partly covered by water or marsh had been transferred to the Province of Manitoba under the provisions of said section 1 of chapter 50 of the Statutes of 1885, and whereas the Province had disposed of the dry portions of the said quarter-sections and sections under agreements of sale, the remaining portions of the same should, therefore, under the provisions of said subsection 2 of section 5 of the Manitoba Boundaries Extension Act, 1912, be re-transferred to the Dominion;

And whereas on account of settlement, drainage, the receding of the waters of lakes and other causes, it is considered practically impossible to define at the present time the boundaries between the original dry and wet portions of the said quarter-sections and sections, and the re-transfer to the Dominion of the portions not sold by the Province has not, therefore, been brought about as the Land Titles Office can not be supplied with descriptions sufficient in detail to cover the areas to be re-transferred;

And whereas the same difficulty exists with regard to defining the outlines of the portions of the said quarter-sections and sections sold by the Province, and the purchasers thereof are being caused considerable annoyance through not being able to obtain title on this account;

And whereas the Department of the Interior has been advised that the difficulty that arises in view of the impossibility of giving detailed descriptions of the lands referred to, which form only a portion of quarter-sections or sections, may be settled by a survey by the two Governments, with the consent of the purchasers from the Province if that can be obtained, dividing the quarter-sections or sections so as to give the purchasers and the Dominion Government each its proper area, and whereas the Surveyor-General of Dominion Lands has estimated that such a survey may cost $7,500, this estimate, however, not including the cost of obtaining the consent of the purchasers to the proposed boundaries;

And whereas most of the said fractional parcels of swamp lands not sold by the province are still more or less covered by water and the chief engineer of the Manitoba Hydrometic Survey of the water power branch of the Department of the Interior having reported that so far as he is aware these fractional parcels are not of any particular value in connection with power or water supply, the minister is of the opinion that the cost of obtaining the information necessary for the retransfer of the same to the Dominion would not be justifiable;

And whereas the Province of Manitoba has requested that the Dominion Government consent to the release of the said fractional parcels in order that it may be in a position to deal with the respective quarter-sections and sections as a whole, and has offered to convey to the Dominion several parcels of Provincial lands upon which homestead entries had been granted in error and which the Department of the Interior has been trying for some time to secure;

And Whereas the Minister of the Interior after careful consideration is of the opinion that such release to the Province would be in the public interest as it would overcome the difficulty referred to respecting the boundaries of the said lands;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of the Interior, is pleased to order and it is hereby ordered that the fractional parcels of swamp land enumerated in schedule "A" hereto annexed, in so far as any rights therein as should be re-transferred to the Dominion under the provisions of subsection 2 of section 5 of the Manitoba Boundaries Extension Act, 1912, are concerned, shall be and the same are hereby released to His Majesty King George the Fifth for the purposes of the Province of Manitoba.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

(CORRECTED NOTICE.)

[2032]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 17th day of August, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS since the 18th day of April, 1917, Orders in Council have been made from time to time granting certain pay after discharge to officers and soldiers of the land forces, those now in force being those dated the 11th day of October, 1917 (P.C. 2849), and on the 30th day of January, 1918 (P.C. 192);

And whereas provision has also been made for post discharge pay for officers, warrant officers and men of the Canadian Naval Service, the provisions now in force being those contained in Orders in Council dated the 1st day of August, 1917 (P.C. 2433), and the 13th day of November, 1917 (P.C. 3192);

And whereas it appears that under the existing provisions it is possible for an officer, warrant officer, or man to become entitled to post discharge pay more than one by reason of his service both in the naval and the land forces of Canada, and it is deemed expedient to consolidate all the provisions with regard to post discharge pay in respect of both services and to make certain amendments in the existing provisions;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Acting Minister of Militia and Defence, and with the concurrence of the Minister of the Naval Service, is pleased to order and it is hereby ordered as follows:

The Orders in Council above mentioned are hereby cancelled and the following regulations are hereby made and substituted therefor:—

Regulations.

1. In these regulations, unless the context otherwise requires:

(*a*) "Officer," "warrant officer" and "man" shall have the same meanings as are given to the said words in the King's Regulations and Admiralty Instructions or in the Militia Act, as the case may be, and "officer" shall include "nursing sister."

(*b*) "Retirement" shall include the return to his Militia unit of an officer who ceases to be actively employed and paid.

(*c*) "Discharge" shall include the return to his non-permanent militia unit not on active service of a man belonging to any such unit.

(*d*) "Overseas" means out of Canada or the United States.

(*e*) "Pay and allowances" includes the pay and allowances receivable in money by the officer, warrant officer or man concerned or by his dependents by reason of his service; except allowances in lieu of rations and quarters or subsistence allowance.

(*f*) "Militia Council" means only the Militia Council in Canada and does not extend to the Overseas Military Council.

2. Except as in these regulations otherwise provided, every officer, warrant officer or man who has served or may hereafter serve in the naval or in the land forces of Canada on active service as set out in the first column of the schedule to these regulations and who hereafter retires or is discharged during the present war or during demobilization thereafter shall be entitled to receive a gratuity equal in amount to the pay and allowances he would have received if he had remained in the service for fifteen, thirty, forty-five or ninety-one days after his retirement or discharge as specified in the second column of the said schedule at the same rate of pay and allowance as he was receiving at the time of his retirement or discharge, or if he was reverted to a lower rank with his consent in order that he might serve overseas or in a theatre of actual war, and not on account of misconduct or inefficiency, then at the rate of pay and allowance to which he would have been entitled if he had not been reverted.

3. Where separation allowance has been paid during the service of any officer, warrant officer or man to any dependent or dependents of his, a portion of the gratuity payable under the preceeding paragraph to such officer, warrant officer or man equal to the separation allowance for the period by reference to which the gratuity is calculated, may, in the discretion of the Paymaster-General, or the Deputy Minister of Naval Service, be paid to the dependent or dependents of such officer, warrant officer or man who would have been entitled to it if the service of the officer, warrant officer or man concerned had continued and if so paid shall, to the extent of the amount thereof, be deemed to be a payment in part of the gratuity aforesaid.

4. No officer, and no warrant officer in the Naval forces, shall be entitled to such gratuity as aforesaid if:—

(*a*) He is cashiered or dismissed the service by sentence of a court martial.

(*b*) He is deprived of his commission or warrant by reason of misconduct.

(*c*) He is called upon to retire or to resign his commission or warrant by reason of misconduct.

(*d*) He is retired or discharged at his own request (unless the Director of Naval Service or the Militia Council otherwise determines).

5. No man of the naval or land forces of Canada shall be entitled to the gratuity aforesaid if he has been discharged :—

(*a*) Having been sentenced to be discharged with ignominy, or in the naval forces with or without disgrace.

(*b*) Having been sentenced to penal servitude or having been sentenced by court martial to imprisonment for two years or more.

(*c*) Having made a mis-statement as to age on enlistment (unless the Director of Naval Service or the Militia Council otherwise determines).

(*d*) Having made a false answer on attestation (unless the Director of Naval Service or the Militia Council otherwise determines).

(*e*) During his service, having been convicted by the civil power of an offence punishable by imprisonment for more than two years, committed either before or after enlistment.

(*f*) For misconduct.

(*g*) At his own request or the request of his parents or guardians (unless the Director of Naval Service or the Militia Council otherwise determines).

6. No officer, warrant officer or man shall be entitled to the gratuity aforesaid, if :—

(*a*) He was formerly employed in the civil service of Canada or of any province and is privileged to return to such employment in the same position as the position which he left, or some other position in such service having substantially a like remuneration.

(*b*) He was formerly in some Canadian naval or land force other than that from which he is retired or discharged and is privileged to continue on pay in such Canadian naval or land force with the same rank as he formerly held therein, or any higher rank.

7. Any overpayments made to any officer, warrant officer or man or to any of his dependents may be deducted from the gratuity hereby authorized.

8. If any officer, warrant officer or man, before he has received any part or the whole of the gratuity to which he has become entitled under these regulations, is notified as having joined and as being in receipt of pay from any Canadian naval or land force other than that from which he is retired or discharged, the gratuity, or the part thereof which at the time remains unpaid shall not be paid, but such officer, warrant officer or man, upon his subsequent retirement or discharge shall, if then otherwise eligible to receive the gratuity, be entitled to receive the same or the part thereof which has not theretofore been paid, by reference either to the pay and allowances of which he was in receipt or of the pay and allowances of which he is in receipt at the time of such subsequent retirement or discharge, whichever were the higher, and he shall, for the purpose of determining the amount of the gratuity by reference to the length and the character of his service, be entitled to count his service in both forces.

9. No officer or men of the naval or land forces enlisted elsewhere than in Great Britian shall be entitled to the gratuity aforesaid unless he is in Canada at the time of his retirement or discharge, or unless the Director of Naval Service of the Militia Council determines that he should receive it.

10. If an officer, warrant officer or man brought forward for retirement or discharge is entitled, pursuant to the recommendation of a medical board or a medical officer, to receive allowances (other than pension) from the Department of soldiers' Civil Re-Establishment, he shall not be paid the gratuity until he has submitted to such treatment as the Department of Soldiers' Civil Re-Establishme t directs and has ceased to receive allowances from such Department.

11. If any officer, warrant officer or man, before he has received any part or the whole of the gratuity herein provided for, is notified as being entitled to or in receipt of allowances from the Department of the Soldiers' Civil Re-Establishment, the gratuity or the part thereof which at the time remains unpaid, shall not be paid, but such officer, warrant officer or man, upon his subsequently ceasing to be entitled to or to receive such allowances, shall, if then otherwise eligible to receive the gratuity, be entitled to receive the same or the part thereof which has not therefore been paid.

12. If any officer, warrant officer or man dies before he has received any part or the whole of the gratuity herein provided, and if immediately before the time of his retirement or discharge no separation allowance was being paid to any dependent or dependents of his, and there was no assignment or allotment of any portion of his pay in force, the portion of the gratuity unpaid at the time of his death shall not become payable.

13. No officer, warrant officer or man shall irrespective of the length or character of his service in one or several forces, be entitle to receive in all a gratuity equal to more than ninety-one days' pay and allowances, calculated by reference to the highest rate of pay and allowances of which he was in receipt at the time of any retirement or discharge.

14. The gratuity herein provided for shall be payable to any officer, warrant officer or man as follows :—

(*a*) If the gratuity is equal to fifteen days, thirty days or forty-five days pay and allowance, on the day of his retirement or discharge.

(*b*) If the gratuity is equal to ninety-one days' pay and allowance, one-third thereof on the day of his retirement or discharge and the remainder in two equal instalments payable respectively one and two months after such retirement or discharge.

15. Where it appears that any officer, warrant officer or man has, while in the service, incurred debts or omitted to make proper provision for his wife or children, whether legitimate or illegitimate, or in any case in which the circumstances seem to him to so require, the Minister of the Naval Service, in the case of the naval forces, or the Militia Council, in the case of the land forces, may direct the gratuity hereby authorized to be applied in or towards the payment of such debts or the making of provision so far as possible for the said wife or child or children or as the circumstances may demand.

16. Nothing in these regulations shall adversely affect the rights of any officer, warrant officer or man heretofore retired or discharged under the Orders in Council cancelled hereby, and where the justice of the case so requires, post discharge pay may be granted under these regulations to any officer, warrant officer or man who has not heretofore received any post discharge pay, or who is entitled under the provisions hereof to a larger amount of post discharge pay than he received by reason of his having reverted with his consent to proceed overseas, or to a theatre of actual war, and not for misconduct or inefficiency.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

NOTICE TO MARINERS

No. 64 of 1918.

(*Inland No. 18.*)

All bearings, unless otherwise noted, are true and are given from seaward in degrees from 0° (North) to 360°, measured clockwise, followed by the magnetic bearing in degrees in brackets, miles are nautical miles, heights are above high water and all depths are at mean low water.

QUEBEC.

(167) River St. Lawrence—Lake St. Louis—Dredging—Change in position of gas buoy—Caution.

Dredging.—Dredging has been done by the Department of Public Works of Canada in the main channel in Lake St. Louis as follows :—

(1) The shoal area north of the axis of the main channel, about $\frac{1}{5}$ mile above red gas buoy No. 76S, has been dredged to a depth of 16 feet and to a distance of 180 feet from the axis of the channel; but there is one spot in the area dredged where there is only a depth of 15 feet. This area has not yet been tested by sweeping.

(2) A width of 70 feet has been dredged off the north extreme of the shoal which extended from the southward to within 35 feet of the line of the Dixie range lights at a point 0.95 mile above Dixie front light. This cut has been swept to 16 feet and gives a channel width of 105 feet south of the axis of the range.

Change in position of gas buoy.—Black gas buoy No. 77S, has been moved 120 feet southwardly to the north edge of the above shoal, which it marks. It is now 105 feet perpendicularly southwardly of the alignment of Dixie range lights.

Previous notice.—No. 10 (31) of 1917.

Caution in passing dredge.—In view of the fact that steamers navigating Lake St. Louis have to their very great danger passed the dredge engaged in removing shoals on the side remote from the steamboat channel, and that dredge No. 116 of the Department of Public Works of Canada may be found now on one side, now on the other, of the channel, mariners are warned to observe the following regulations :

The dredge proper will carry the regulation white anchorage lights fore and aft. In addition to this she will display two fixed red lights, one above the other, six feet apart, on the channel side of the dredge, indicating the side on which vessels must pass. These lights will be suspended clear of the dredge's side about ten feet.

During daytime a red flag will be displayed on the same side of the dredge, and also 10 feet outboard.

Remarks.—The same regulations with respect to red lights and red flags are in force on all Canadian dredges; though the distance between the lights and distance outboard may vary.

Substance of Rules of the Senate relating to Notices and Applications for Bills of Divorce.

As Revised and brought in force 22nd March, 1916.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessfull, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

(*a*) The respondent's residence at the time of sending such notice.

(*b*) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(*c*) The name and address of the solicitor, if any, acting for the respondent.

(*d*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(*6*) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(*7*) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the

satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, ($210).

GEORGE CINQ, par la Grâce de Dieu, Roi du Royaume-Uni de la Grande-Bretagne et d'Irlande et des possessions britanniques au delà des mers, Défenseur de la Foi, Empereur des Indes.

A tous ceux à qui les présentes parviendront ou qu'icelles pourront concerner,—SALUT :

Une proclamation requérant le peuple du Territoire du Yukon de s'enregistrer sous le régime des règlements concernant l'enregistrement approuvés par Notre Gouverneur général du Canada en conseil le 22e jour d'avril 1918.

E. L. NEWCOMBE, Sous-ministre de la Justice, Canada. } ATTENDU que par les règlements approuvés par Notre Gouverneur général en conseil le 22e jour d'avril 1918, sous l'empire des dispositions de Notre *Loi des mesures de guerre, 1914*, il est prescrit que Notre Gouverneur général en conseil peut par proclamation désigner un jour pour l'enregistrement général et un jour subséquent pour l'enregistrement dans le Territoire du Yukon des personnes ci-dessous décrites et, par Nos dits règlements, requises de s'enregistrer le jour subséquemment désigné ;

Et attendu que Notre Gouverneur général en conseil ayant décidé de désiger un jour pour l'enregistrement général conformément aux dits règlements, a décidé de désigner un jour subséquent pour l'enregistrement dans Notre Territoire du Yukon ;

SACHEZ DONC que par les présentes Nous proclamons et désignons lundi le 30e jour de septembre 1918 pour être le jour où l'enregistrement susdit aura lieu dans le Territoire du Yukon.

ET PAR LES PRÉSENTES Nous commandons, ordonnons et enjoignons strictement à toute personne qui réside ou est dans Notre Territoire du Yukon le dit 30e jour de septembre 1918, du sexe masculin ou féminin, qu'elle soit un de nos féaux sujets ou de nationalité étrangère, qui aura atteint son seizième anniversaire le ou avant le dit 30e jour de septembre 1918, et qui aura été incapable de s'enregistrer ailleurs le jour désigné pour l'enregistrement général parce qu'elle était dans le Territoire du Yukon ou en route pour s'y rendre, y compris toute personne de l'âge susdit travaillant pour l'enregistrement, de s'enregistrer le dit 30e jour de septembre 1918, de la manière indiquée ci-dessous et prescrite par Nos dits règlements : Ce en quoi les personnes affectées par Notre ordre et commandement susdit sont par les présentes spécialement requises de ne pas manquer, car non seulement leur loyauté et allégeance, ou leur obligation d'obéir aux lois du pays où elles résident, imposent le devoir d'obéissance fidèle et implicite à Notre présent ordre et commandement, mais de plus, de crainte que les personnes susdites ignorent les conséquences qui s'ensuivront si elles négligent de s'enregistrer le jour ici désigné, Nous les prévenons et avertissons par les présentes que si une personne quelconque requise de s'enregistrer par Nos dits règlements ou par Notre présente proclamation omet, néglige ou refuse sans excuse légitime de s'enregistrer ce jour-là ou dans le délai prescrit pour cela, elle sera sujette à une peine d'amende et d'emprisonnement, et de plus à diverses pénalités et déchéances ainsi que prescrit par Nos dits règlements.

ET NOUS PROCLAMONS ET ANNONÇONS PAR LES PRÉSENTES, pour l'information de tous ceux qui peuvent être concernés, que dans le but d'effectuer l'enregistrement susdit un registraire sera nommé pour Notre Territoire du Yukon qui divisera le dit territoire en des divisions d'enregistrement commodes et désignera pour chaque division un lieu ou des lieux d'enregistrement qui seront spécifiés par publication et des sous-registraires ou assistants sous-registraires pour voir à l'enregistrement des personnes qui ont droit de s'enregistrer qui se présentent le jour ici désigné aux endroits susdits pour être enregistrées, et que toutes les personnes requises de s'enregistrer le jour désigné puissent s'enregistrer le dit 30ième jour de septembre 1918, en tout temps entre 7 heures du matin et 10 heures du soir devant un de Nos dits sous-registraires ou assistants sous-registraires à un des endroits ainsi désignés, mais il leur est conseillé et elles sont exhortées de s'enregistrer aussi de bonne heure que possible dans le jour, car autrement, à cause du grand nombre de personnes à être enregistrées, l'occasion de s'enregistrer le jour désigné peut être perdu par manque de temps.

ET NOUS PROCLAMONS ET ANNONÇONS DE PLUS PAR LES PRÉSENTES, pour l'information de tous ceux que cela peut concerner, que toute personne qui réside dans Notre dit Dominion, du sexe masculin ou du sexe féminin, qu'elle soit un de Nos féaux sujet ou de nationalité étrangère, qui, après le dit 30ième jour de septembre 1918 atteint son seizième anniversaire, et aussi toute personne résidant dans Notre dit Dominion qui était en service actif dans Nos forces militaires ou navales le dit 1918 et qui ne s'est pas enregistrée conformément à Nos dits règlements le ou avant la dite date mentionnée, est par Nos dits règlements, sujet aux peines, amendes et déchéances susdites, requise de s'enregistrer de la manière prescrite par Nos dits règlements dans les trente jours après son dit anniversaire, ou après qu'elle aura cessé d'être en service actif, selon le cas, et de se présenter dans le délai spécifié à l'un de Nos bureaux de poste et de se conformer aux prescriptions de Nos dits règlements au sujet de l'enregistrement.

De tout ce qui précède, Nos féaux sujets, et tous ceux que les présentes peuvent concerner, sont par les présentes requis de prendre connaissance, obéissant et se conformant strictement à tous Nos présents commandements, ordres et instructions et agissant en conséquence.

STATUTS DE L'ORDRE DU SERVICE DISTINGUÉ.

(EDITION REVISÉE.)

GEORGE R. I.

GEORGE CINQ, par la Grâce de Dieu, Roi du Royaume Uni de la Grande-Bretagne et d'Irlande et des possessions britanniques au delà des mers, Défenseur de la Foi, Empereur des Indes.

A tous à qui les présentes parviendront,—

SALUT :

ATTENDU que feue Sa Majesté Notre Bien-aimée Grand-mère la Reine Victoria a, par un décret en date du 6 septembre 1886, institué et créé un nouvel ordre de distinction naval et militaire, désigné l'Ordre du Service Distingué, pour récompenser en temps de guerre les actes individuels méritoires ou distingués;

Et attendu que subséquemment le dit décret royal a été amendé par les décrets royaux en date du 24 juillet 1902, 2 juillet 1903, 15 octobre 1903 et 23 août 1916 ;

Et attendu que c'est Notre bon plaisir et volonté que les officiers de notre corps d'aviation récemment constitué puissent être nommés dans Notre dit Ordre du Service Distingué ;

Et attendu que nous jugeons opportun que tous les amendements aux statuts de Notre dit Ordre, promulgués précédemment ou promulgués maintenant, seront incorporés dans un décret royal sous notre Sceau Manuel,—

En conséquence, Nous déclarons présentement que que les ordonnances et règlements précédemment en force pour le gouvernement de Notre dit Ordre soient abrogés, cancellés et annulés, et c'est Notre bon plaisir de faire, ordonner et établir pour les remplacer les ordonnances et règlements suivants, lesquels à l'avenir seront inviolablement observés et gardés :

Premièrement—Il est ordonné que cet Ordre sera désormais appelé et désigné l'"Ordre du Service Distingué".

Deuxièmement—Il est ordonné que l'Ordre se composera du Souverain et de tels Membres ou Compagnons que Nous, Nos héritiers et successeurs nommeront.

Troisièmement—Il est ordonné que Nous, Nos héritiers et successeurs, Rois ou Reines régnants du Royaume-Uni de la Grande-Bretagne et d'Irlande, Empereurs ou Impératrices des Indes sont et seront à jamais Souverains de cet Ordre.

Quatrièmement—Il est ordonné qu'aucune personne n'aura droit à cette distinction si, au moment de sa nomination elle n'est titulaire d'une commission dans Notre marine, dans Nos troupes de terre ou de mer, dans Notre corps d'aviation ou dans Nos troupes navales ou militaires des Indes ou des colonies, ou d'une commission dans un des départements de Notre marine, armée ou corps aérien, dont le porteur a droit à un rang honoraire ou relatif dans la marine, armée ou le corps d'aviation, pas plus qu'aucune personne ne sera nommée à moins que ses services n'aient été signalés par une mention spéciale de son nom, par l'amiral ou l'officier de marine le plus ancien commandant une escadre ou une force navale détachée, ou par le général en chef des troupes en campagne, dans des dépêches pour services méritoires et distingués en campagne ou devant l'ennemi.

Cinquièmement—Il est ordonné que les officiers étrangers ayant été associés dans des opérations navales, militaires ou aériennes avec nos forces pourront être nommés membres honoraires de cet ordre.

Sixièmement—Il est ordonné que quand il plaira à Nous, Nos héritiers et successeurs de nommer une personne membre de cet ordre, cette nomination sera faite par décret sous Notre Sceau Manuel et contresigné par un de Nos principaux Secrétaires d'Etat.

Septièmement—Il est ordonné par toute personne ayant accompli des actes pour lesquels cet Ordre est accordé, accomplit subséquemment un acte reconnu de bravoure qui, s'il n'avait déjà reçu l'Ordre lui aurait permis de l'obtenir, recevra une agrafe pour être attachée au ruban par lequel l'insigne est suspendu, et pour tout acte semblable une agrafe additionnelle pourra être ajoutée.

Huitièmement—Il est ordonné qu'un officier sera nommé à cet ordre, c'est-à-dire, un Secrétaire et Régistraire.

Neuvièmement—Il est ordonné que le Secrétaire et Régistraire de cet ordre sera nommé par Nous, Nos héritiers et successeurs et aura la garde des archives de l'Ordre. Il assistera au service de l'Ordre et exécutera telles directions qu'il pourra recevoir de Notre Principal Secrétaire d'Etat pour la Guerre.

Dixièmement—Il est ordonné que cet ordre prendra rang à la suite et immédiatement après Notre Ordre de l'Empire Britannique et que, conséquemment, les Compagnons auront en tous lieux et assemblées que ce soit rang et préséance à la suite et immediatement après les Commandeurs de Notre dit Ordre de l'Empire Britannique et prendront rang entre eux suivant la date de leurs nominations respectives.

Onzièmement—Il est ordonné que l'insigne de l'Ordre consistera en une croix d'or, émaillée blanc, bordée et portant d'un côté, au centre, dans une couronne de laurier en émail vert, la Couronne Impériale en or sur un fond d'émail rouge et, au revers, dans une même couronne et sur un fond rouge semblable, le Chiffre Royal, et qu'il sera porté sur le côté gauche de la poitrine par un ruban rouge, bordé bleu, d'un pouce de large.

Douzièmement—Il est ordonné que les noms de ceux qu'il Nous plaira d'admettre membres de cet Ordre seront publiés dans la *London Gazette* et seront conservés en un registre dans les bureaux de Notre Secrétaire d'Etat pour la Guerre.

Treizièmement—Afin de prendre telles dispositions additionnelles pour conserver effectivement pure cette honorable distinction, il est ordonné que si une personne admise comme membre de cet Ordre est convaincue de trahison, lâcheté, félonie ou d'un crime infâmant, ou si elle est accusée d'aucune telle offense et ne se présente pas, après un temps raisonnable, pour être jugée, son nom sera rayé, par un ordre sous le Sceau Royal Manuel du registre des membres du dit Ordre. Et il est par le présent déclaré que Nous, Nos héritiers et successeurs seront seul juge de la conduite pouvant nécessiter la radiation sur le registre du nom de la personne coupable et il sera, en aucun temps, loisible pour Nous, Nos héritiers et successeurs de réintégrer le nom si telle réintégration est justifiée par les circonstances de la cause.

Finalement—Nous nous réservons à Nous, Nos héritiers et successeurs, plein pouvoir d'annuler, de changer, d'abroger, d'ajouter, d'interpréter ou de Nous dispenser de ces Règlements ou d'aucune partie d'iceux par un avis sous le Seing Manuel du Souverain de l'Ordre.

Donné à Notre cour à Saint-James, le premier jour d'avril 1918, dans la huitième année de Notre règne et dans l'année de Notre Seigneur mil neuf cent dix-huit.

Par ordre de Sa Majesté,

HOTEL DU GOUVERNEMENT A OTTAWA.

Mercredi, le 29e jour de mai 1918.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU qu'il est prescrit par le paragraphe 2 de l'article 5 de la *Loi de l'extension des frontière du Manitoba, 1912*, que toutes les terres (connues sous le nom de terrains marécageux) transférées à la province du Manitoba sous le régime de l'article 1 du chapitre 50 des Statuts de 1885, et non vendues à la province à l'époque à laquelle les termes et conditions de la dite loi auront été agréés par la législature de la province, doivent être transférées de nouveau au Gouvernement.

Et attendu que certains quarts de section et certaines sections en partie couverts d'eau ou de marais ont été transférés à la province du Manitoba, sous le régime des dispositions du dit article 1 du chapitre 50 des Statuts de 1885, et attendu que la province ayant disposé des parties sèches des dits quarts de section et des dites 4 sections par des actes de ventes, les parties qui en restent devraient par conséquent, en vertu des dispositions du dit paragraphe 2 de l'article 5 de la *Loi de l'extention des frontières du Manitoba, 1912*, être transférées de nouveau au gouvernement fédéral.

Et attendu qu'à cause de la colonisation, du drainage, de la récession des eaux des lacs et pour autres raisons il est considéré pratiquement impossible de définir aujourd'hui les bornes entre les premières parties sèches et humides des dits quarts de section et sections, et que le transfert au gouvernement fédéral des parties non vendues par la province n'a par conséquent pas été fait, car on ne pouvait donner au Bureau des titres des terres des descriptions suffisamment détaillées des terrains qui devaient être transférés.

Et attendu que la même difficulté existe en ce qui concerne les bornes des parties desdits quarts de section et sections vendus par la province, et que les acheteurs éprouvent de sérieux ennuis parce qu'ils ne peuvent obtenir le titre à leurs terres.

Et attendu que le département de l'Intérieur a été avisé que la difficulté surgissant de l'impossibilité de donner des descriptions détaillées des terrains ci-dessus mentionnés, qui ne forment qu'une partie de quarts de section ou de sections, peut être réglée par un arpentage effectué par les deux gouvernements, avec le consentement des acheteurs de la province, si ce consentement peut être obtenu, cet arpentage divisant les quarts de section ou les sections de manière à donner aux acheteurs et au gouvernement fédéral chacun sa part due, et attendu que l'arpenteur général des terres fédérales a estimé qu'un tel arpentage pourrait coûter $7,500, cette estimation, toutefois, ne comprenant pas ce qu'il en coûterait pour obtenir le consentement des acheteurs aux bornes proposées.

Et attendu que la plupart desdites parties fractionnaires de terres marécageuses qui n'ont pas été vendues par la province sont encore plus ou moins couvertes d'eau, et que l'ingénieur en chef du service hydrométrique du Manitoba du Bureau de l'hydraulique du département de l'Intérieur a fait rapport qu'en autant qu'il sache ces parties fractionnaires n'ont aucune valeur particulière en rapport avec le développement de l'énergie hydraulique ou l'approvisionnement d'eau, le Ministre est d'avis que le coût d'obtenir les renseignements nécessaires pour les transférer au gouvernement fédéral ne serait justifiable.

Et attendu que la province du Manitoba a demandé au gouvernement fédéral son consentement à la cession desdites parties fractionnaires, afin qu'elle puisse disposer des quarts de section et sections respectives comme un tout, et a offert de céder au gouvernement fédéral plusieurs terrains provinciaux sur lesquels des inscriptions de homestead avaient été accordées par erreur et dont le département de l'Intérieur tente depuis quelques temps d'obtenir possession.

Et attendu que le ministre de l'Intérieur, après soigneuse considération, est d'avis que cette cession à la province serait de l'intérêt public, car elle trancherait la difficulté ci-dessus mentionnée concernant les bornes desdits terrains.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre de l'Intérieur, de décréter par les présentes que les parties fractionnaires des terres marécageuses énumérées dans l'annexe "A" ci-après, en autant que sont concernés les droits dans ces terrains qui devraient être transférés au gouvernement fédéral sous l'empire des dispositions du paragraphe 2 de l'article 5 de la *Loi de l'extension des frontières du Manitoba, 1912*, soient par les présentes cédées à Sa Majesté le Roi Georges V pour les fins de la province du Manitoba.

RODOLPHE BOUDREAU,
Greffier du Conseil privé.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 20 août 1918, représentant que le 11 décembre 1913, M. William Marshall Vance a fait une inscription de homestead pour le quart nord-ouest de la section 23, township 3, rang 28, à l'ouest du 3e méridien.

Le Ministre représente que le dit William Marshall Vance, le ou vers le 4 février 1914, a eu le malheur de se geler les deux pieds, nécessitant l'amputation. Une déclaration statutaire, corroborant ce fait, des médecins et chirurgiens qui ont fait l'opération dans la ville de Havre, comté de Hill, Montana, Etats-Unis d'Amérique, a été soumise.

Par conséquent, le ministre recommande que l'autorisation soit accordée, en vertu du paragraphe 2 de l'article 20 de la *Loi des terres fédérales, 1908*, d'exempter cet inscrit des obligations de résidence imposées par la dite loi et d'émettre les lettres patentes en sa faveur dès qu'il aura été prouvé de la manière ordinaire que les autres conditions de la loi ont été remplies.

Le comité agrée cette recommandation et la soumet pour approbation.

MINISTÈRE DU SERVICE NAVAL

RÈGLEMENTS DE PÊCHE PARTICULIERS À LA PROVINCE

DE LA

COLOMBIE-BRITANNIQUE.

Adoptés par le décret du Conseil du 9 février 1915, tels qu'amendés jusqu'au 15 juin 1918.

Les règlements suivants ne s'appliquent pas aux eaux renfermées dans les réserves forestières, dont l'administration est du ressort du ministre de l'Intérieur.

Article 1.—Permis de pêche à la ligne.

*(*a*) Les personnes non domiciliées dans la province ne peuvent pas pêcher à la ligne à main, ni à la ligne traînante, ni prendre de poissons sportifs dans les eaux du réseau des voies ferrées, sans en avoir obtenu au préalable l'autorisation du ministre du Service Naval.

(*b*) Les droits annuels exigés pour l'obtention d'un tel permis s'élèvent à $5.

(*c*) On ne peut accorder qu'un seul permis à la même personne. Ce permis ne saurait être transféré à un tiers et seule la personne dont le nom y figure est autorisée à s'en servir.

(*d*) Le détenteur d'un tel permis est tenu de le porter sur lui quand il pêche afin de le montrer au garde-pêche ou au gardien dès que ceux-ci l'exigent.

(*e*) Nul n'est autorisé à prendre en un seul jour à la ligne à la main ou à la ligne traînante, ou les deux à la fois, plus de 25 truites coupe-gorge, 25 truites arc-en-ciel, 25 truites "dolly varden", 25 truites saumonées ou 25 poissons blancs des montagnes Rocheuses, ni encore plus de 25 de tous ces poissons ensemble.

Article 2.—Oreilles de mer ou ormiers.

(*a*) Nul ne peut pêcher, capturer, tuer, acheter ou vendre des oreilles de mer ou ormiers mesurant moins de trois pouces et demi par le plus petit diamètre de la coquille.

(*b*) Il sera défendu de pêcher les oreilles de mer ou ormiers en 1917 ainsi que tous les trois ans à partir de cette année là.

(*c*) Les droits exigés pour l'obtention d'un permis pour la pêche des oreilles de mer ou ormiers s'élèvent à $10.

Article 2a.—Bar ou achigan.

Il est interdit de pêcher, capturer ou tuer du bar ou achigan dans le lac ou la crique Christina, du 1er avril au 24 juin de chaque année, ces deux jours compris. *(D.C. 11 avril 1916.)

Article 3.—Crabes.

(*a*) Nul ne peut pêcher, capturer, tuer, acheter ou vendre des crabes mesurant moins de 6 pouces par le grand diamètre de la carapace.

(*b*) Les droits exigés pour la pêche du crabe s'élèvent à $2.50.

Article 4.—Saison prohibée.

Voir espèces de poissons et temps prohibé hebdomadaire.

* Par suite d'une entente conclue entre le ministère de l'Intérieur et le gouvernement provincial des pêcheries de la Colombie-Britannique, les permis délivrés par les fonctionnaires du ministère du Service Naval donnent le droit de pêcher dans les eaux des réserves forestières et dans les eaux sans marée de la province en dehors du réseau des voies ferrées, et *vice versa* les permis délivrés par les officiers des réserves forestières pour les eaux de ces réserves ou par les officiers provinciaux pour les eaux sans marée en dehors du réseau des voies ferrées confèrent l'autorisation de pêcher dans les eaux du réseau des voies ferrées.

* L'abréviation D.C. signifie le décret du conseil en amendement des dispositions antécédentes.

Article 4a.—Arrondissements.

Pour des fins d'administration, la province est répartie en trois arrondissements de pêche de délimitation suivante:—

Arrondissement n° 1.—Comprenant cette partie du littoral de la terre ferme à partir de la frontière sud pour de là s'étendre dans la direction nord jusqu'à et y compris le passage Howe et toutes les eaux appartenant au régime fluvial de cette partie du littoral.

Arrondissement n° 2.—Comprenant le littoral et toutes les eaux appartenant au régime fluvial de cette étendue côtière, à partir du cap Caution pour s'étendre dans la direction nord jusqu'à la frontière nord de la province, aussi bien que toutes les côtes et les eaux des îles situées au large de cette portion du littoral de la terre ferme.

Arrondissement n° 3.—Comprenant le reste de la province.—*(D.C. 30 mars 1917).

Article 5.—Exportation du poisson.

(*a*) Relativement à l'exportation des crustacés et des mollusques (abrogé le 4 mai 1916.)

(*b*) Il est défendu d'exporter du Canada le saumon sockeye, à moins qu'il ne soit gelé, en boîte, salé, fumé ou autrement préparé.

(*c*) Il est défendu d'exporter de la Colombie-Britannique, ou en dehors des frontiè- du Canada, du hareng frais, du hareng conservé dans le sel depuis moins de neuf jours, ou du hareng destiné à être séché, mis en boîte ou conservé selon d'autres procédés, à être converti en engrais, ou à servir à la fabrication de l'huile; toutefois, il est permis d'exporter du hareng frais non salé et destiné à la consommation immédiate, pris au moyen du trémail dans les eaux de la Colombie-Britannique; mais il appartient aux possesseurs de ce poisson de prouver que le hareng ainsi exporté a été pris au moyen du trémail; on peut de plus exporter du hareng frais ou gelé dans des boîtes n'en contenant pas plus de deux cents livres.

Article 6.—Chenal du fleuve Fraser.

Il est défendu de placer aucun filet au bord du chenal du fleuve Fraser, en deça de 100 verges de l'alignement des bouées, entre le bateau-feu mouillé à Sandheads et Steveston; et dans toutes les autres parties du chenal, on est tenu de les retirer au passage d'un vapeur, aux quatre coups de sirènes lancés par le navire.

Article 7.—Hareng ou célan.

1. (*a*) Il n'est pas permis de faire usage de filets autres que du trémail, du filet dérivant, de la drague ou de l'ableret, pour la capture du hareng ou du célan.

(*b*) La longueur des filets dérivants ou du trémail n'est pas limitée, excepté pour la pêche dans un port et un havre où on ne peut pas employer plus de 200 brasses de filet par licence.

(*c*) Les droits exigés pour l'obtention d'une licence de pêche du hareng à l'aide de filets dérivants ou du trémail s'élèvent à $1. *(D.C. 30 mars 1917.)

(*d*) La longueur d'une drague à hareng ou à célan ne saurait excéder 100 brasses et les mailles doivent avoir un pouce.

(*e*) Les droits exigés pour l'obtention d'une licence de pêche du hareng ou du célan au moyen d'une drague s'élèvent à $50.

(*f*) La longueur d'un ableret à hareng ou à célan ne doit pas excéder 200 brasses et les mailles doivent avoir un pouce. (D.C. 19 décembre 1916.)

(*g*) Les droits exigés pour l'obtention d'un ableret à hareng ou à célan s'élèvent à $75.

(2) L'inspecteur en chef des pêcheries a le droit de faire cesser la pêche du hareng dans toutes pêcheries où il s'est assuré que le hareng est à frayer.

Article 8.—Baux ou licences.

1. Il est défendu de faire la pêche des oreilles de mer ou ormiers ou des crabes au moyen de filets ou autres engins, excepté en vertu d'une licence délivrée par le ministère du Service Naval.

(*a*) Il n'est pas permis d'accorder de licences à aucune personne, compagnie ou société, à moins que le bénéficiaire ne soit un sujet britannique domicilié dans la province de la Colombie-Britannique, ou un colon de bonne foi, qui a obtenu le droit d'acheter ou s'est porté acquéreur d'une terre ou, à moins encore que ce ne soit à une compagnie ou société canadiennes, autorisées à faire affaire dans la Colombie-Britannique. ou société canadiennes, autorisées à faire affaire dans la Colombie-Anglaise.

(*b*) Nul ne peut passer à un autre sa licence de pêche au moyen du trémail ou du filet dérivant sans y être autorisé par écrit par l'inspecteur en chef des pêcheries, et pour toutes autres licences sans la permission du ministre du Service Naval.

* L'abréviation D.C. signifie le décret du conseil en amendement des dispositions antécédentes.

(*c*) Pour pouvoir obtenir une licence de parc, d'ableret et de drague, le postulant est tenu de faire une déclaration réglementaire donnant:—

Le nom et la nationalité du propriétaire du parc, de l'ableret et de la drague, ou de la personne au bénéfice de qui ce parc, cet ableret ou cette drague sont exploités.—(*D.C. 30 mars 1917.)

2. Tout Indien peut, à n'importe quelle époque, avec l'autorisation de l'inspecteur en chef des pêcheries, capturer du poisson pour sa propore consommation et celle de sa famille, mais non pour d'autres fins. L'inspecteur en chef des pêcheries est revêtu du pouvoir lorsqu'il délivre un semblable permis:—

(*a*) de limiter et de fixer la superficie des eaux où il est licite de capturer du poisson;

(*b*) de désigner les procédés et les dispositifs autorisés pour la capture du poisson;

(*c*) de délimiter et de fixer la durée légale du permis. Il est interdit aux Indiens de vendre ou de capturer du poisson en vertu de ce permis, si ce n'est dans les eaux, d'après les procédés ou de la façon indiqués au permis. Tout poisson capturé en vertu de ce permis ne saurait être vendu ni autrement écoulé; toute violation des clauses du permis constitue une infraction aux règlements de pêche.

(*a*) S'il vient à être reconnu qu'un Indien a vendu ou écoulé d'une autre façon du produit de poisson, ce seul fait constitue une preuve à première vue que ce poisson a été capturé par lui pour d'autres fins que son alimentation et celle de sa famille et lui impose la tâche de prouver que ce poisson n'a pas été pris en vertu des articles de son permis.

(*b*) Nul Indien ne peut harponner, parquer ou enchaîner des poissons dans les frayères, non plus que dans toutes autres étendues affermées ou réservées pour la propagation naturelle ou artificielle du poisson, non plus encore que dans toute autre pêcherie spécialement mise à part.

(*c*) Toute personne qui achète du poisson ou des produits de poisson capturé en vertu de ce permis se rend coupable d'un délit contre ces règlements.—*(D.C. 11 septembre 1917.)

Dans le cas d'une fabrique à construire, il faut faire connaître si elle est destinée à devenir la propriété d'une compagnie ou d'une société, le nom de cette compagnie ou de cette société, et si ce sera une compagnie ou une société canadiennes licenciées pour faire affaire dans la province; d'autre part, si elle ne doit pas être exploitée par une compagnie ou société, fournir le nom et la nationalité de la personne ou des personnes qui la possèderont. saison donnée, par l'inspecteur en chef des pêcheries de la province; cependant, si l'on vient jamais à constater, après l'autorisation de la mise en exploitation d'un parc, que le saumon sockeye forme plus de 10 pour cent de la capture totale, il est nécessaire d'opérer immédiatement la fermeture de cet engin à poisson et de le laisser en cet état jusqu'à ce que l'inspecteur des pêcheries de l'arrondissement ou que le garde-pêche local en vienne à la conclusion que la montée du saumon sockeye est terminée, et accorde la permission par écrit de remettre le parc en exploitation. De même, la pêche du sockeye dans cette partie des eaux s'étendant sur la rive est de l'île Vancouver, entre les 50ième et 51ième prallèles de latitude nord, aussi bien que la pêche à la drague dans toutes les parties du littoral, pour l'espèce dénommée localement sous le nom de "Sockeye de Crique", peuvent commencer le 1er mai de chaque année. (D.C. 11 octobre 1917.)

Le sous-article 9 de l'article 16 des règlements de pêche particuliers à la province de la Colombie-Anglaise, adoptés par le décret du conseil du 11 octobre 1917, est amendé de façon à permettre la pêche au filet dans le fleuve Fraser, et dans les eaux y contiguës, à travers lesquelles passe le coho, le saumon rose ou chum dans sa marche vers le fleuve Fraser durant la saison prohibée annuelle du coho, du saumon rose ou chum, aux conditions d'ailleurs prévues par les règlements; toutefois, l'inspecteur en chef des pêcheries peut en tout temps mettre fin à toute pêche du saumon au cours de cette saison fermée, s'il lui arrive de découvrir qu'une ou plusieurs des espèces de saumon capturées à l'aide de ces filets, en une pêcherie donnée, sont devenues assez près de frayer pour être rendues impropres à l'alimentation. (D.C. 10 novembre 1917.)

2. Nul ne peut pêcher, capturer, tuer ou vendre des esturgeons mesurant moins de trois pieds de longueur, à partir du museau jusqu'à l'extrémité de la queue, et s'il arrivait à une personne d'en capturer par mégarde d'une taille inférieure, cette dernière aurait l'obligation de les relâcher vivants et indemnes aux lieux mêmes de leur capture.

Article 18.—Truite.

Saison prohibée.

Il est interdit de pêcher, prendre ou tuer aucune espèce de truite, y compris le "steelhead" et l'omble d'un poids de deux livres ou moins à l'état entier, du 15 novembre de chaque année au 25 mars suivant, excepté dans les eaux situées à l'est du 120e méridien, où nul ne saurait pêcher, capturer ou tuer de truites d'aucune espèce à partir du 15 novembre de chaque année au 30 avril suivant, ces deux jours compris; toutefois, ces saisons prohibées n'affectent pas les lacs Seton et Anderson ni leurs tributaires, ni ne s'appliquent à la truite "dolly varden" ou le "steelhead" pris dans les eaux de marée, ou dans les lacs Okanagan, Kamloops, Shuswap, Arrow et Kootenay, ou dans leurs tributaires, non plus qu'aucun saumon des lacs d'un poids de cinq livres ou plus à l'état entier; toutefois encore, dans les eaux sans marée de l'île Vancouver il est illicite de pêcher, capturer ou tuer du "steelhead", du 20 mars au 30 novembre de chaque année, ces deux jours compris.

DEMANDES AU PARLEMENT.

SENAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1916.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(*1*) La résidence du étitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawat le nom et l'adresse de quelque agent le représentan, à Ottawa à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat:

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

A. E. BLOUNT,
Greffier du Sénat.

SENAT.

Avis de bills privés.

ÉXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit:—

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*, —dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une *compagnie de télégraphe ou de téléphone*, —dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une *compagnie de banque;* une *compagnie d'assurance;* une *compagnie de crédit;* une *compagnie de prêt;* ou une *compagnie industrielle*, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement.

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera e même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs); d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: "*Avis de bill privé*"; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé 'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

A. E. BLOUNT,
Greffier du Sénat.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, Mettout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instructions aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommendation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la Chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents dollars.

Taxes supplémentaires

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir:—

(*a*) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension.....	$100 00
(*b*) Lorsqu'un bill est présenté dans la Chambre après la huitième Semaine de la session et avant la fin de la douzième.....	100 00
(*c*) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session.....	200 00
(*d*) Lorsque le capital social projeté d'une compagnie dépasse $250,000, et n'excède pas $500,000.....	100 00

5. Quand un bill est à l'effet d'augmenter ou tend augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de $300

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans les cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, tel qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas *b* ou *c* de l'article 3, ne sera pas exigée.

Greffier des Communes.

AIR MINISTRY, 3rd August, 1918.

HIS Majesty the KING has been graciously pleased to confer the undermentioned rewards on Officers of the Royal Air Force, in recognition of gallantry in flying operations against the enemy:—

Awarded the Distinguished Service Order.

Lt. Fred Robert McCall, M.C., D.F.C., (formerly Alberta Regt.)

A brilliant and gallant officer who has accounted for fourteen enemy machines. On a recent date he destroyed four during a patrol in the morning, and another in the evening, in each case closing to point-blank range with his opponent. His courage and offensive spirit has inspired all who serve with him.

(The announcement of award of the Distinguished Flying Cross to Lt. McCall is also contained in this Gazette.)

Awarded the Distinguished Flying Cross.

Capt. (temp. Major) William Avery Bishop, V. C., D. S.O., M.C., (formerly Canadian Cavalry.)

A most successful and fearless fighter in the air, whose acts of outstanding bravery have already been

recognised by the awards of the Victoria Cross, Distinguished Service Order, Bar to the Distinguished Service Order, and Military Cross.

For the award of the Distinguished Flying Cross now conferred upon him he has rendered signally valuable services in personally destroying twenty-five enemy machine in twelve days—five of which he destroyed on the last day of his service at the front.

The total number of machines destroyed by this distinguished officer is seventy-two, and his value as a moral factor to the Royal Air Force cannot be overestimated.

Lt. LeeRoy Lowerison Brown (formerly 2nd Canadian D.S. Column).

Whilst on counter-battery photography this officer was attacked by two triplanes and four biplanes. His gravity tank exploded and caught fire, but blew out. His centre section struts were shot through, also his wind shield. There were altogether fifty holes in his machines. After about a quarter of an hour's fighting he reached our lines. He then returned to complete his photography, climbing to 19,000 feet. In thus returning, after having been so badly shot about he showed a splendid example of courage and determination.

Lt. (temp. Capt.) Arthur Claydon (formerly Canadian Fd. Arty.)

Recently this officer, single-handed, went to the assistance of another pilot, who was attacked by eleven Fokker biplanes and six scouts. By his gallant conduct and skilful manoeuvring he not only extricated the pilot, but drove down several of the enemy aeroplanes. He has shown great initiative and gallantry in locating, bombing and attacking troops on the ground from low altitudes.

Lt. Fred Robert McCall, M.C., (formerly Alberta Regt.).

This officer has driven down four enemy machines, which were seen to crash, and two others out of control. His determination and tenacity in attack is remarkable. On one occasion whilst acting as escort to reconnaissance machine he shot down an enemy machine which attempted to interrupt their work; he was then attacked by three enemy scouts which, however, he skilfully managed to elude.

2nd Lt. (Hon. Lt.) Blayney Edmund Scott, M.C. (late Canadian Field Arty.).

Whilst on counter-battery attack patrol, flying at a height of 1,500 feet, this officer's petrol tank was struck by machine gun fire from the ground. As much petrol was escaping, he climbed out on the right wing and attempted to plug the hole, but finding he was unable to reach it, he returned to his seat for the spare "Coche": he then again climbed back to the tank and succeeded in plugging the hole. During the whole time he was under heavy anti-aircraft and machine-gun fire. The pilot then decided to carry on the patrol, and much valuable information was obtained.

Lt. Joseph Leonard Maries White (late Canadian Machine Gun Corps.)

This officer is distinguished for his bravery and dash in action, never hesitating to attack, regardless of the enemy's numerical superiority. He has destroyed three enemy aircraft and driven down two out of control. In addition he has carried out most valuable reconnaissance service at low altitudes.

[*Extract from the 2nd Supplement to* THE LONDON GAZETTE *of the 23rd August 1918.*]

WAR OFFICE,
24th August, 1918.

With reference to the awards conferred as announced in THE LONDON GAZETTE dated 26th March, 1918, the following are the statements of service for which the decorations were conferred.

Awarded a Bar to the Military Cross.

Lt. Allan Hunter Finley, M.C., Inf.

For conspicuous gallantry and devotion to duty. While he was out with a patrol close to the enemy's wire he saw an enemy raiding party of fifteen men, with a machine gun, leave the enemy's trenches. He allowed the enemy to approach quite close and then opened fire. At the same time another party of the enemy appeared and worked round his flank, and two machine guns opened fire on him from the enemy's front line. With great coolness and resource he moved his patrol to a flank, continued his fire, and dispersed and drove back the two parties of the enemy without any casualities to his own men. It was entirely due to his great coolness and initiative that a raid on our lines was prevented.

Lt. Walter Wallace Johnson, M.C.

For conspicuous gallantry and devotion to duty during a raid on the enemy's trenches. He was in command of rifle bombers and went from group to group under heavy machine-gun fire, directing their fire so as to cover the different raiding parties. He silenced an enemy machine-gun and skilfully covered the withdrawal of the whole raiding party, who returned without a casualty. He showed splendid energy and fearlessness.

Lt. Arnold Homer Jucksch, M.C., Inf.

For conspicuous gallantry and devotion to duty when in command of a raid on the enemy's trenches. He placed explosives under the enemy's wire within fifteen feet of an enemy post and successfully blew up the wire. He then rushed the post with one of his parties and killed six of the enemy. He led his men down a sap, inflicted further casualties on the enemy, and withdrew all his men without a casualty, having captured twelve prisoners. He displayed magnificent leadership and courage.

Awarded the Military Cross.

Lt. Roy Bailey, Infy.

For conspicuous gallantry and devotion to duty during a raid on the enemy's trenches. On entering the enemy's trench he met with very strong opposition and several of his party became casualties. Though wounded himself he attended to their wounds and carried one of them back to our front line. His gallantry and determination were a splendid example to all ranks.

Lt. Gerald Alfred Cloutier, Infy.

For conspicuous gallantry and devotion to duty. With an N.C.O. he left the treneh and attacked two of the enemy who were approaching his position, and by his skill and coolness succeeded in capturing them both.

Lt. George Alexander Cruikshank, Inf.

For conspicuous gallantry and devotion to duty when a party of 50 of the enemy attempted to raid the position held by his platoon. He held up the attack by his skilful fire control, and, though outnumbered by three to one, led his men forward against the enemy and drove them back into our barrage. He captured four prisoners, and inspired his men throughout by his coolness and courage.

Lt. Herbert D. Cunningham, Dgns.

For conspicuous galantry and devotion to duty during a raid on the enemy's trenches. He led his men with great dash and coolness, and by his exemple and utter disregard of danger ensured the success of the enterprise.

Lt. Donald Stodart Gwyn, Dgns.

For conspicuous gallantry and devotion to duty during a raid on the enemy's trenches. He led his men with great energy and determination, and by his fearless leadership overcome the enemy's resistance. He set a splendid example to all ranks.

Lt. Henry Vernon Le Mesurier, Dgns.

For conspicuous gallantry and devotion to duty during a raid on the enemy's trenches. He led his men with great determination and skill, though wounded early in the raid. He bombed and set on fire all the dug-outs in the enemy's trench, and by his good leadership assisted materially in the success of the raid.

Lt. John Carman Ramsden, Inf.

For conspicuous gallantry and devotion to duty during a raid on the enemy's trenches. He led the raiding party with great determination and courage, and though wounded entered the enemy's trenches in the face of heavy bombing and machine-gun fire. He set a magnificent example of gallantry and endurance.

147588 C.S.M. John James Tobin, Inf.

For conspicuous gallantry and devotion to duty. When all the platoon commanders of the company became casualties early in an attack, he rushed forward from his position in the fourth wave of the attack and assisted his company commander in leading the men to the final objective. He showed great grasp of the situation, and splendid coolness and determination which contributed largely to the success of the operation.

WITH reference to the awards conferred as announced in the *London Gazette* dated 4th March, 1918, the following are the statements of service for which the decorations were conferred :—

See *Canada Gazette* 6th April, 1918.

Awarded the Military Cross.

CANADIAN FORCE.

Lt. John Henry Barnes, Inf.

For conspicuous gallantry and devotion to duty. He displayed great courage and perseverance in personal reconnaissances of the enemy wire, bringing back very valuable reports on wire-cutting operations. Later, he led parties of scouts and stretcher bearers in search of some men, who had been missing after a previous raid, penetrating beyond the enemy wire. He also organized, instructed, and took out three battle patrols. During all of these operations he was subjected to heavy enemy fire.

Lt. James Archibald Foote, Rly. Troops.

For conspicuous gallantry and devotion to duty while engaged in the maintenance of light railways. The area where he was working was subjected to intense shell fire, and the line was broken in six places. He repeatedly reorganized his working parties, who had suffered casualties, and by his example and encouragement kept his men at work under most difficult conditions. By his efforts the line was kept open, and the supply of ammunition was ensured.

Capt. Edwin Gill, Mtd. Rfl

For conspicuous gallantry and devotion to duty while in command of a raiding party. He led his party with great courage and determination, overcame the enemy's resistance by his good leadership, and brought his party back with only one casualty. He set an excellent example to his men, and was responsible for the success of the raid.

Lt. Maurice Helyer, Rly. Troops.

For conspicuous gallantry and devotion to duty. On the leading tractor of a train, comprising another two tractors and seventeen empty wagons, becoming derailed and thus preventing the salvage of the rest of the train, he immediately organized a party and proceeded to the point of derailment through a very

heavy gas barrage, but owing to lack of appliances could not re-rail the tractor. Having, however, cut the track on each side of the tractor and made a loop around it. he was able to get the rest of the train to proceed although later its passage was again obstructed by a wrecked train, the damaged cars of which were cleared away successfully. By his ingenuity and gallant conduct he undoubtedly saved the tractors and wagons.

Lt. John Leonard, Inf.

For conspicuous gallantry and devotion to duty. His position was heavily bombarded during an enemy raid on the unit on his right. Seeing some of the enemy near the wire he went forward with a few men and captured two prisoners, securing a valuable identification. In preparation for a raid on the enemy's lines he twice led forward patrols, reconnoitered the enemy's wire, cut a passage through it, and also obtained valuable information. His careful preparation enabled the raiding party to enter the enemy's lines and carry out a successful enterprise. He set a splendid example of courage and initiative.

Lt. John Allister Macdonald, Inf.

For conspicuous gallantry and devotion to duty while on patrol with three of his men he encountered a party of twenty of the enemy advancing to raid our trenches. In spite of the fact that his men were very lightly armed, he attacked the enemy party and drove them back to their trenches. This gallant and courageous action completely disorganised the hostile raiding party.

Lt. John Macgregor, D.C.M., Mtd. Rif.

For conspicuous gallantry and devotion to duty. Whilst he was assembling his men prior to a raid the enemy bombed the trench. He, however, changing his point of attack, led his men over the wire into the enemy's trench, and successfully dealt with the garrison of the trench and three concrete dugouts, himself capturing one prisoner. He then withdrew his party and his prisoner successfully to our trenches. Before the raid he, together with a serjeant, had made several skilful and daring reconnaissances along the enemy wire, which materially assisted in the success of the enterprise.

Lt. Frederick Robert McCall, Inf. and R.F.C.

For conspicuous gallantry and devotion to duty. While observing artillery fire he attacked an enemy scout and destroyed it. He has set a fine example of courage and determination on all occasions, and has rendered most valuable services.

Lt. Joseph Anthony Weldon, Inf.

For conspicuous gallantry and devotion to duty. As scout officer of the battalion, having definitely located an enemy post he during the night led a party out with the intention of destroying or capturing the occupants of the post. On the enemy issuing forth he caused his party to open fire, immediately afterwards rushing the enemy, several of whom were killed. The success of this encounter and the securing of a much-needed identification were entirely due to his courage and initiative.

Lt. Humphrey David Williams, Mtd. Rif.

For conspicuous gallantry and devotion to duty. He successfully led a raiding party for a distance of 500 yards, and entering the enemy trenches killed a number of the garrison and put the remainder to flight. He then skilfully withdrew his party back to our trenches. He had for three nights prior to the raid shown great courage and resource in taking his patrols out to reconnoitre for weak spots in the enemy wire.

[2088.]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 27th day of August, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 20th August, 1918, from the Minister of the Interior, submitting that on the 11th day of December, 1913, Mr. William Marshall Vance made entry, as a homestead, for the north-west quarter of Section 23, Township 3, Range 38, west of the 3rd Meridian.

The Minister states that the said William Marshall Vance did, on or about the 4th day of February, 1914, suffer the misfortune of having both feet frozen, necessitating amputation. A statutory declaration, corroborating the above, by the physicians and surgeons who performed the operation in the City of Havre, Hill County, Montana, U.S.A., has been submitted.

The Minister, therefore, recommends that authority be granted, under subsection 2 of section 20 of the Dominion Lands Act, 1908, to dispense with the performance of residence requirements under the said Act ; letters patent to issue in favour of the entrant, on proof being submitted in the ordinary way that the other conditions of the law have been fulfilled.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,
10–4 Clerk of the Privy Council.

[1298]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 29th day of May, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS it is provided by subsection 2 of section 5 of "The Manitoba Boundaries Extension Act, 1912", that all lands (known as swamp lands) transferred to the Province of Manitoba under section 1 of chapter 50 of the Statutes of 1885 and not sold by the Province prior to the time at which the terms and conditions of the said Act were agreed to by the Legislature of the Province shall be re-transferred to the Dominion;

And whereas certain quarter-sections and sections partly covered by water or marsh had been transferred to the Province of Manitoba under the provisions of said section 1 of chapter 50 of the Statutes of 1885, and whereas the Province had disposed of the dry portions of the said quarter-sections and sections under agreements of sale, the remaining portions of the same should, therefore, under the provisions of said subsection 2 of section 5 of the Manitoba Boundaries Extension Act, 1912, be re-transferred to the Dominion;

And whereas on account of settlement, drainage, the receding of the waters of lakes and other causes, it is considered practically impossible to define at the present time the boundaries between the original dry and wet portions of the said quarter-sections and sections, and the re-transfer to the Dominion of the portions not sold by the Province has not, therefore, been brought about as the Land Titles Office can not be supplied with descriptions sufficient in detail to cover the areas to be re-transferred;

And whereas the same difficulty exists with regard to defining the outlines of the portions of the said quarter-sections and sections sold by the Province, and the purchasers thereof are being caused considerable annoyance through not being able to obtain title on this account;

And whereas the Department of the Interior has been advised that the difficulty that arises in view of the impossibility of giving detailed descriptions of the lands referred to, which form only a portion of quarter-sections or sections, may be settled by a survey by the two Governments, with the consent of the purchasers from the Province if that can be obtained, dividing the quarter-sections or sections so as to give the purchasers and the Dominion Government each its proper area, and whereas the Surveyor-General of Dominion Lands has estimated that such a survey may cost $7,500, this estimate, however, not including the cost of obtaining the consent of the purchasers to the proposed boundaries:

And whereas most of the said fractional parcels of swamp lands not sold by the province are still more or less covered by water and the chief engineer of the Manitoba Hydrometic Survey of the water power branch of the Department of the Interior having reported that so far as he is aware these fractional parcels are not of any particular value in connection with power or water supply, the minister is of the opinion that the cost of obtaining the information necessary for the retransfer of the same to the Dominion would not be justifiable;

And whereas the Province of Manitoba has requested that the Dominion Government consent to the release of the said fractional parcels in order that it may be in a position to deal with the respective quarter-sections and sections as a whole, and has offered to convey to the Dominion several parcels of Provincial lands upon which homestead entries had been granted in error and which the Department of the Interior has been trying for some time to secure;

And Whereas the Minister of the Interior after careful consideration is of the opinion that such release to the Province would be in the public interest as it would overcome the difficulty referred to respecting the boundaries of the said lands;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of the Interior, is pleased to order and it is hereby ordered that the fractional parcels of swamp land enumerated in schedule "A" hereto annexed, in so far as any rights therein as should be re-transferred to the Dominion under the provisions of subsection 2 of section 5 of the Manitoba Boundaries Extension Act, 1912, are concerned, shall be and the same are hereby released to His Majesty King George the Fifth for the purposes of the Province of Manitoba.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 17th day of August, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS since the 18th day of April, 1917, Orders in Council have been made from time to time granting certain pay after discharge to officers and soldiers of the land forces, those now in force being those dated the 11th day of October, 1917 (P.C. 2849), and on the 30th day of January, 1918 (P.C. 192) ;

And whereas provision has also been made for post discharge pay for officers, warrant officers and men of the Canadian Naval Service, the provisions now in force being those contained in Orders in Council dated the 1st day of August, 1917 (P.C. 2433), and the 13th day of November, 1917 (P.C. 3192) ;

And whereas it appears that under the existing provisions it is possible for an officer, warrant officer, or man to become entitled to post discharge pay more than one by reason of his service both in the naval and the land forces of Canada, and it is deemed expedient to consolidate all the provisions with regard to post discharge pay in respect of both services and to make certain amendments in the existing provisions ;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Acting Minister of Militia and Defence, and with the concurrence of the Minister of the Naval Service, is pleased to order and it is hereby ordered as follows :

The Orders in Council above mentioned are hereby cancelled and the following regulations are hereby made and substituted therefor :—

Regulations.

1. In these regulations, unless the context otherwise requires :

(*a*) "Officer," "warrant officer" and "man" shall have the same meanings as are given to the said words in the King's Regulations and Admiralty Instructions or in the Militia Act, as the case may be, and "officer" shall include "nursing sister."

(*b*) "Retirement" shall include the return to his Militia unit of an officer who ceases to be actively employed and paid.

(*c*) "Discharge" shall include the return to his non-permanent militia unit not on active service of a man belonging to any such unit.

(*d*) "Overseas" means out of Canada or the United States.

(*e*) "Pay and allowances" includes the pay and allowances receivable in money by the officer, warrant officer or man concerned or by his dependents by reason of his service ; except allowances in lieu of rations and quarters or subsistence allowance.

(*f*) "Militia Council" means only the Militia Council in Canada and does not extend to the Overseas Military Council.

2. Except as in these regulations otherwise provided, every officer, warrant officer or man who has served or may hereafter serve in the naval or in the land forces of Canada on active service as set out in the first column of the schedule to these regulations and who hereafter retires or is discharged during the present war or during demobilization thereafter shall be entitled to receive a gratuity equal in amount to the pay and allowances he would have received if he had remained in the service for fifteen, thirty, forty-five or ninety-one days after his retirement or discharge as specified in the second column of the said schedule at the same rate of pay and allowance as he was receiving at the time of his retirement or discharge, or if he was reverted to a lower rank with his consent in order that he might serve overseas or in a theatre of actual war, and not on account of misconduct or inefficiency, then at the rate of pay and allowance to which he would have been entitled if he had not been reverted.

3. Where separation allowance has been paid during the service of any officer, warrant officer or man to any dependent or dependents of his, a portion of the gratuity payable under the preceeding paragraph to such officer, warrant officer or man equal to the separation allowance for the period by reference to which the gratuity is calculated, may, in the discretion of the Paymaster-General, or the Deputy Minister of Naval Service, be paid to the dependent or dependents of such officer, warrant officer or man who would have been entitled to it if the service of the officer, warrant officer or man concerned had continued and if so paid shall, to the extent of the amount thereof, be deemed to be a payment in part of the gratuity aforesaid.

4. No officer, and no warrant officer in the Naval forces, shall be entitled to such gratuity as aforesaid if :—

(*a*) He is cashiered or dismissed the service by sentence of a court martial.

(*f*) For misconduct.

(*g*) At his own request or the request of his parents or guardians(unless the Director of Naval Service or the Militia Council otherwise determines).

6. No officer, warrant officer or man shall be entitled to the gratuity aforesaid, if :—

7. Any overpayments made to any officer, warrant officer or man or to any of his dependents may be deducted from the gratuity hereby authorized.

8. If any officer, warrant officer or man, before he has received any part or the whole of the gratuity to which he has become entitled under these regulations, is notified as having joined and as being in receipt of pay from any Canadian naval or land force other than that from which he is retired or discharged, the gratuity, or the part thereof which at the time remains unpaid shall not be paid, but such officer, warrant officer or man, upon his subsequent retirement or discharge shall, if then otherwise eligible to receive the gratuity, be entitled to receive the same or the part thereof which has not theretofore been paid, by reference either to the pay and allowances of which he was in receipt or of the pay and allowances of which he is in receipt at the time of such subsequent retirement or discharge, whichever were the higher, and he shall, for the purpose of determining the amount of the gratuity by reference to the length and the character of his service, be entitled to count his service in both forces.

9. No officer or men of the naval or land forces enlisted elsewhere than in Great Britian shall be entitled to the gratuity aforesaid unless he is in Canada at the time of his retirement or discharge, or unless the Director of Naval Service of the Militia Council determines that he should receive it.

10. If an officer, warrant officer or man brought forward for retirement or discharge is entitled, pursuant to the recommendation of a medical board or a medical officer, to receive allowances (other than pension) from the Department of soldiers' Civil Re-Establishment, he shall not be paid the gratuity until he has submitted to such treatment as the Department of Soldiers' Civil Re-Establishment directs and has ceased to receive allowances from such Department.

11. If any officer, warrant officer or man, before he has received any part or the whole of the gratuity herein provided for, is notified as being entitled to or in receipt of allowances from the Department of the Soldiers' Civil Re-Establishment, the gratuity or the part thereof which at the time remains unpaid, shall not be paid, but such officer, warrant officer or man, upon his subsequently ceasing to be entitled to or to receive such allowances, shall, if then otherwise eligible to receive the gratuity, be entitled to receive the same or the part thereof which has not therefore been paid.

12. If any officer, warrant officer or man dies before he has received any part or the whole of the gratuity herein provided, and if immediately before the time of his retirement or discharge no separation allowance was being paid to any dependent or dependents of his, and there was no assignment or allotment of any portion of his pay in force, the portion of the gratuity unpaid at the time of his death shall not become payable.

13. No officer, warrant officer or man shall irrespective of the length or character of his service in one or several forces, be entitle to receive in all a gratuity equal to more than ninety-one days' pay and allowances, calculated by reference to the highest rate of pay and allowances of which he was in receipt at the time of any retirement or discharge.

14. The gratuity herein provided for shall be payable to any officer, warrant officer or man as follows :—

(*a*) If the gratuity is equal to fifteen days, thirty days or forty-five days pay and allowance, on the day of his retirement or discharge.

(*b*) If the gratuity is equal to ninety-one days' pay and allowance, one-third thereof on the day of his retirement or discharge and the remainder in two equal instalments payable respectively one and two months after such retirement or discharge.

15. Where it appears that any officer, warrant officer or man has, while in the service, incurred debts or omitted to make proper provision for his wife or children, whether legitimate or illegitimate, or in any case in which the circumstances seem to him to so require, the Minister of the Naval Service, in the case of the naval forces, or the Militia Council, in the case of the land forces, may direct the gratuity hereby authorized to be applied in or towards the payment of such debts or the making of provision so far as possible for the said wife or child or children or as the circumstances may demand.

16. Nothing in these regulations shall adversely affect the rights of any officer, warrant officer or man heretofore retired or discharged under the Orders in Council cancelled hereby, and where the justice of the case so requires, post discharge pay may be granted under these regulations to any officer, warrant officer or man who has not heretofore received any post discharge pay, or who is entitled under the provisions hereof to a larger amount of post discharge pay than he received by reason of his having reverted with his consent to proceed overseas, or to a theatre of actual war, and not for misconduct or inefficiency.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 12th day of September, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Harbour Commissioners of Montreal, by a resolution passed at a meeting of their Board held on the 5th day of August, 1918, amended present By-law No. 96, which provides a tariff and conditions for handling cars on the Commissioners' Harbour Railway, by substituting the amended sections, as in the copy attached, for the similar sections of the old By-law No. 96 ; also by a resolution passed at their meeting held on the 15th day of August, 1918, repealed present By-law No. 104 and approved of the attached new By-law No. 104, to be substituted therefor, and submit same for approval.

And whereas the Minister of Marine and Fisheries submits that the officer of the Marine Department who is entrusted with the inspection and supervision of the various Harbour Commissions reports that the original by-laws had been submitted to the Department of Justice for an opinion as to their legality, and that Department has advised that the provisions of same come within the powers of the Commissioners to enact in accordance with existing authorizing legislation ; that the present amendments to the original by-laws present no change from the general effect of the old by-law, but simply provide for an increase of rates and as a consequence, it has not been deemed necessary to submit the amendments to the Department of Justice for a further opinion as to legality, and this officer recommends that the amendments be approved as submitted, in which recommendation the Deputy Minister of the Department of Marine and Fisheries concurs.

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of Marine and Fisheries is pleased to approve the amended By-laws No. 96 and 104 of the Harbour Commissioners of Montreal, copies of which are hereto attached, and the same are hereby approved accordingly.

(167) River St. Lawrence—Lake St. Louis—Dredging—Change in position of gas buoy—Caution.

Dredging.—Dredging has been done by the Department of Public Works of Canada in the main channel in Lake St. Louis as follows :—

(1) The shoal area north of the axis of the main channel, about $\frac{1}{5}$ mile above red gas buoy No. 76S, has been dredged to a depth of 16 feet and to a distance of 180 feet from the axis of the channel; but there is one spot in the area dredged where there is only a depth of 15 feet. This area has not yet been tested by sweeping.

(2) A width of 70 feet has been dredged off the north extreme of the shoal which extended from the southward to within 35 feet of the line of the Dixie range lights at a point 0.95 mile above Dixie front light. This cut has been swept to 16 feet and gives a channel width of 105 feet south of the axis of the range.

Change in position of gas buoy.—Black gas buoy No. 77S, has been moved 120 feet southwardly to the north edge of the above shoal, which it marks. It is now 105 feet perpendicularly southwardly of the alignment of Dixie range lights.

Caution in passing dredge.—In view of the fact that steamers navigating Lake St. Louis have to their very great danger passed the dredge engaged in removing shoals on the side remote from the steamboat channel, and that dredge No. 116 of the Department of Public Works of Canada may be found now on one side, now on the other, of the channel, mariners are warned to observe the following regulations :

The dredge proper will carry the regulation white anchorage lights fore and aft. In addition to this she will display two fixed red lights, one above the other, six feet apart, on the channel side of the dredge, indicating the side on which vessels must pass. These lights will be suspended clear of the dredge's side about ten feet.

During daytime a red flag will be displayed on the same side of the dredge, and also 10 feet outboard.

Remarks.—The same regulations with respect to red lights and red flags are in force on all Canadian dredges; though the distance between the lights and distance outboard may vary.

NOTICE TO MARINERS.

No. 66 of 1918.

(*Atlantic No. 38.*)

All bearings, unless otherwise noted, are true and are given from seaward in degree 0° (North) to 360°, measured clockwise, followed by the magnetic bearing in degrees in brackets, miles are nautical miles, heights are above high water of ordinary spring tides, and all depths are at low water of ordinary spring tides.

NOVA SCOTIA.

(175) Pictou harbour—East river—Dredged channel—Lock and other improvements.

Navigation of East river, Pictou county, from Pictou harbour to Trenton, a large steel manufacturing centre which has recently sprung up, has been improved by dredging a channel 150 feet wide by 21 feet deep from Pictou river to Narrows point and 15 feet deep thence to Trenton. The dredged channel is in long tangents that do not follow the bends of the original channel. The axes of the three tangents, on which it is laid out, may be located on the chart as follows:—

(1) From deep water in Pictou river on a bearing of 144° 30′ (S. 12° 15′ E. mag.) to a point 2350 feet 303° 30′ (N. 33° 15′ W. mag.) from the north extreme of Coal Loading Place.

In this reach there is a portion 200 feet long where the depth is only 16 feet. This portion lies about ¾ mile below the turn in the channel.

(2) From the last mentioned point, on a bearing 119° 30′ (S. 37° 15′ E. mag.) 1·85 miles, to the turn at the entrance to the lock between the piers.

In this reach the depth in some spots is only 19 and 20 feet.

(3) From the turn below the lock, through the axis of the lock, on a bearing of 161° 30′ (S. 4° 45′ W. mag.), to the south side of Shipyard point.

In this reach the depth from the turn below the lock to the lock is only 16 feet.

At the turns the channel has been widened by removing the projecting angles.

Turning basin.—Above Shipyard point a turning basin has been dredged in front of the town of Trenton. The west limit of this bears 155° 30′ (S. 1° 15′ E. mag.) for 2130 feet and the width varies from 150 feet at Shipyard point to 400 feet at the widest point, 1100 feet above Shipyard point. East of the basin the front has been faced with a retaining wall and spoil has been used to fill the bay.

Lock.—A lock has been built through Stonehouse point (Narrows point on the chart) on a bearing of 161° 30′ (S. 4° 45′ W. mag.) in the axis of the third cut above described. Guide piers have been constructed at the north and south entrances to the lock. This lock is not yet in operation. When used it will raise the level of the river so that a depth of 21 feet will be available.

Dam.—A dam has been constructed across the natural channel of the river from a point 400 feet west of the east extreme of Stonehouse point to Cantley point bearing 156° 45′ (S. mag.)

Sluiceway.—A sluiceway used in connection with the lock cuts through Stonehouse point 225 feet east of the lock.

(*d*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(*6*) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(*7*) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the

satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

A tous ceux à qui les présentes parviendront ou qu'icelles pourront concerner;—SALUT :

Une proclamation requérant le peuple du Territoire du Yukon de s'enregistrer sous le régime des règlements concernant l'enregistrement approuvés par Notre Gouverneur général du Canada en conseil le 22e jour d'avril 1918.

E. L. NEWCOMBE, Sous-ministre de la Justice, Canada. } ATTENDU que par les règlements approuvés par Notre Gouverneur général en conseil le 22e jour d'avril 1918, sous l'empire des dispositions de Notre *Loi des mesures de guerre, 1914*, il est prescrit que Notre Gouverneur général en conseil peut par proclamation désigner un jour pour l'enregistrement général et un jour subséquent pour l'enregistrement dans le Territoire du Yukon des personnes ci-dessous décrites et, par Nos dits règlements, requises de s'enregistrer le jour subséquemment désigné ;

Et attendu que Notre Gouverneur général en conseil ayant décidé de désiger un jour pour l'enregistrement général conformément aux dits règlements, a décidé de désigner un jour subséquent pour l'enregistrement dans Notre Territoire du Yukon ;

SACHEZ DONC que par les présentes Nous proclamons et désignons lundi le 30e jour de septembre 1918 pour être le jour où l'enregistrement susdit aura lieu dans le Territoire du Yukon.

ET PAR LES PRÉSENTES Nous commandons, ordonnons et enjoignons strictement à toute personne qui réside ou est dans Notre Territoire du Yukon le dit 30e jour de septembre 1918, du sexe masculin ou féminin, qu'elle soit un de nos féaux sujets ou de nationalité étrangère, qui aura atteint son seizième anniversaire le ou avant le dit 30e jour de septembre 1918, et qui aura été incapable de s'enregistrer ailleurs le jour désigné pour l'enregistrement général parce qu'elle était dans le Territoire du Yukon ou en route pour s'y rendre, y compris toute personne de l'âge susdit travaillant pour l'enregistrement, de s'enregistrer le dit 30e jour de septembre 1918, de la manière indiquée ci-dessous et prescrite par Nos dits règlements : Ce en quoi les personnes affectées par Notre ordre et commandement susdit sont par les présentes spécialement requises de ne pas manquer, car non seulement leur loyauté et allégeance, ou leur obligation d'obéir aux lois du pays où elles résident, imposent le devoir d'obéissance fidèle et implicite à Notre présent ordre et commandement, mais de plus, de crainte que les personnes susdites ignorent les conséquences qui s'ensuivront si elles négligent de s'enregistrer le jour ici désigné, Nous les prévenons et avertissons par les présentes que si une personne quelconque requise de s'enregistrer par Nos dits règlements ou par Notre présente proclamation omet, néglige ou refuse sans excuse légitime de s'enregistrer ce jour-là ou dans le délai prescrit pour cela, elle sera sujette à une peine d'amende et d'emprisonnement, et de plus à diverses pénalités et déchéances ainsi que prescrit par Nos dits règlements.

ET NOUS PROCLAMONS ET ANNONÇONS PAR LES PRÉSENTES, pour l'information de tous ceux qui peuvent être concernés, que dans le but d'effectuer l'enregistrement susdit un registraire sera nommé pour Notre Territoire du Yukon qui divisera le dit territoire en des divisions d'enregistrement commodes et désignera pour chaque division un lieu ou des lieux d'enregistrement qui seront spécifiés par publication et des sous-registraires ou assistants sous-registraires pour voir à l'enregistrement des personnes qui ont droit de s'enregistrer qui se présentent le jour ici désigné aux endroits susdits pour être enregistrées, et que toutes les personnes requises de s'enregistrer le jour désigné puissent s'enregistrer le dit 30ième jour de septembre 1918, en tout temps entre 7 heures du matin et 10 heures du soir devant un de Nos dits sous-registraires ou assistants sous-registraires à un des endroits ainsi désignés, mais il leur est conseillé et elles sont exhortées de s'enregistrer aussi de bonne heure que possible dans le jour, car autrement, à cause du grand nombre de personnes à être enregistrées, l'occasion de s'enregistrer le jour désigné peut être perdu par manque de temps.

ET NOUS PROCLAMONS ET ANNONÇONS DE PLUS PAR LES PRÉSENTES, pour l'information de tous ceux que cela peut concerner, que toute personne qui réside dans Notre dit Dominion, du sexe masculin ou du sexe féminin, qu'elle soit un de Nos féaux sujet ou de nationalité étrangère, qui, après le dit 30ième jour de septembre 1918 atteint son seizième anniversaire, et aussi toute personne résidant dans Notre dit Dominion qui était en service actif dans Nos forces militaires ou navales le dit 1918 et qui ne s'est pas enregistrée conformément à Nos dits règlements le ou avant la dite date mentionnée, est par Nos dits règlements, sujet aux peines, amendes et déchéances susdites, requise de s'enregistrer de la manière prescrite par Nos dits règlements dans les trente jours après son dit anniversaire, ou après qu'elle aura cessé d'être en service actif, selon le cas, et de se présenter dans le délai spécifié à l'un de Nos bureaux de poste et de se conformer aux prescriptions de Nos dits règlements au sujet de l'enregistrement.

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU qu'il est prescrit par le paragraphe 2 de l'article 5 de la *Loi de l'extension des frontière du Manitoba, 1912*, que toutes les terres (connues sous le nom de terrains marécageux) transférées à la province du Manitoba sous le régime de l'article 1 du chapitre 50 des Statuts de 1885, et non vendues à la province à l'époque à laquelle les termes et conditions de la dite loi auront été agréés par la législature de la province, doivent être transférées de nouveau au Gouvernement.

Et attendu que certains quarts de section et certaines sections en partie couverts d'eau ou de marais ont été transférés à la province du Manitoba, sous le régime des dispositions du dit article 1 du chapitre 50 des Statuts de 1885, et attendu que la province ayant disposé des parties sèches des dits quarts de section et des dites 4 sections par des actes de ventes, les parties qui en restent devraient par conséquent, en vertu des dispositions du dit paragraphe 2 de l'article 5 de la *Loi de l'extention des frontières du Manitoba, 1912*, être transférées de nouveau au gouvernement fédéral.

Et attendu qu'à cause de la colonisation, du drainage, de la récession des eaux des lacs et pour autres raisons il est considéré pratiquement impossible de définir aujourd'hui les bornes entre les premières parties sèches et humides des dits quarts de section et sections, et que le transfert au gouvernement fédéral des parties non vendues par la province n'a par conséquent pas été fait, car on ne pouvait donner au Bureau des titres des terres des descriptions suffisamment détaillées des terrains qui devaient être transférés.

Et attendu que la même difficulté existe en ce qui concerne les bornes des parties desdits quarts de section et sections vendus par la province, et que les acheteurs éprouvent de sérieux ennuis parce qu'ils ne peuvent obtenir le titre à leurs terres.

Et attendu que le département de l'Intérieur a été avisé que la difficulté surgissant de l'impossibilité de donner des descriptions détaillées des terrains ci-dessus mentionnés, qui ne forment qu'une partie de quarts de section ou de sections, peut être réglée par un arpentage effectué par les deux gouvernements, avec le consentement des acheteurs de la province, si ce consentement peut être obtenu, cet arpentage divisant les quarts de section ou les sections de manière à donner aux acheteurs et au gouvernement fédéral chacun sa part due, et attendu que l'arpenteur général des terres fédérales a estimé qu'un tel arpentage pourrait coûter $7,500, cette estimation, toutefois, ne comprenant pas ce qu'il en coûterait pour obtenir le consentement des acheteurs aux bornes proposées.

Et attendu que la plupart desdites parties fractionnaires de terres marécageuses qui n'ont pas été vendues par la province sont encore plus ou moins couvertes d'eau, et que l'ingénieur en chef du service hydrométrique du Manitoba du Bureau de l'hydraulique du département de l'Intérieur a fait rapport qu'en autant qu'il sache ces parties fractionnaires n'ont aucune valeur particulière en rapport avec le développement de l'énergie hydraulique ou l'approvisionnement d'eau, le Ministre est d'avis que le coût d'obtenir les renseignements nécessaires pour les transférer au gouvernement fédéral ne serait justifiable.

Et attendu que la province du Manitoba a demandé au gouvernement fédéral son consentement à la cession desdites parties fractionnaires, afin qu'elle puisse disposer des quarts de section et sections respectives comme un tout, et a offert de céder au gouvernement fédéral plusieurs terrains provinciaux sur lesquels des inscriptions de homestead avaient été accordées par erreur et dont le département de l'Intérieur tente depuis quelques temps d'obtenir possession.

Et attendu que le ministre de l'Intérieur, après soigneuse considération, est d'avis que cette cession à la province serait de l'intérêt public, car elle trancherait la difficulté ci-dessus mentionnée concernant les bornes desdits terrains.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre de l'Intérieur, de décréter par les présentes que les parties fractionnaires des terres marécageuses énumérées dans l'annexe "A" ci-après, en autant que sont concernés les droits dans ces terrains qui devraient être transférés au gouvernement fédéral sous l'empire des dispositions du paragraphe 2 de l'article 5 de la *Loi de l'extension des frontières du Manitoba, 1912*, soient par les présentes cédées à Sa Majesté le Roi Georges V pour les fins de la province du Manitoba.

RODOLPHE BOUDREAU,
Greffier du Conseil privé.

Mardi, le 27e jour d'août 1918.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 20 août 1918, représentant que le 11 décembre 1913, M. William Marshall Vance a fait une inscription de homestead pour le quart nord-ouest de la section 23, township 3, rang 28, à l'ouest du 3e méridien.

Le Ministre représente que le dit William Marshall Vance, le ou vers le 4 février 1914, a eu le malheur de se geler les deux pieds, nécessitant l'amputation. Une déclaration statutaire, corroborant ce fait, des médecins et chirurgiens qui ont fait l'opération dans la ville de Havre, comté de Hill, Montana, Etats-Unis d'Amérique, a été soumise.

Par conséquent, le ministre recommande que l'autorisation soit accordée, en vertu du paragraphe 2 de l'article 20 de la *Loi des terres fédérales, 1908*, d'exempter cet inscrit des obligations de résidence imposées par la dite loi et d'émettre les lettres patentes en sa faveur dès qu'il aura été prouvé de la manière ordinaire que les autres conditions de la loi ont été remplies.

Le comité agrée cette recommandation et la soumet pour approbation.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que l'attention des autorités a été attirée sur la demande anormale de beurre due aux conditions de la guerre et sur la très grande probabilité que cette demande anormale et les prix élevés de ce produit qui en résultent prévaudront encore quelque temps;

Et attendu qu'il est de l'intérêt public dans les conditions particulières précitées que d'autres substances grasses soient disponibles en Canada comme substituts du beurre, subordonnément à des conditions strictes et raisonnables:—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre suppléant de l'Agriculture, et en vertu des dispositions de la *Loi des mesures de guerre, 1914*, de faire et établir par les présentes, mais comme mesure de guerre seulement, les règlements suivants concernant l'importation au Canada et la permission de fabriquer, vendre et posséder en Canada de l'oléomargarine, et déterminant les conditions de telle importation, fabrication, vente et possession, ces règlements devant demeurer en vigueur durant la période que dureront les conditions anormales actuelles, la fin de cette période devant être déterminée par le ministre de l'Agriculture avec l'approbation du Gouverneur en conseil, ainsi que prescrit dans les dits règlements.

Il plaît, de plus, à Son Excellence le Gouverneur général en conseil, sur la même recommandation, de décréter que l'arrêté en conseil du 23 octobre 1917 (C.P. 3044) et l'arrêté en conseil du 10 novembre 1917 (C.P. 3236) soient par les présentes rescindés.

RÈGLEMENTS.

Le et après le 1er jour de novembre 1917, et jusqu'à ce que le Gouverneur en conseil ait déclaré par décret que les conditions anormales actuelles ont cessé, l'alinéa (*a*) de l'article 5 de la *Loi de l'industrie laitière*, Statuts de 1914, chapitre 7, sera suspendu en ce qu'il prescrit que personne ne fabriquera, n'importera au Canada, ou n'offrira, vendra ou aura en sa possession pour la vente de l'oléomargarine, ainsi que définie ci-après, et l'importation, la fabrication, l'offre en vente et la possession pour la vente de toute telle oléomargarine seront permises, sujet, cependant, aux règles et règlements suivants:

2. Pour les fins des présents règlements "oléomargarine" signifiera et comprendra l'oléomargarine, la margarine, la butyrine ou tous autres subtituts du beurre qui sont partiellement ou en entier fabriqués de gras ou d'huiles autres que ceux tirés du lait ou de la crème, qui ne contiennent aucune substance colorante artificielle, et pas plus que seize pour cent d'eau.

3. Personne ne fabriquera ou importera d'oléomargarine avant d'avoir obtenu un permis qui pourra être annulé en aucun temps si le permissionnaire contrevient aux dispositions des présents règlements ou de tous autres règlements faits par le Gouverneur général en conseil ou par la Commission des vivres du Canada.

4. Les permis pour l'importation et la fabrication de l'oléomargarine émaneront du bureau du vétérinaire général, seront signés par lui et contresignés par tel fonctionnaire dudit bureau que désignera la Commission des vivres du Canada.

5. Toute oléomargarine importée au Canada et contenant du gras animal et de l'huile animale sera accompagnée du certificat d'exportation de l'inspecteur du pays de production, et tout importateur devra, à l'entrée de tel produit en Canada, présenter tel permis d'importation au percepteur des douanes et lui remettre le certificat de l'inspecteur du pays de production. Les permis d'importation seront en duplicata et une copie déposée aux douanes lors de la première inscription.

6. Les importateurs d'oléomargarine faite entièrement de gras végétaux et d'huiles végétales, fourniront au percepteur des douanes au port d'entrée un certificat d'inspection en la forme que prescrira la Commission des vivres du Canada.

7. L'oléomargarine fabriquée en entier d'huiles végétales sera désignée comme telle sur ses étiquettes, marques de commerce ou autres signes distinctifs.

8. Les permis pour la fabrication de l'oléomargarine ne seront accordés qu'à tous tels requérants qui ont établi, à la satisfaction du vétérinaire général, que le local ou les locaux où ils se proposent de fabriquer l'oléomargarine sont bien éclairés et ventilés; construits de matériaux convenables et hygiéniquement aménagés pour les employés; qu'il n'y a pas de contamination à redouter du fait d'odeurs infectes provenenant des abattoirs, salaisons, fabriques d'engrais artificiels et autres sources; que les machines et l'outillage sont modernes et peuvent être facilement et complètement nettoyés, et que le rendement probable de l'établissement projeté sera de nature à nécessiter l'emploi d'un inspecteur.

9. L'oléomargarine ne sera fabriquée au Canada que sous la surveillance d'inspecteurs nommés par le ministre de l'Agriculture.

10. L'oléomargarine ne sera pas fabriquée au Canada dans un local où se fabrique le beurre ou attenant à une fabrique de beurre.

11. Toute matière entrant dans la composition de l'oléomargarine sera sujette à inspection et ne sera ainsi employée qu'avec le consentement de l'inspecteur. L'inspecteur aura droit en tout temps de prendre des échantillons de toute telle matière pour analyse. Nulle huile oléique ou saindoux neutre n'entrera dans la fabrication de l'oléomargarine s'ils ne proviennent d'un abattoir inspecté par les fonctionnaires du département de l'Agriculture du Canada et ne portent le sceau d'inspection du gouvernement, ou sans que le ministre soit satisfait de l'inspection qui en a été faite au pays de production, et qu'à la date d'importation ils portent les sceaux ou marques officiels et le certificat de l'inspection faite lors de l'expédition du pays de production. Nul lait n'entrera dans la fabrication de l'oléomargarine s'il ne provient de vaches soumises à l'épreuve de la tuberculine ou s'il n'est pasteurisé, et nul beurre ne sera employé s'il a un goût rance ou émet une odeur désagréable.

12. Nul préservatif autre que le sel ne sera employé dans la fabrication de l'oléomargarine, sauf sur permis écrit de la Commission des vivres du Canada.

13. Personne autre qu'un fabricant d'oléomargarine ne mélangera ce produit à du beurre.

14. Nulle substance destinée à colorer l'oléomargarine sera importée au Canada sous une enveloppe contenant de l'oléomargarine, et nul fabricaut, marchand en gros ou détaillant faisant le commerce de l'oléomargarine ne fera le commerce de telle substance, ni n'en vendra ou en délivrera.

15. Nulle oléomargarine ne sera vendue en Canada, sauf conformément aux conditions suivantes;

(*a*) contenue dans les paquets d'origine marqués et libellés en conformité des présent règlements;

(*b*) chaque petit paquet sera sous enveloppe séparée et le mot "oléomargarine" sera imprimé ou écrit sur l'étiquette ou l'enveloppe de manière à en être le mot le plus en vue;

(*c*) les étiquettes, enveloppes et paquets porteront le sceau d'inspection du pays de production ainsi que le nom et l'adresse du fabricant.

16. Dans toutes les places publiques où l'on donne à manger, les hôtels et les restaurants où l'on sert de l'oléomargarine il sera exposé dans un endroit bien en vue un placard contenant les mots "on sert ici de l'oléomargarine", en lettres capitales de pas moins de un pouce et demi de hauteur,

17. Nulle étiquette ou marque de commerce ne sera employée sans avoir été approuvé par le vétérinaire général.

18. Personne ne vendra, n'offrira en vente, n'exposera pour la vente ou n'aura en sa possession pour la vente de l'oléomargarine pressée ou coupée en pains, à moins que chaque pain soit du poids de une demi-livre ou de une livre au temps de la vente, de l'offre en vente, de l'étalage ou de l'emmagasinage.

19. Le Commissaire de l'industrie laitière et de l'entreposage frigorifique du Canada aura charge de la mise en vigueur des dispositions des présents règlements,

ainsi que de tous autres règlements faits par Son Excellence le Gouverneur général en conseil ou par la Commission des vivres du Canada, en autant que ces règlements s'appliquent à la vente et à l'emploi de l'oléomargarine.

20. Les inspecteurs nommés par le ministre de l'Agriculture auront accès, à toute heure raisonable, à tout endroit ou local en Canada où de l'oléomargarine est fabriquée ou emmagasinée.

21. Quiconque importe, fabrique ou vend en gros de l'éléomargarine tiendra un registre où il inscrira la date de chaque importation, achat, vente et consignation d'oléomargarine, et la quantité ainsi importée, vendue ou expédiée, le nom de la personne à laquelle le produit a été acheté, vendu ou expédié, l'endroit duquel ou auquel il a été importé, acheté ou expédié ainsi que le nom de la compagnie de chemin de fer ou de navigation par laquelle cette oléomargarine a été transportée, et ce registre sera en tout temps accessible à la Commission des vivres du Canada ou à toute autre personne autorisée par elle ou par le ministre de l'Agriculture à l'examiner.

22. Il ne sera pas perçu de droits de douane sur l'oléomargarine importée au Canada en conformité des présents règlements.

23. Quiconque enfreint les dispositions des présents règlements sera coupable de délit et passible, sur conviction sommaire, d'une amende de pas moins de cinquante et de pas plus de cinq cents dollars ou d'emprisonnement pour une période de pas plus de six mois ou des deux peines de l'amende et de l'emprisonnement.

24. Les arrêtés en conseil du 23 octobre 1917 (C.P. 3044) et du 19 novembre 1917 (C.P. 3236) sont par les présentes rescindés.

HÔTEL DU GOUVERNEMENT A OTTAWA.

Jeudi, le 12e jour de septembre 1918.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

Il plaît à Son Excellence le Gouverneur général en Conseil, à la recommandation du ministre du Service Naval et sous l'empire de l'article 45 de la *Loi des Pêcheries*, chapitre 8 des Statuts de 1914, de décréter ce qui suit :

L'article des règlements de pêche spéciaux pour la province de la Colombie-Britannique, adoptés par un arrêté en conseil du 9 février 1915, est par les présentes modifié en y ajoutant les paragraphes suivants :

(*d*) Est prohibé l'exportation du Canada de peignes à l'état cru ou frais pris dans la province de la Colombie-Britannique

(*e*) Nul ne prendra de peignes, sauf pour l'employer comme boitte dans la pêche de haute mer ou pour des fins domestiques, mais non pour la vente ou l'échange, du 1er jour de juin au dernier jour de juillet de chaque année, ces deux jours compris.

L'article 21 des règlements de pêche spéciaux pour la province de la Colombie-Britannique, ainsi que modifié, est par les présentes rescindé et l'article suivant lui est substitué:

Article 21.—Pêche aux rêts dans les eaux autres que les eaux de marée:

(*a*) La pêche aux rets dans les eaux autres que les eaux de marée hors de la zone des chemins de fer et spécifiées dans le présent article est autorisée sur un permis du Commissaire provincial des pêcheries.

(*b*) La pêche aux rets dans lesdites eaux sera limitée à l'emploi des rets travaillés et de dragues.

(*c*) Dans les lacs d'eau douce des districts de Fort-George et Omineca les rets travaillés seuls peuvent être employés pour la pêche du poisson blanc, de l'umble, de la truite de lac et de poissons de toutes espèces, sauf le saumon et l'esturgeon ; toutefois nuls rets ne seront employés dans lesdits lacs qui ont moins de quatre milles de longueur. Cependant les rets travaillés peuvent être employés pour la pêche de l'esturgeon dans les lacs Babine, Fraser, Stuart et François, et les rets travaillés et les dragues peuvent être employés pour la pêche du petit poisson rouge ou *kohanee* dans les lacs Okanagan, Arrow et Kootenay.

(*d*) Un permis de pêche autre que la pêche à l'esturgeon n'autorise l'emploi que de cinq cents verges au plus de rets tramaillés. Les mailles de ces rets n'auront pas moins que trois pouces d'extension lorsqu'ils seront en usage ; le droit à payer pour tel permis est un dollar.

(*e*) Un permis pour la pêche de l'esturgeon aux rets tramaillés n'autorise l'emploi que de cent cinquante brasses au plus de tels rets. Les mailles de ces rets n'auront pas moins que douze pouces d'extension lorsqu'ils seront en usage ; le droit à payer pour tel permis est de deux dollars et cinquante cents.

(*f*) Un permis de pêche à la drague n'autorise l'emploi que de deux cents verges au plus de tel filet. Les mailles de tel filet n'auront pas moins que deux pouces d'extension lorsqu'ils seront en usage ; le droit à payer pour tel permis est de un dollar.

(*g*) Nulle truite de lac qui pourrait peser moins que deux livres après avoir été préparée ne sera retenue hors de l'eau ni achetée, vendue ou offerte en vente.

(*h*) Dans les districts de Fort-George, Omineca et Caribou, de la truite ou de l'umble ne pesant pas moins d'une demi-livre après avoir été préparés peuvent être vendus, excepté durant les mois de mars et avril de chaque année, jusqu'à un an après la fin de la guerre, et le paragraphe 2 de l'article 18 des règlements de pêche spéciaux pour la province de la Colombie-Britannique, adoptés par un arrêté en conseil du 9 février 1915, est par les présentes modifié en conséquence.

ATTENDU que les prescriptions au sujet du port illégitime d'uniforme exige certaines modifications afin de les appliquer aux uniformes des forces des alliés de Sa Majesté, de permettre le port d'uniformes en certaines occasions auxquelles les prescriptions actuelles ne s'appliquent pas, d'augmenter la peine pour infraction des règlements et pour d'autres fins.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre suppléant de la Milice et de la Défense, et avec la recommandation du ministre du Service Naval, en vertu des pouvoirs conférés au Gouverneur en conseil par la *Loi des mesures de guerre de 1914* et autrement, de décréter par les présentes ce qui suit :

Les arrêtés en conseil (C.P. 17), daté le 4 janvier 1918 et (C.P. 1072), daté le 2 mai 1918, établissant des règlements concernant le port d'uniformes de l'armée et de la marine, de décorations et de médailles militaires ou navales par des personnes non autorisées à les porter sont par les présentes resceindés, et les règlements suivants sont par les présentes établis et leur sont substitués :

Règlements.

1. 2. Le paragraphe précédent ne s'applique pas à

(*a*) Quiconque étant un officier ou sous-officier d'une des dites forces en a été honorablement congédié, ou marin ou soldat ou aviateur d'une des dites forces qui en a été congédié autrement qu'en disgrâce ainsi que défini par l'article 32 de " l'Army Act ", qui porte l'uniforme du rang ou grade qu'il occupait à la date de sa retraite ou de son congé.

(*i*) Dans un délai d'un mois de la date de sa retraite ou de son congé, ou

(*b*) A un officier ou marin de la marine marchande qui porte un uniforme autorisé par la coutume ou autrement pour tels officiers ou marins.

3. Toute personne qui n'est pas un officier, sous-officier, soldat ou marin des forces de mer ou de terre de Sa Majesté, qui porte un uniforme en contravention avec les prescriptions du paragraphe 1 ou conformément au paragraphe 2 (a) des présents règlements, si l'uniforme est celui ou ressemble à celui d'un corps militaire quelconque, est sujette à la loi militaire comme si elle était soldat appartenant à l'effectif d'un corps quelconque dans le district où l'uniforme est porté, ou si l'uniforme est celui ou ressemble à celui d'un corps naval quelconque cette personne est sujette à la loi de la discipline navale et aux règlements du Roi et instructions de l'Amirauté comme si elle était inscrite au livre de bord d'un des navires canadiens de Sa Majesté.

4. Toute telle personne qui porte l'uniforme en contravention avec les prescriptions des présents règlements, est punissable comme pour une contravention sous l'empire de l'article 40 de *l'Army Act*, ou pour une contravention sous l'empire de l'article 43 de la *Loi de la discipline navale*, selon le cas.

5. Nul en Canada ne portera l'uniforme d'une des forces navales militaires ou aériennes d'un des alliés de Sa Majesté, ou un uniforme dont une partie quelconque ressemble tellement à l'uniforme desdites forces que d'autres seraient portés à croire que cette personne est un officier, marin ou soldat d'une desdites forces, à moins qu'il ne soit autorisé à porter cet uniforme en Canada par la Loi et les règlements en vigueur dans le pays de celui des alliés de Sa Majesté dont l'uniforme d'une des forces navales, militaires ou aériennes est ou semble être celui porté.

7. Nul officier ou soldat de la milice ne portera d'uniforme, excepté dans les occasions où il est autorisé à le faire par la *Loi de la Milice*, ou en telles autres occasions où la permission lui en est donnée par un ordre ou règlement de temps à autre en vigueur.

8. Nul officier ou marin de la Marine Royale Canadienne ne portera son uniforme à moins qu'il ne soit inscrit sur le livre de bord d'un des navires canadiens de Sa Majesté ou autre navire de guerre, et nul officier ou marin de la Réserve Volontaire de la Marine Royale Canadienne ne portera son uniforme à moins qu'il ne soit inscrit sur le livre de bord d'un des navires canadiens de Sa Majesté ou autre navire de guerre ou à moins qu'il ne soit appelé pour l'exercice, sauf s'il en a la permission spéciale par écrit du Directeur du Service Naval.

9 Dans toute poursuite sous le régime des présents règlements il incombe à l'accusé de prouver que le port de l'uniforme, marque de distinction, médaille, ruban, décoration, insigne ou chevron, au sujet desquels l'accusation est portée, était justifiable dans les circonstances.

10. Toute personne coupable d'infraction des présents règlements, qu'elle soit passible ou non d'autres peines, est passible sur conviction sommaire d'une amende de trois cents dollars ($300.00) ou de six mois d'emprisonnement, ou des peines de l'amende et de l'emprisonnement.

HOTEL DU GOUVERNEMENT A OTTAWA.

Jeudi, le 12e jour de septembre 1918.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que les Commissaires du havre de Montréal, par une résolution adoptée à une assemblée de la Commission tenue le 5e jour d'août 1918, ont modifié le règlement numéro 96 actuel, qui prescrit un tarif et des conditions pour le mouvement des wagons sur les voies ferrées du havre, en substituant les articles modifiés dont copie est annexée aux mêmes articles de l'ancien règlement numéro 96 ; aussi, par une résolution passée à leur assemblée du 15 août 1918, les Commissaires rescindent le règlement numéro 104 et approuvent le nouveau règlement numéro 104 ci-annexé, qui doit être substitué au premier, et soumettent le tout pour approbation ;

Et attendu que le ministre de la Marine et des Pêcheries déclare que le fonctionnaire du département de la Marine qui a charge de l'inspection et de la supervision des diverses commissions de havre fait rapport

que les règlements originaux ont été soumis au département de la Justice pour son avis quant à leur légalité, et que ce département a fait rapport que l'adoption des dispositions de ces règlements était du domaine des Commissaires, d'après les lois en vigueur ; que les modifications aux règlements originaux n'apportent aucun changement à l'effet général des anciens règlements, mais prescrivent seulement l'augmentation des droits. Il n'a donc pas été jugé nécessaire de soumettre ces modifications au département de la Justice pour plus ample avis quant à leur légalité, et le fonctionnaire susdit recommande que ces modifications soient approuvées ainsi que soumises, et le sous-ministre du département de la Marine et des Pêcheries agrée cette recommandation.

A ces causes, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre de la Marine et des Pêcheries, d'approuver les règlements modifiés numéros 96 et 104 des Commissaires du havre de Montréal, dont copie est ci-annexée, et ces règlements sont par les présentes approuvés en conséquence.

COMMISSAIRES DU HAVRE DE MONTRÉAL.

EXTRAIT des minutes d'une assemblée ordinaire tenue le 15 août 1918 :

Résolu que le No 104 " Tarif pour les élévateurs à grain Nos 1 et 2 " soit abrogé et remplacé par le suivant :

RÈLEMENT N° 104.

De et après la date de la mise en vigueur du présent règlement on percevra les droits mentionnés ci-après sur les articles suivants lorsque manutentionnés aux élévateurs à grain des Commissaires dans le havre de Montréal.

Sur grain et steamers ou barges.

Pour élever dans l'élévateur et peser (payable par le navire), quatre dixièmes de un cent par minot ; livraison, quatre dixièmes de un cent par minot ; emmagasinage dans les élévateurs, pendant dix jours, gratis.

Sur le grain d'exportation ex wagons de chemin de fer.

Pour l'élever dans l'élévateur et le peser, six dixièmes de un cent par minot ; emmagasinage dans les élévateurs, pendant dix jours, gratis.

Sur le grain du pays ex wagons de chemin de fer.

Avoine, pour l'élever, trois quarts de un cent par minot. Tous autres grains, pour les élever, un cent par minot. Emmagasinage dans les élévateurs, pendant dix jours, gratis.

Emmagasinage.

Sur tout grain, ex steamers, barges ou wagons de chemin de fer, après l'expiration de la période d'emmagasinage de gratuité, un quart de un cent par minot pour chaque période suivante de dix jours ou fraction de période de dix jours.

Pour autres services.

Nettoyage du grain, un cent par minot. Pour retourner le grain, quatre dixièmes de cent par minot.

Emmagasinage d'hiver du grain.

Après le 15 novembre lorsque d'après les taux réguliers on charge pour l'emmagasinage et la livraison locale, un cent et demi par minot, aucune charge supplémentaire ne sera exigible jusqu'au 15 mai, excepté quant au système de transporteur de grain pour lequel on exigera le tarif régulier de quatre dixièmes de cent par minot pour la livraison du grain.

Après le 15 mai on appliquera le tarif régulier de un quart de cent par minot pour l'emmagasinage du grain, et ce pour chaque période ou fraction de période suivante de dix jours, excepté que le droit à payer pour la dernière période d'emmagasinage sera de quatre dixièmes de un cent par minot, y compris la livraison.

En outre de ce qui précède on chargera un droit pour élever le grain attendu, que le tarif d'hiver ne concerne que l'emmagasinage et la livraison.

Séchage du grain.

Quand les propriétaires demandent que le grain soit séché dans le séchoir Hess, annexe de l'élévateur n° 2, en outre du tarif exigé pour élever et emmagasiner le grain, on appliquera les taux et règles suivants :

Le droit à payer pour élever et pour faire sécher le grain sera fixé d'après le poids lorsque pris dans l'élévateur ; tout autre droit subséquent d'emmagasinage sera fixé d'après le poids du grain après son séchage, la perte de poids au séchage devrait être supportée par le propriétaire du grain.

Les Commissaires du havre ne garantiront pas le séchage du grain des limites de temps spécifiées et ils ne seront pas responsables de la détérioration du grain qui résulterait du retard de celui-ci à passer dans le séchoir. Le grain qui devra être séché sur commande sera mentionné aussi rapidement que possible à tour de rôle régulier.

Le droit de séchage du grain, excepté pour le grain provenant de sauvetage, sera de deux et demi cents (2½ cents par minot).

Le droit pour le grain de sauvetage sera de cinq cents (5 cents) par minot.

Le droit pour le traitement du grain par courant d'air froid sera de un cent par minot.

Le droit minimum pour le séchage du grain sera perçu pour au moins mille minots.

Le grain ne sera pas délivré en quantité de moins de 1,000 minots.

Dans tous les cas où le grain restera emmagasiné plus de quatre-vingt-dix jours, le droit exigé pour l'élever devra être payé sur demande et celui pour l'emmagasinage du grain tous les trois mois.

Un grain de nature ou de qualité quelconque exigeant un emmagasinage séparé et occupant tout un silos devra, après avoir été emmagasiné pendant trente jours au taux du tarif, payer un emmagasinage supplémentaire proportionné à la capacité du silos dans lequel il est ensilé.

Le grain mis en sacs doit être enlevé des élévateurs durant les quatre jours suivant la mise en sacs ; après ce délai un droit de pénalité de cinq cents par sac et par jour sera exigible et les commissaires ne seront responsables ni de l'état ni du nombre des sacs restant dans l'élévateur après l'achèvement de la mise en sacs.

Le droit pour le pelletage du grain ex steamer ou barge, soit par machine soit à bras, selon que le permettra le steamer ou la barge, sera de $3.00 par mille (1,000) minots, à être payé par le steamer ou la barge.

Chargement et déchargement des navires.

Un droit supplémentaire de $10.00 par heure sera exigé des paquebots, steamers ou barges chargeant ou déchargeant du grain après 7 heures du soir les dimanches et jours de fête.

Assurances.

Les commissaires seront obligés d'assurer contre les pertes par le feu et au coût de qui de droit tout grain reçu à leurs élévateurs et ils paieront les primes à cet effet aux conditions suivantes :

Les commissaires ne chargeront pas la prime d'assurance qu'ils paieront pour couvrir toute perte par le feu durant les périodes d'emmagasinage de gratuité mentionnées dans ce règlement.

Après l'expiration desdites périodes d'emmagasinage de gratuité les primes d'assurance aux taux courants seront chargées sur le grain emmagasiné et elles devront être payées aux commissaires avant livraison : par les détenteurs de reçus d'emmagasinage ou autres documents délivrés à la place des reçus d'emmagasinage.

DEMANDES AU PARLEMENT.

SENAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1916.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(*1*) La résidence du étitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawat le nom et l'adresse de quelque agent le représentan, à Ottawa à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat:

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada,* il doit en être publié un semblable, comme il suit:—

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal,* —dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une *compagnie de télégraphe ou de téléphone,* —dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une *compagnie pour la confection de travaux quelconques,* dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une *compagnie de banque;* une *compagnie d'assurance;* une *compagnie de crédit;* une *compagnie de prêt;* ou une *compagnie industrielle,* sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement.

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera e même, *mutatis mutandis,* que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs); d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: *"Avis de bill privé"*; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

A. E. BLOUNT,
Greffier du Sénat.

Instructions aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommendation que ces bills soient retirés.

Dépôt de bills et honoraires.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 20th August, 1918, from the Minister of the Interior, submitting that on the 11th day of December, 1913, Mr. William Marshall Vance made entry, as a homestead, for the north-west quarter of Section 23, Township 3, Range 38, west of the 3rd Meridian.

The Minister states that the said William Marshall Vance did, on or about the 4th day of February, 1914, suffer the misfortune of having both feet frozen, necessitating amputation. A statutory declaration, corroborating the above, by the physicians and surgeons who performed the operation in the City of Havre, Hill County, Montana, U.S.A., has been submitted.

The Minister, therefore, recommends that authority be granted, under subsection 2 of section 20 of the Dominion Lands Act, 1908, to dispense with the performance of residence requirements under the said Act ; letters patent to issue in favour of the entrant, on proof being submitted in the ordinary way that the other conditions of the law have been fulfilled.

The Committee concur in the foregoing recommendation and submit the same for approval.

10-4 Clerk of the Privy Council.

Thursday, the 12th day of September, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

And whereas the Minister of Marine and Fisheries submits that the officer of the Marine Department who is entrusted with the inspection and supervision of the various Harbour Commissions reports that the original by-laws had been submitted to the Department of Justice for an opinion as to their legality, and that Department has advised that the provisions of same come within the powers of the Commissioners to enact in accordance with existing authorizing legislation ; that the present amendments to the original by-laws present no change from the general effect of the old by-law, but simply provide for an increase of rates and as a consequence, it has not been deemed necessary to submit the amendments to the Department of Justice for a further opinion as to legality, and this officer recommends that the amendments be approved as submitted, in which recommendation the Deputy Minister of the Department of Marine and Fisheries concurs.

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of Marine and Fisheries is pleased to approve the amended By-laws No. 96 and 104 of the Harbour Commissioners of Montreal, copies of which are hereto attached, and the same are hereby approved accordingly.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Harbour Commissioners of Montreal, by a resolution passed at a meeting of their board, held on the 15th day of August, 1918, repealed present by-law No. 93, which fixes a scale of charges for services in the Grand Trunk Railway Company's elevators in Montreal harbour in accordance with an agreement between the latter company and the Harbour Commissioners of Montreal, and approved of the attached new by-law No. 93 to be substituted therefor;

The effect of the new by-law is to make a slight increase in the charges previously in force for these same services, making them the same as the charges provided in the new by-Law recently approved for similar services in the elevator system of the Harbour Commissioners of Montreal;

And whereas the Minister of Marine and Fisheries submits that the officer of the Marine Department who is entrusted with the supervision of the departmental affairs of the various Harbour Commissions in Canada, reports that this by-law is similar in its principles to the original by-law passed for this same purpose, which was submitted to the Department of Justice for an opinion as to its legality and was favourably reported upon by that Department, and recommends that the present by-law be approved without the formality of a further opinion from the Department of Justice, and in this recommendation the Deputy Minister of the Department of Marine and Fisheries, concurs;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Marine and Fisheries, is pleased to approve the attached by-law of the Harbour Commissioners of Montreal, No. 93, and the same is hereby approved accordingly.

AT THE GOVERNMENT HOUSE AT OTTAWA.
Thursday, 19th day of September, 1918.

PRESENT:
HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS certain difficulties have arisen in the administration of the Military Service Act Regulations promulgated in Order in Council, (P.C. 1013) of the 30th April, 1918, as amended by Order in Council, (P.C. 1226) of the 20th May, 1918, relating to proof of identity and right of search particularly as regards clauses (a), (b) and (c) of section I thereof, and by Order in Council, P.C. 1490 of 15th June, 1918, adding a clause to precede paragraph (a) of section 1.

And whereas the alternative certificates provided for in clauses (*a*) and (*b*) regarding age and matrimonial status are said to be unsatisfactory by reason of the fact that they impose upon the police or other officer engaged in the enforcement of the Military Service

Act the duty of deciding whether or not the citizens giving the certificates are, in fact, reputable citizens who have knowledge of the age and matrimonial status of the man concerned ; and, further, because they are difficult of verification when the bearer thereof has moved from the community in which he ordinarily resides. Moreover, these certificates give rise to the possibility of deception ;

And whereas clause (c) of Section (I) of the said Regulations is said to be unsatisfactory by reason of the fact that in many cases aliens are unable to produce either a Consular certificate or a passport ;

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of Justice, and in virtue of the powers conferred on the Governor in Council by the War Measures Act, 1914, and otherwise, is pleased to annul and replace Sections 1, 2, 3 and 4 of the Regulations ertablished by Order in Council (P.C. 1013) of the 30th April, 1918, whereby persons apparently or reasonably suspected to be within the description of Class (1) under the Military Service Act, 1917, but claiming not to be within the said Class, are required to have upon their person or the premises in which they are, certain evidence of their condition as amended by Orders in Council (P.C. 1226) of the 20th May, 1918, and (P.C. 1490) of the 15th June, 1918, by the following :

Regulations.

"1. AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 21st day of September, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS section 1 of the Coal Mining Regulations, established under authority of section 37, chapter 20 of 7-8 Edward VII, by Order in Council dated the 20th of April, 1910, and amended by subsequent Orders in Council, provides that the term of the lease shall be twenty-one years, renewable for a further term of twenty-one years, provided the lessee furnishes evidence satisfactory to the Minister of the Interior to show that during the term of the lease he has complied with the conditions of such lease and with the provisions of the regulations regarding the disposal and operation of coal mining rights which may have been made from time to time by the Governor in Council ;

And whereas the initial expenditure involved in the development of a coal mine and in the installation of the machinery and equipment necessary for its operation would appear to justify the continuance of the lease for a greater period than that specified in the regulations ;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Acting Minister of the Interior, is pleased to order that section 1 of the above-mentioned regulations shall be and the same is hereby rescinded and the following is substituted therefor and made to apply to all coal mining leases already issued under the provisions of the regulations :

"The term of the lease shall be twenty-one years, renewable for a further term of twenty-one years, provided the lessee furnishes evidence satisfactory to the Minister to show that during the term of the lease, he has complied fully with the conditions of such lease and with the provisions of the regulations regarding the disposal and operation of coal mining rights which may have been made from time to time by the Governor in Council, and subject to renewal for additional periods of twenty-one years on such terms and conditions as may be prescribed by the Governor in Council."

And whereas section 13 of the said Coal Mining Regulations provides that all leases of coal mining rights, issued under the regulations, shall be subject to the provision that actual settlers shall be entitled to buy at the pits mouth whatever coal they may require for their own use, but not for barter or sale, at a price not to exceed $1.75 per ton, and the lease issued for coal rights shall be made subject to such provision ;

And whereas the above provision was first made by Order in Council dated the 23rd of March, 1904, and all coal mining rights have since been disposed of, subject to that provision ;

And whereas representations have been made to the Department of the Interior that, as the cost of coal production has very materially increased, it is no longer possible for the mine operators to profitably produce and sell coal at the price fixed, and the request has been made that the maximum charge be very materially increased ;

Therefore, in view of the changed conditions of coal production, His Excellency in Council is further pleased to order that the maximum charge of $1.75 per ton specified in the above section of the Coal Mining Regulations, shall be and the same is hereby increased to $2.75, and made to apply to coal mining rights already disposed of ;

And whereas Section 24 of the same regulations provides that the lease shall include the coal mining rights only, but the lessee may, upon application, be permitted to purchase at the rate of $10 an acre, whatever area of the available surface rights thereof the Minister may consider necessary for the efficient and economical working of the coal mining rights granted under such lease ;

And whereas section 8 of chapter 27 of 4-5 George V., being an Act to amend The Dominion Lands Act, provides that lands containing coal and other minerals may be leased under regulations made by the Governor in Council, but provision is no longer made for the sale of lands under such regulations ;

And whereas no regulations exist for the leasing of lands for coal mining purposes ;

Therefore, His Excellency in Council is further pleased to order that Section 24 of the Coal Mining Regulations shall be and the same is hereby rescinded, and the following is substituted therefor :

"The lease shall in all cases include the coal mining rights only, the property of the Crown, but the lessee may, upon application, be granted a yearly lease at a rental of $1 per acre per annum, payable yearly in advance, of whatever area of the available surface rights of the tract described in the coal mining lease, the Minister may

consider necessary for the efficient and economical working of the rights granted under such lease."

And whereas representations have been made to the Department of the Interior that coal mining lessees frequently adopt unskilful and improper methods in the opening up and operation of coal seams on the locations leased to them under the regulations, which methods are not in the interests of economy and production ;

Therefore, in order that supervision may be exercised over the methods adopted for the conservation and recovery of coal, His Excellency in Council is further pleased to order and it is hereby ordered that the following provision be inserted in the said Coal Mining Regulations :—

"The lessee shall, before opening any mine on the lands described in the lease, and before extracting any coal therefrom, submit to the Minister plans and specifications showing in detail the manner in which it is proposed to open up, develop and operate such mine, and if the location contains more than one seam of coal, detailed information shall be furnished as to the particular seam which it is proposed to develop. No work shall be commenced for the recovery of coal, and no coal shall be extracted until such plans and specifications have been approved by the proper officer of the Department. The procedure to be adopted in opening up and operating a mine on the lands leased, as well as the particular seam of coal which shall first be operated shall at all times be in accordance with the provisions of regulations duly approved by the Minister, and failure to comply with the requirements of such regulations shall render the lease subject to cancellation in the discretion of the Minister."

And whereas coal mining lessees in their mining operations frequently create centres of population in isolated districts where educational facilities for persons of school age have not been established ;

Therefore, His Excellency in Council is further pleased to order and it is hereby ordered that the following provision for the establishment of such facilities be inserted in the said Coal Mining Regulations :

"Whenever the coal mining lessee, by reason of his mining operations on the lands described in the lease, creates a centre of population comprising persons who, under the provisions of the regulations of the province in which the lands are situated, are considered to be of school age, and in case a school district is organized under the regulations of the province, owing to such centre of population having been so created, and including it, the lessee shall erect and maintain, during the currency of the lease, a school house for the accommodation of all such persons of school age, in accordance with the regulations of the Provincial Department of Education, and shall engage and pay a teacher or teachers, properly qualified and approved by the Provincial Department of Education."

RODOLPHE BOUDREAU,
13-4 Clerk of the Privy Council.

NOTICE TO MARINERS.

No. 66 of 1918.

(*Atlantic No. 38.*)

All bearings, unless otherwise noted, are true and are given from seaward in degree 0° (North) to 360°, measured clockwise, followed by the magnetic bearing in degrees in brackets, miles are nautical miles, heights are above high water of ordinary spring tides, and all depths are at low water of ordinary spring tides.

NOVA SCOTIA.

(175) Pictou harbour—East river—Dredged channel—Lock and other improvements.

Navigation of East river, Pictou county, from Pictou harbour to Trenton, a large steel manufacturing centre which has recently sprung up, has been improved by dredging a channel 150 feet wide by 21 feet deep from Pictou river to Narrows point and 15 feet deep thence to Trenton. The dredged channel is in long tangents that do not follow the bends of the original channel. The axes of the three tangents, on which it is laid out, may be located on the chart as follows:—

(1) From deep water in Pictou river on a bearing of 144° 30′ (S. 12° 15′ E. mag.) to a point 2350 feet 303° 30′ (N. 33° 15′ W. mag.) from the north extreme of Coal Loading Place.

In this reach there is a portion 200 feet long where the depth is only 16 feet. This portion lies about ¾ mile below the turn in the channel.

(2) From the last mentioned point, on a bearing 119° 30′ (S. 37° 15′ E. mag.) 1·85 miles, to the turn at the entrance to the lock between the piers.

In this reach the depth in some spots is only 19 and 20 feet.

(3) From the turn below the lock, through the axis of the lock, on a bearing of 161° 30′ (S. 4° 45′ W. mag.), to the south side of Shipyard point.

In this reach the depth from the turn below the lock to the lock is only 16 feet.

At the turns the channel has been widened by removing the projecting angles.

Turning basin.—Above Shipyard point a turning basin has been dredged in front of the town of Trenton. The west limit of this bears 155° 30′ (S. 1° 15′ E. mag.) for 2130 feet and the width varies from 150 feet at Shipyard point to 400 feet at the widest point, 1100 feet above Shipyard point. East of the basin the front has been faced with a retaining wall and spoil has been used to fill the bay.

Lock.—A lock has been built through Stonehouse point (Narrows point on the chart) on a bearing of 161° 30′ (S. 4° 45′ W. mag.) in the axis of the third cut above described. Guide piers have been constructed at the north and south entrances to the lock. This lock is not yet in operation. When used it will raise the level of the river so that a depth of 21 feet will be available.

Dam.—A dam has been constructed across the natural channel of the river from a point 400 feet west of the east extreme of Stonehouse point to Cantley point bearing 156° 45′ (S. mag.)

Sluiceway.—A sluiceway used in connection with the lock cuts through Stonehouse point 225 feet east of the lock.

EAST COAST OF CANADA.

(129) Regulations with regard to Vessels' Lights.

Section 22A. of "Defense of Canada Order, 1917," relating to Ships' Lights, has been amended to read as follows:—

"22A. These orders shall apply to vessels of every description, other than H.M. Ships, H.M.C. Ships and Hospital Ships, with the exception of those ships employed exclusively in Lake and/or River service.

(A) IN AREAS IN WHICH SUBMARINES AND/OR RAIDERS ARE LIKELY TO BE MET, WHICH AREAS ARE DEFINED IN WAR INSTRUCTIONS FOR BRITISH MERCHANT SHIPS OR WITHIN SUCH LIMITS AS MAY BE DEFINED BY OFFICERS RESPONSIBLE FOR THE ISSUE OF ROUTE INSTRUCTIONS IN CANADA OR ABROAD, AND

(B) IN AREAS OTHER THAN THOSE ABOVE MENTIONED, WHENEVER INFORMATION IS RECEIVED BY WAR WARNINGS, OR OTHERWISE, THAT SUBMARINES AND/OR RAIDERS ARE OPERATING:

1. Vessels are to be carefully darkened from Sunset to Sunrise. No light of any description shall be exposed in any vessel so as to be visible outboard or to reflect upwards, other than Navigation Lights at such times and in such circumstances as they are authorized to be shown by this Order, and lights which are necessary for signalling purposes.

Any Naval Officer whom the Senior Naval Officer of the Port may appoint for the purpose, may board any vessel entering the port to inspect the means provided for the screening and shading of lights as this Order requires. The Master of such vessel shall give facilities for such inspection, and shall, if the Inspecting Officer so requires, sign a certificate to the effect that adequate means of screening lights are provided on board.

2. Navigation Lights must be dimmed to a visibility not exceeding two miles.

Subject to any directions given under Paragraph 8 hereof, they are only to be exhibited (a) for avoiding collision, in which case they are to be extinguished as soon as the danger of collision has passed, (b) when exceptional circumstances make their use absolutely necessary.

They must be so arranged that they can be instantly shown when required to be exhibited.

3. Masthead Lights.—No Masthead Light of a brilliancy exceeding $2\frac{1}{2}$-candle power at its source is to be exhibited. Dioptric Lenses and reflectors are to be removed from the lanterns, and lights are to be shaded with plain opal glass.

One Masthead Light only is to be used, and this light is never to be used unless the Master considers it absolutely necessary.

The use of Masthead Lights is to be discontinued until provision has been made for their being reduced in accordance with this Order.

4. Side Lights.—No side light of a brilliancy exceeding 8-candle power at its source shall be exhibited. Dioptric Lenses and reflectors are to be removed from the lanterns and the lights are to be shaded with plain coloured glass.

Ships with electric lamps are to carry 5-candle power bulbs for use when specially ordered.

Oil Side Lamps are only to be exhibited if electric lights are not available.

5. Stern Lights.—No Stern light of a brilliancy exceeding 2½-candle power at its source shall be exhibited. Dioptric Lenses and reflectors are to be removed from the lanterns, and lights are to be shaded with plain opal glass.

Stern Lights are to be electric where electric light is installed, and are to be controlled from the bridge.

In vessels where electric light is not installed, an oil lamp or electric torch of equivalent brilliancy may be substituted.

Stern lights are not to be exhibited when Navigation Lights are ordered to be shown unless Stern Lights are definitely mentioned in the Order.

Stern Lights are only to be exhibited (a) for the purpose of avoiding a collision, in which case they are to be extinguished as soon as the danger of collision is passed, or (b) in accordance with any directions given under Paragraph 9 hereof.

Vessels in convoy when ordered to exhibit a Stern Light are to have such light screened so as to show not more than three points from right astern on each quarter.

6. Dimmers.—In ships fitted with dimmers, bulbs of a higher candle power may be used, but lights are not to be shown of a brilliancy exceeding that stated in this Order, except in special circumstances, such as imminent danger of collision, thick weather, or while navigating in and entering or leaving any harbour; such ships are to be supplied with bulbs of the prescribed candle power, which are to be inserted and used in the lamps should the dimmers fail from any cause.

7. Anchor Lights.—The visibility of anchor lights is not to exceed one mile.

No electrically lit lanterns are to be used as Anchor Lights, except in vessels carrying volatile oil or spirits in bulk.

All Anchor Lanterns are to be fitted with overhead screens, so arranged as to cut off the light at an angle of between 20 and 25 degrees above the horizontal.

8. Vessels carrying volatile oil or spirits in bulk shall exhibit (in lieu of oil lamps) electrically lit lanterns not exceeding in brilliancy fifty per cent of the brilliancy of the normal oil lamps.

9. Notwithstanding the foregoing provisions of this Order, the Senior Naval Officer or Naval Officer in Charge at any port in Canada, may give instructions either general or special for the showing of such Navigation, Anchor, or other Lights in waters within his jurisdiction, as he may consider necessary for the safety of shipping in such waters.

In waters other than those last mentioned, the Senior Naval Officer present on board any of H.M. Ships or any Naval Officer appointed for the purpose, may give directions either general or special for the exhibition of any lights he may require to be shown.

10. The owner of every vessel shall provide for fitting and maintaining on board the vessel the equipment of lights prescribed hereby, including adequate means of controlling, shading, and screening Navigation and Anchor Lights and all other lights on board which require to be screened to enable the vessel to be thoroughly darkened, and if any owner fails so to provide, he shall be guilty of an offence against the Defence of Canada Order.

The Master, Officer, member of the crew, passenger, or any other person on board any vessel who is affected by any of the provisions of this Order and fails to comply therewith shall likewise be guilty of an offence.

11. For the purposes of these orders Paragraph A shall be deemed to include all waters of the Atlantic Ocean, the Gulf of St. Lawrence and the River St. Lawrence as far west as the Port of Quebec, and Bay of Fundy.

12. For the purposes of these orders, vessels employed on the River St. Lawrence, which do not proceed eastward of Point des Monts, shall be deemed to be employed exclusively in River Service."

(*b*) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(*c*) The name and address of the solicitor, if any, acting for the respondent.

(*d*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(*6*) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(*7*) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the

satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

HOTEL DU GOUVERNEMENT A OTTAWA.

Jeudi, le 18e jour de juillet 1916.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que l'attention des autorités a été attirée sur la demande anormale de beurre due aux conditions de la guerre et sur la très grande probabilité que cette demande anormale et les prix élevés de ce produit qui en résultent prévaudront encore quelque temps;

Et attendu qu'il est de l'intérêt public dans les conditions particulières précitées que d'autres substances grasses soient disponibles en Canada comme substituts du beurre, subordonnément à des conditions strictes et raisonnables:—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre suppléant de l'Agriculture, et en vertu des dispositions de la *Loi des mesures de guerre, 1914*, de faire et établir par les présentes, mais comme mesure de guerre seulement, les règlements suivants concernant l'importation au Canada et la permission de fabriquer, vendre et posséder en Canada de l'oléomargarine, et déterminant les conditions de telle importation, fabrication, vente et possession, ces règlements devant demeurer en vigueur durant la période que dureront les conditions anormales actuelles, la fin de cette période devant être déterminée par le ministre de l'Agriculture avec l'approbation du Gouverneur en conseil, ainsi que prescrit dans les dits règlements.

Il plaît, de plus, à Son Excellence le Gouverneur général en conseil, sur la même recommandation, de décréter que l'arrêté en conseil du 23 octobre 1917 (C.P. 3044) et l'arrêté en conseil du 10 novembre 1917 (C.P. 3236) soient par les présentes rescindés.

RÈGLEMENTS.

Le et après le 1er jour de novembre 1917, et jusqu'à ce que le Gouverneur en conseil ait déclaré par décret que les conditions anormales actuelles ont cessé, l'alinéa (*a*) de l'article 5 de la *Loi de l'industrie laitière*, Statuts de 1914, chapitre 7, sera suspendu en ce qu'il prescrit que personne ne fabriquera, n'importera au Canada, ou n'offrira, vendra ou aura en sa possession pour la vente de l'oléomargarine, ainsi que définie ci-après, et l'importation, la fabrication, l'offre en vente et la possession pour la vente de toute telle oléomargarine seront permises, sujet, cependant, aux règles et règlements suivants:

2. Pour les fins des présents règlements "oléomargarine" signifiera et comprendra l'oléomargarine, la margarine, la butyrine ou tous autres subtituts du beurre qui sont partiellement ou en entier fabriqués de gras ou d'huiles autres que ceux tirés du lait ou de la crème, qui ne contiennent aucune substance colorante artificielle, et pas plus que seize pour cent d'eau.

3. Personne ne fabriquera ou importera d'oléomargarine avant d'avoir obtenu un permis qui pourra être annulé en aucun temps si le permissionnaire contrevient aux dispositions des présents règlements ou de tous autres règlements faits par le Gouverneur général en conseil ou par la Commission des vivres du Canada.

4. Les permis pour l'importation et la fabrication de l'oléomargarine émaneront du bureau du vétérinaire général, seront signés par lui et contresignés par tel fonctionnaire dudit bureau que désignera la Commission des vivres du Canada.

5. Toute oléomargarine importée au Canada et contenant du gras animal et de l'huile animale sera accompagnée du certificat d'exportation de l'inspecteur du pays de production, et tout importateur devra, à l'entrée de tel produit en Canada, présenter tel permis d'importation au percepteur des douanes et lui remettre le certificat de l'inspecteur du pays de production. Les permis d'importation seront en duplicata et une copie déposée aux douanes lors de la première inscription.

6. Les importateurs d'oléomargarine faite entièrement de gras végétaux et d'huiles végétales, fourniront au percepteur des douanes au port d'entrée un certificat d'inspection en la forme que prescrira la Commission des vivres du Canada.

7. L'oléomargarine fabriquée en entier d'huiles végétales sera désignée comme telle sur ses étiquettes, marques de commerce ou autres signes distinctifs.

8. Les permis pour la fabrication de l'oléomargarine ne seront accordés qu'à tous tels requérants qui ont établi, à la satisfaction du vétérinaire général, que le local ou les locaux où ils se proposent de fabriquer l'oléomargarine sont bien éclairés et ventilés; construits de matériaux convenables et hygiéniquement aménagés pour les employés; qu'il n'y a pas de contamination à redouter du fait d'odeurs infectes provenenant des abattoirs, salaisons, fabriques d'engrais artificiels et autres sources; que les machines et l'outillage sont modernes et peuvent être facilement et complètement nettoyés, et que le rendement probable de l'établissement projeté sera de nature à nécessiter l'emploi d'un inspecteur.

9. L'oléomargarine ne sera fabriquée au Canada que sous la surveillance d'inspecteurs nommés par le ministre de l'Agriculture.

10. L'oléomargarine ne sera pas fabriquée au Canada dans un local où se fabrique le beurre ou attenant à une fabrique de beurre.

11. Toute matière entrant dans la composition de l'oléomargarine sera sujette à inspection et ne sera ainsi employée qu'avec le consentement de l'inspecteur. L'inspecteur aura droit en tout temps de prendre des échantillons de toute telle matière pour analyse. Nulle huile oléique ou saindoux neutre n'entrera dans la fabrication de l'oléomargarine s'ils ne proviennent d'un abattoir inspecté par les fonctionnaires du département de l'Agriculture du Canada et ne portent le sceau d'inspection du gouvernement, ou sans que le ministre soit satisfait de l'inspection qui en a été faite au pays de production, et qu'à la date d'importation ils portent les sceaux ou marques officiels et le certificat de l'inspection faite lors de l'expédition du pays de production. Nul lait n'entrera dans la fabrication de l'oléomargarine s'il ne provient de vaches soumises à l'épreuve de la tuberculine ou s'il n'est pasteurisé, et nul beurre ne sera employé s'il a un goût rance ou émet une odeur désagréable.

12. Nul préservatif autre que le sel ne sera employé dans la fabrication de l'oléomargarine, sauf sur permis écrit de la Commission des vivres du Canada.

13. Personne autre qu'un fabricant d'oléomargarine ne mélangera ce produit à du beurre.

14. Nulle substance destinée à colorer l'oléomargarine sera importée au Canada sous une enveloppe contenant de l'oléomargarine, et nul fabricant, marchand en gros ou détaillant faisant le commerce de l'oléomargarine ne fera le commerce de telle substance, ni n'en vendra ou en délivrera.

15. Nulle oléomargarine ne sera vendue en Canada, sauf conformément aux conditions suivantes;

(*a*) contenue dans les paquets d'origine marqués et libellés en conformité des présent règlements;

(*b*) chaque petit paquet sera sous enveloppe séparée et le mot "oléomargarine" sera imprimé ou écrit sur l'étiquette ou l'enveloppe de manière à en être le mot le plus en vue;

(*c*) les étiquettes, enveloppes et paquets porteront le sceau d'inspection du pays de production ainsi que le nom et l'adresse du fabricant.

16. Dans toutes les places publiques où l'on donne à manger, les hôtels et les restaurants où l'on sert de l'oléomargarine il sera exposé dans un endroit bien en vue un placard contenant les mots "on sert ici de l'oléomargarine", en lettres capitales de pas moins de un pouce et demi de hauteur,

17. Nulle étiquette ou marque de commerce ne sera employée sans avoir été approuvé par le vétérinaire général.

18. Personne ne vendra, n'offrira en vente, n'exposera pour la vente ou n'aura en sa possession pour la vente de l'oléomargarine pressée ou coupée en pains, à moins que chaque pain soit du poids de une demi-livre ou de une livre au temps de la vente, de l'offre en vente, de l'étalage ou de l'emmagasinage.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que les Commissaires du havre de Montréal, par une résolution adoptée à une assemblée de la Commission tenue le 5e jour d'août 1918, ont modifié le règlement numéro 96 actuel, qui prescrit un tarif et des conditions pour le mouvement des wagons sur les voies ferrées du havre, en substituant les articles modifiés dont copie est annexée aux mêmes articles de l'ancien règlement numéro 96 ; aussi, par une résolution passée à leur assemblée du 15 août 1918, les Commissaires rescindent le règlement numéro 104 et approuvent le nouveau règlement numéro 104 ci-annexé, qui doit être substitué au premier, et soumettent le tout pour approbation ;

Et attendu que le ministre de la Marine et des Pêcheries déclare que le fonctionnaire du département de la Marine qui a charge de l'inspection et de la supervision des diverses commissions de havre fait rappor

que les règlements originaux ont été soumis au département de la Justice pour son avis quant à leur légalité, et que ce département a fait rapport que l'adoption des dispositions de ces règlements était du domaine des Commissaires, d'après les lois en vigueur ; que les modifications aux règlements originaux n'apportent aucun changement à l'effet général des anciens règlements, mais prescrivent seulement l'augmentation des droits. Il n'a donc pas été jugé nécessaire de soumettre ces modifications au département de la Justice pour plus ample avis quant à leur légalité, et le fonctionnaire susdit recommande que ces modifications soient approuvées ainsi que soumises, et le sous-ministre du département de la Marine et des Pêcheries agrée cette recommandation.

A ces causes, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre de la Marine et des Pêcheries, d'approuver les règlements modifiés numéros 96 et 104 des Commissaires du havre de Montréal, dont copie est ci-annexée, et ces règlements sont par les présentes approuvés en conséquence

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que certaines difficultés ont surgi dans l'administration des règlements du service militaire promulgués dans un arrêté en conseil (C.P. 1013) du 30 avril 1918), ainsi que modifiés par un arrêté en conseil (C.P. 1226) du 20 mai 1918, concernant la preuve d'identité et le droit de perquisition, particulièrement en ce qui concerne les paragraphes (*a*), (*b*) et (*c*) de l'article 1 de ces règlements, et par l'arrêté en conseil (C. P. 1490) du 15 juin 1918, ajoutant une clause avant le paragraphe (*a*) de l'article 1;

Et attendu qu'il est allégué que les certificats alternatifs prescrits dans les paragraphes (*a*) et (*b*) concernant l'âge et l'état matrimonial ne sont pas satisfaisants, en raison du fait qu'ils imposent à la police ou autre officier chargé de l'application de la *Loi du service militaire* le devoir de décider si oui ou non les citoyens qui donnent les certificats sont de fait des citoyens respectables qui connaissent l'âge et l'état matrimonial de l'homme concerné ; et de plus, parce que ces certificats sont difficiles à vérifier quand le porteur a quitté l'endroit où il réside ordinairement. De plus, ces certificats se prêtent à la déception ;

Et attendu qu'il est allégué que le paragraphe (*c*) de l'article 1 desdits règlements n'est pas satisfaisant en raison du fait que dans nombre de cas des aubains sont dans l'impossibilité de présenter un certificat consulaire ou un passeport,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre de la Justice et en vertu des pouvoirs conférés au Gouverneur en conseil par la *Loi des mesures de guerre de 1914*, et autrement, d'annuler et remplacer par ce qui suit les articles 1, 2, 3 et 4 des règlements établis par l'arrêté en conseil (C.P. 1013) du 30 avril 1918, par lequel les personnes appartenant apparemment ou raisonnablement soupçonnées d'appartenir à la classe 1 décrite par la *Loi du service militaire de 1917*, mais qui prétendent ne pas appartenir à la dite classe, sont requises d'avoir sur leur personne ou dans l'endroit où elles se trouvent la preuve de leur condition, ainsi que modié par les arrêtés en conseil (C.P. 1226 du 20 mai 1918) et (C.P. 1490 du 15 juin 1918 :

Règlements.

1. Le et après le premier jour de septembre 1918, toute personne du sexe masculin qui n'est pas en service actif dans une des forces navales ou militaires de Sa Majesté ou dans les forces navales ou militaires d'un des alliés de Sa Majesté, et qui en apparence peut appartenir ou que l'on peut raisonnablement soupçonner d'appartenir à la classe 1 définie par la *Loi du service militaire, 1917*, par qui ou au nom de qui il est en aucun temps affirmé, réclamé ou prétendu que soit à raison de son âge, de son status ou de sa nationalité, soit qu'elle tombe sous les exceptions soit autrement, elle n'appartient pas à la classe 1 telle que définie par la *Loi du service militaire, 1917;* ou que, quoique appartenant à la classe 1 susdite, elle est exempte du service militaire ou n'y est pas assujettie, doit avoir en sa possession sur sa personne en tout temps ou dans toute maison ou local où elle se trouve dans le moment, la preuve écrite établissant *prima facie* qu'elle n'appartient pas à la dite classe ou qu'elle est exempte du service militaire ou n'y est pas sujette; et sans limiter la généralité de cette disposition quand à la nature de la preuve qu'il doit fournir, il est prescrit qu'un homme sera censé s'être conformé à cette prescription s'il présente un certificat ou document comme suit, savoir:

(*a*) S'il réclame qu'il n'appartient pas à cette classe à cause de son âge, un certificat officiel de la date de sa naissance ou à défaut de tel certificat un certificat du juge de paix à l'effet que l'âge et l'année de naissance donnés dans le certificat ont été prouvés à la satisfaction dudit juge de paix ; ou

(*b*) S'il réclame qu'il n'appartient pas à cette classe à raison de son mariage, un certificat, soit officiel soit signé par un juge de paix, attestant le fait qu'il s'est marié avant le 6 juillet 1917 et que sa femme vit encore ; ou

(*c*) S'il réclame qu'il n'appartient pas à cette classe à raison de sa nationalité, un certificat signé par un consul ou vice-consul de l'Etat ou du pays étranger auquel il prétend devoir allégéance ou un passeport émis par les autorités de tel Etat ou pays étranger attestant sa nationalité, ou un certificat d'un magistrat à l'effet que la nationalité de l'homme concerné a été prouvée à sa satisfaction, la nationalité étant spécifiée. Toutefois, jusqu'au 30 novembre 1918, dans les provinces de Manitoba, Saskatchewan et Alberta, un certificat de nationalité émis par un agent dûment autorisé du gouvernement canadien aux Etats-Unis sera accepté au lieu d'un certificat consulaire.

(*d*) S'il réclame qu'il est excepté comme étant membre d'une des forces de Sa Majesté ou comme ayant depuis le 4 août 1914 servi dans les forces militaires ou navales de la Grande-Bretagne ou de ses alliés sur l'un des théâtres de la guerre, ayant honorablement reçu son congé, des documents officiels ou un certificat officiel attestant le fait ;

(*e*) S'il réclame qu'il est excepté à titre de membre du clergé, ou d'un ordre reconnu d'un caractère exclusivement religieux, ou à titre de membre d'une dénomination religieuse existant au Canada le 29 août 1917, ou à titre de membre d'une autre société ou d'un autre corps quelconque, un certificat du fait signé par un fonctionnaire compétent à le certifier d'après les règles de l'église, ordre ou dénomination, société ou corps, auquel il appartient ; ou

(*f*) S'il réclame qu'il est exempté du service militaire et n'y est pas obligé en raison d'une exemption quelconque accordée ou demandée, ou d'une demande pendante sous le régime de la *Loi du service militaire, 1917*, ou des règlements établis sous l'empire de cette loi, ses papiers d'exemption ou un certificat du registraire du district auquel il appartient ; ou

(*g*) S'il réclame qu'il n'appartient pas à cette classe, ou qu'il est exempté, non tenu ou excepté pour une autre raison quelconque, un certificat d'un magistrat attestant que lui a été fournie la preuve des faits sur lesquels l'allégation est basée.

2. Les juges de paix et les magistrats sont par les présentes autorisés à examiner les cas divers et à émettre les certificats décrits dans les paragraphes (*a*), (*b*), (*c*) et (*d*) respectivement.

3. Si le ou après le premier jour de juin 1918 une personne quelconque du sexe masculin est découverte sans la preuve requise ou le certificat requis sur sa personne ou dans le bâtiment ou sur les lieux où elle se trouve, elle sera *prima facie* réputée être alors assujettie au service militaire et être un déserteur ou un absent sans congé ; elle sera aussi passible sur conviction sommaire d'une amende n'excédant pas cinquante dollars, ou d'emprisonnement pour une période n'excédant pas un mois, ou des deux peines de l'amende et de l'empri-

sonnement ; et de plus toute telle personne peut immédiatement être arrêtée et mise sous la garde de l'autorité militaire et être détenue et contrainte à faire le service militaire dans le corps expéditionnaire canadien tant que ses services seront requis, à moins et jusqu'à ce que le fait soit établi à la satisfaction de l'autorité compétente qu'elle n'est pas assujettie au service militaire.

4. Le fait de se servir, de signer ou donner un certificat quelconque, tel que ci-dessus mectionné, si le certifiicat, sous quelque rapport important, est faux ou trompeur à la connaissance de la personne qui s'en sert, le signe ou le donne, sera un délit passible, sur conviction sommaire, d'une amende n'excédant pas cinq cents dollars ou d'emprisonnement pour une période n'excédant pas six mois et d'au moins un mois.

5. Tout officier ou sous-officier, lorsqu'il est généralement ou spécialement autorisé par écrit à le faire par l'officier ou l'officier général commandant le district où il est en service, ou par le grand prévôt ou l'aide grand prévôt de ce district, s'il a raisonnablement lieu de soupçonner qu'un déserteur ou un absent sans congé est hébergé ou caché dans un bâtiment ou un endroit quelconque, peut en tout temps, après demande raisonnable d'admission et présentation de l'autorision par écrit susdit, entrer dans ce bâtiment ou pénétrer dans cet endroit afin de constater si le déserteur ou l'absent sans congé s'y trouve ou non, et faire toute perquisition qui peut être nécessaire dans ce bâtiment ou cet endroit ; et de plus, si l'admission à ce bâtiment ou cet endroit ou à une partie quelconque d'iceux lui est refusée, il peut y faire irruption, employant pour cela et pour la perquisition telle force qui peut être raisonnablement nécessaire.

Les dits articles 1, 2, 3 et 4 des règlements susdits du 30 avril 1918, ainsi que modifiés, sont par les présentes annulés et remplacés en conséquence, la mise en vigueur datant du premier jour de septembre 1918.

Le règlement établi par l'arrêté en conseil du 5e jour de septembre 1918 (C.P. 2138) est par les présentes rescindé.

HOTEL DU GOUVERNEMENT A OTTAWA.

Lundi, le 23e jour de septembre 1918.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que les Commissaires du havre de Montréal, par une résolution adoptée à une assemblée de la Commission tenue le 15e jour d'août 1918, ont rescindé le règlement numéro 93 actuel qui fixe un tarif de droits pour les services des élévateurs de la compagnie du chemin de fer Grand-Tronc dans le havre de Montréal, conformément à une convention entre cette dernière compagnie et les Commissaires du havre de Montréal, et ont approuvé et substitué le nouveau règlement numéro 93 ci-annexé.

L'effet du nouveau règlement est de faire une légère augmentation dans les droits antérieurement en vigueur pour lesdits services, les rendant les mêmes que les droits prescrits dans le nouveau règlement récemment approuvé pour les mêmes services dans les élévateurs des Commissaires du havre de Montréal ;

Et attendu que le ministre de la Marine et des Pêcheries représente que le fonctionnaire du département de la Marine qui est chargé de la supervision des affaires départementales des diverses commissions de havre en Canada a fait rapport que ce règlement est semblable dans ses principes au premier règlement passé pour cette même fin, qui a été soumis au département de la Justice pour un avis quant à sa légalité et sur lequel ce département a fait un rapport favorable, et il recommande que le présent règlement soit approuvé sans la formalité d'un autre avis du département de la Justice, recommandation que le sous-ministre du département de la Marine et des Pêcheries agrée.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre de la Marine et des Pêcheries, d'approuver le règlement numéro 93 ci-annexé des Commissaires du havre de Montréal, et ce règlement est par les présentes approuvé en conséquence.

RODOLPHE BOUDREAU,
Greffier du Conseil privé.

COMMISSION DU HAVRE DE MONTRÉAL.

Ces taux seront soumis à l'approbation des Commissaires et du Gouverneur en conseil, et pourront être revisés aussi souvent que la chose sera jugée nécessaire ; et

(Commence le 15 novembre et finit le 15 mai.)

Après le 15 novembre, lorsque les droits aux taux réguliers pour l'emmagasinage et la livraison locale se chiffrent à 1½ cent le minot, il ne sera pas imposé de droit additionnel, sauf pour le transbordeur à grain sur lequel le droit régulier de $\frac{4}{10}$ de cent par boisseau sera imposé.

Sur le grain emmagasiné durant les mois d'hiver et restant dans l'élévateur après le 15 mai, il sera imposé un droit de ¼ de cent par boisseau pour chaque dix (10) jours ensuivants ou partie de dix jours, en sus des droits déjà dus.

En outre des droits ci-dessus, une taxe sera exigée pour l'élévation du grain, car les taux d'hiver ne s'appliquent qu'à l'emmagasinage et la livraison.

DEMANDES AU PARLEMENT.

SENAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1916.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(*1*) La résidence du étitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawat le nom et l'adresse de quelque agent le représentan, à Ottawa à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat:

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada,* il doit en être publié un semblable, comme il suit:—

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal,* —dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une *compagnie de télégraphe ou de téléphone,* —dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une *compagnie pour la confection de travaux quelconques,* dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une *compagnie de banque;* une *compagnie d'assurance;* une *compagnie de crédit;* une *compagnie de prêt;* ou une *compagnie industrielle,* sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement.

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera e même, *mutatis mutandis,* que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs); d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: *"Avis de bill privé"*; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

A. E. BLOUNT,
Greffier du Sénat.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, Mettout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instructions aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommendation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la Chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents dollar

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir:—

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas *b* ou *c* de l'article 3, ne sera pas exigée.
